A voice of one calling in the desert, 'prepare the way for the Lord, make straight paths for Him.'

Time is ripe for Harvest.

Mathew 9; 37

Then He said to His disciples " the harvest is abundant but the workers are few."

NB: For Bible quotations read from your own Bibles. Before you proceed to read make sure you have repented and confessed of all your evils and sins!

This is the book the world of the 21st century has been waiting for!
The second gift from Jesus Christ to the world of the 21st century.

God asked me "My son whom do you tell the world you are?"

Then I asked Him, "My lord, what do I tell them I am?"

Then God Almighty answered me,

"You are the one who would preach about the second coming of Jesus Christ (the rapture) just a few days before He will appear on the clouds riding on a bright white cloud"

"You will preach through other preachers"

"Supposing Jesus Christ called you from Heaven and told you the day, date and the hour and even the minute He will visit you in your house, what measures will you take knowing that He is righteous, holy and entertains no sin?"

"Then do that now"

Everybody who believes and trusts in Jesus Christ and the rapture of the Church of Jesus Christ must move swiftly.

On the date, 22/01/2014, Jesus Christ told me that I should just write very fast the revelations which He has shown to me and pass it over to the people. The Christians and anybody else who will show interest and desire to know more about Jesus Christ, Jesus Christ declared to me. Just write and I will do My part.

He assured me that He Jesus Christ will teach them, explain and expound the message

“I will elaborate, educate and reveal myself to them.”

Lord Jesus, I sincerely and truly open my heart for you to enter in me now and be the ruler and controller of my entire life. Please Heavenly Father, record my name in the book of life and delete it from the book of those who were destined for death and eternal suffering in hell. Deliver me from the hand and all evils of Satan and wash and cleanse me with your blood. Oh my Lord Jesus Christ.

I sign a covenant of total loyalty to serve and worship you for the rest of my life and promise to you oh my God to serve you with all my heart, and with all my soul and with all my mind and promise you that I have abandoned Satan and all his pleasures and promise to remain faithful to you my God for the rest of my life. Please my God, enable and strengthen me to keep this covenant.

TIME OUT- GOD HAS DECLARED

Time is out now. There is no more time which is remaining. We are indeed winding up. The time which is there now is to wind up. We are in fact summing up. I am personally not even preaching. I am winding up that which has been said for the last two thousand years.

Even when I report the events which were revealed to me, I am only reporting them for the sake of it . Between the 27th July 2001 and 1st week of August 2001 God told me not to put emphasis but to strictly move very fast to unite the church. Most of the Christians would not actually understand where we are today and what God is doing. Leave alone the world who does not know Jesus.

Time is out for Christians to gather wealth, property, material, accumulate funds in the banks and see the very fat accounts. Time is out for those preachers who preach for wealth. It is time we preached about righteousness, purity and repentance. Truth because the one who called us is truth Himself and we must copy from Him only.

It is time to prepare the Christians to meet our Lord Jesus Christ; It is time for preparation to meet for the wedding supper with our Lord Jesus Christ . The next major event in the world and in heaven will be the rupturing of the church. This is for the Christians.

Most of us think that we are on earth permanently but your thinking and reasoning is indeed wrong. We are here just for a short season. If you know this, you must change completely your character, behavior and your way of worship and please God the Heavenly Father only.

The devil will have no share in your life whatsoever!!!!

Amos 3:7-

Surely the sovereign Lord does nothing without revealing His plan to His servants the prophets.

Isaiah 42:9-

See, the former things have taken place and new things I declare; before they spring into being I announce them to you.

PART ONE

CHAPTER ONE

THE ATTACK ON THE STATE OF ISRAEL

It was in between 27th July 2001 and the month of August, first week, 2001 when God came to me in a dream and took me into the Middle East. In the state of Israel, He took me on the Southern Mountains that surround the City of Jerusalem.

I stood there facing the city. As I stood there, a missile was fired from the opposite direction of me the northern direction which came slowly until it dived and blasted in the city centre. It was too low to be noticed. It was almost on the ground. But because I just stood some distance away from where it appeared, I cannot give the exact height from the ground.

I cannot also define properly the kind of weapon which will be used to attack the city of Jerusalem and the state of Israel as a whole. For sure it will be a bomb because there was a blast but it is impossible for me to give a true definition of the weapon but the head was coated red. Secondly, I am not a bomb expert so unless I explain to someone who is an expert, I can not make a true definition of the weapon. Now, when this happened, I wanted to run to the scene immediately and assist on the rescue mission. People ran to the scene immediately and I was so anxious to join them in the rescue mission. But before I ran to the scene, God drew the curtain and I stood to where I was standing rooted there.

I wanted to go but now what's all these. But anyway, I stood there waiting for my instructor to tell me what to do next. Voice came saying I should remain there and wait. Then when the curtains were drawn again, I was told to look on my left hand side. When I looked, I saw two men. One was lying facing downward and his legs lay straight.

His hands were on his face as he lay there helplessly. A voice came again to me and said to me that the man who lay on his stomach on the ground was one of the victims who were rescued from the scene of attack. He lay there as if he was dead. The other second man sat at the foot of the feet of the man who lay on the ground. But this other one was sitting down watching over the man who lay there helplessly. It looked like the man who sat was the one who

had brought or rescued this man who lay down. He slept there motionless as though he was dead. He never even moved any of his body parts. Anybody would say its true the man is dead.

But with the man who was sitting down watching at him, he robbed the one who was lying down. He picked his pockets. He even removed his shoes. When he had finished robbing the man rescued from the attack, there arose a very harsh argument. The man who lay asked the other;

“Why are you robbing me. Why have you taken everything from me? Do you know that we are even related? Yes , indeed you are my relative and your people are my relatives. Then the man demanded that his property be returned to him immediately but his rescuer never even took heed of what the one who lay down was saying.

He just said “I will not return it ,” He said he did not care even if they were relatives. He only continued to stay where he was. The man who had pretended to be dead and yet he was living went- back to his normal position and continued to lie there as before the man who lay on the ground was the chosen Nation of Israel; a voice told me. But because of their disobedience to God, God punished them by allowing their enemies to conquer them and carry all their possessions.

They even took them captives and slaves to their countries. Their land was also taken by other tribes while they were away and even the current cities. This is why we have the conflict which will lead to the state of Israel to be bombed very soon. For ages, before the State of Israel was born in 1948, we lived like there was nothing by the name of Israelite state.

They were scattered all over the world. It may also be noted that at for long the state of Israel was erased from the world map. History has it and will tell whether this is true. Now after the years which the Almighty God had given them to captivity came to pass, God brought back His chosen nation to the Promised Land. During their stay in captivity, almost everything they owned was taken by their enemies. Even the city of Jerusalem where their temple was constructed had also been taken. The temple was also demolished and a mosque built next to the site where the temple was.

We very well know that foreign gods were introduced in their land by their enemies who conquered them. Now after the State of Israel was reborn, their enemies schemed again on how they can crush and finish this nation of the Jews. But because they are God -chosen, it was not possible and it has proved impossible to crush and eliminate the Jewish state from their current occupa-

tion even to date. Since then, war has been there on who must inherit the city of Jerusalem and even some of the land that borders the current state of Israel. Jerusalem city belonged to them before they were taken to captivity and the surrounding palestines claim ownership of the same city and in fact their plan is to make it their capital city. War since then has reigned and it will be there and it will continue to be there until Jesus Christ returns to declare who actually must own the city.

One thing was made clear to me that the war between these two nations or states will have to continue. The world will spend millions and millions of the worldly wealth trying to bring permanent peace in the middle East but it will be impossible. If there was to be permanent peace, then the anti- Christ will have no reason to penetrate into the Israelite nation affair and sign the seven year peace agreement.

If Israel had to stay in permanent peace with the surrounding nations, then what reasons would the anti Christ use to convince the Jewish nation to listen to him. But it has been made clear to me and confirmed by God that only the anti- Christ will bring some temporary peace for three and half years according to the old prophecy of prophet Daniel, the Revelation of John and even the gospel according to St. Mathew. We have tried to look in the future but there is no another hope for peace. So we will try even now and then to bring permanent peace in the middle East but the assurance is that it will be impossible to achieve between now and until the time the anti- Christ will be introduced to the world and go to the middle East to negotiate for peace there.

From the scriptures it can be noted that both sides will welcome him(anti Christ) and both will also listen to him and obey him. This is the only man who is scheduled to bring some peace which actually will not be permanent either but temporary. Everyone should ask himself a question, why would they (both) the Arab countries and Israelites welcome the stranger and negotiate peace for both sides. It must be well noted that both sides will have had a bitter taste of the battle which is already on and both sides will have lost and will be willing to listen to any one who would offer to negotiate for peace for the benefit of the both parties.

The man who sat at the foot of the feet of the man who lay down are the people who occupied the city of Jerusalem and the promised land when the Jewish nation were taken captives. But then, the attack on the city of Jerusalem according to the way God has shown to me was like it would come first before the attack on the cities in America because it was shown in the first day of the

three days of revelations.

But with His own reason, God delayed the attack. May be the Almighty God brought in some confusion on the shipment of the weapons which were to be used for the attack or the experts to work on the weapons were also not available at once. But whatever the case, the truth is that God Almighty, The Heavenly Father of the chosen Nation of Israel delayed the attack with His own divine reason and purpose. I have made several consultations as to why it was delayed and one reason I am told is that the church of Christ has been given some little time more to re-organize herself. You will note that as you go through the book, on chapter four I was commanded to tell the church of Christ to unite and live a righteous life.

The true Christian need not to question the reason why the church should ensure that she lives in a holy kind of life today because any moment of time the Bridegroom will be united to the bride and together will they enjoy their wedding supper. (See part three of the book about the rapture) The attack on the city of Jerusalem was the first of the series of the three events.

One may have the question as to why the church would be given sometime to reorganize herself. The reason is that time is coming when people generally will not be able to concentrate on the word of God and worship because of the pain and general tribulation on the land. When you are in deep pain, you will have no time to concentrate meditate and also to send the word from one community to another. It may also be a problem or difficulty.

Just as the scripture says in

Isaiah 48:9

Vs 9. I will delay my anger for the honour of My name and will restrain my self for your benefit and for My praise so that you will not be destroyed.

So the attack has been delayed and I can not say up to and until when.

I Japheth was there and I was keen when the attack was revealed to me in August 2001 during the first week but for such I can not understand when it will come to pass. Because of Gods divine purpose, it has not come to pass. Thank you Almighty Heavenly Father for you have so far held and prevented the attack from happening. Sincerely Almighty God, receive my thanks giving and those of the entire nations of the entire world. There are those who are planning for it day and night but please my Lord, forgive them . Hatred has filled the land which gives an automatic results of death!!! Heal our land, oh Lord

CHAPTER TWO

THE AEROPLANE TERROR ATTACK IN THE UNITED STATES OF AMERICA

On the following night after I was shown the attack on the city of Jerusalem; I was shown the attack on Americans and this is how it happened:-

I was standing on a place which looked not very familiar and I heard a voice telling me to look upwards. When I looked, I saw an aeroplane which was flying too low. The same was producing noise like something was wrong with the engines.

The aeroplane came down facing eastern side of the mountain and everyone who saw it come down to crash came to rescue the victims. One thing which had surprised me was that where it passed, I had never seen an aeroplane pass through there and at such a low level. So as everyone ran to join the rescue team, I also ran.

This time God allowed me to run and I reached the scene. When I arrived there I found that the rescue team had already exhausted the search and I was told that nobody was salvaged from the scene alive even the plane had burned completely and nothing was recovered from there at the scene. I had to leave with the rest who walked towards the direction where I had come from i.e. The place where I was standing when the aeroplane crashed.

Now, I as a human being, I personally love Americans. I do not know why but anyway I have one reason. The reason I can confess that it was supernaturally inserted into my heart or life since I was a young boy. So I grew up with that affectionate love for Americans and the American people. But then I would keep the reason to myself and my Heavenly Father who mysteriously had supernaturally put it in me. In fact I grew up with the special love for Americans. Now, from the scene of the aeroplane crash, I came back reluctantly mourning for my friends. The Aeroplane was American carrying Americans.

As I walked pondering on what had happened, the same voice spoke to me again and asked me whether I has seen for myself. And I said yes. The voice spoke very loud from heaven saying to me , “three Americans have perished in the Aeroplane terror attack” in America. Then I walked slowly knowing that my American friends were still in more danger than I had witnessed. The voice spoke with command and finality. It was so loud that it was as though He was addressing the entire world.

What then should be done and can I save my friends from the incoming danger

was the question that repeatedly rolled in my heart. But it reminded me of some revelations He had given to me as the month of December 1999 came to end. He had told me that satan will from the year 2000 target the air transport. If the air transport is in danger in the whole world and not for the Americans alone, then how can we save these people. The entire world is in great danger.

Those who are traveling via air are just doing it at their own risk. I almost trembled as the message rolled again in my heart. From the year 2000, you will live in days of very great terror. So when God reminded me of His past revelation and I have seen that starting to happen, then I thought that there was no much I can do about it.

When I arrived at the place I had seen the plane come down and crash the curtains were drawn I woke up and I found myself in the place I had slept the previous night. It was almost dawn of the second day of God's revelations but very terrifying. When I woke up, I didn't sleep again. I was now in my normal life and knew that something was wrong somewhere. But what is it God? I kept on asking and He only made sure that all the events rolled in my heart as though to confirm what was about to take place.

The previous night was the attack on the city of Jerusalem and the state of Israel and today it is the American aeroplanes. God removed it from my immediate memory. When the voice had said 3 of the American aeroplanes would be used to crash in America, I was filled with great awe.

Three is a number of God which would mean that He must accomplish whatever He has decreed. It must come to pass was the assurance.

AMERICA, STATE OF ISRAEL AND THE ENTIRE WORLD

After God revealed to me on the attack on America, Israel and the Global conflict, I felt it better to inform the world I then decided to let those who were in power then to know exactly what God meant. At that juncture, I decided to write to the president of the United States of America telling him how important it was for me to share the revelation concerning the US, the chosen state of Israel and the global conflict which were termed by God as events which were supposed to take place in the near future. The letter was dated 23/Sept/2002, this letter which I forwarded through the US Embassy in Kenya, was also copied to the prime minister of Israel and the Secretary General of the united nations.

All these letters were forwarded to the concerned Authorities through their offices in the country Kenya. To my surprise, none responded. I had requested

the US President to convene an urgent meeting which was supposed to be attended by the foreign missions in the country or in the US, Israel and the united Nations personnel. May be they did not get my letters or it was termed as not of any importance. But sometimes between September and October 2013, because I cant recall the exact date because I did not mark it but the world knows the exact date.

God woke me sometimes at around 3.00 am God commanded me to switch on the television set. Guess what, the man I met on the screen addressing the united Nations meeting was the current prime minister of Israel and I recorded one of his statements which implied that “ even if Israel did not get support from any of her allies or the United Nations, Israel will go ahead alone and defend herself, from what I understood according to him an attack which according to me seemed imminent.

The prime minister spoke with all the confidence as if he had very reliable information that Israel was in danger according to his address. This information is recorded. The address of the prime minister can be referred to for confirmation. This was what I wanted the world to know almost twelve years back. I hope that the information that the prime minister and the state security of Israel has comes from a reliable source. What I can assure everyone who lives today on the 21st century **is that the world is drifting to a position where no force from whatever source will be able to stop it except the Almighty God. He is the only One who has the power and the required supernatural strength to put some of the events on the hold or delay them. I wanted to share this information so that the world leaders can try if possible to create some peace within the nations of the world. But only God knows where we are going and no body knows except for what we can see vividly from His revelations.**

This world is divided . There are those who wish for a peaceful atmosphere but there is another part of the world population who feel as if we have over stayed on earth and need to be wiped from the face of the land. We are all Gods creation but we do things differently for each other . We think and reason differently walk, talk, laugh, speak.....and we do all things differently!!!. After the prime minister of Israel address God told me to switch off the television set. He only wanted me to see and understand better what he had revealed to me almost twelve years back” It is real. They have now realized that it is real and someone somewhere is secretly planning to attack the chosen nation of Israel.

ONLY GOD CAN DEFEND AND PREVENT THIS FROM HAPPENING UNTIL THE TIME

OF HIS OWN!!!

When I woke up on the morning after God had shown me the attack on Israel, I KNELT DOWN AND ASKED THE ALMIGHTY GOD NEVER TO ALLOW THAT TO HAPPEN IN MY PHYSICAL EYES. PLEASE MY HEAVENLY FATHER DON'T ALLOW ME TO SEE.

This my Lord !!! Are there true Christians who are living today on the 21st century, please pray for the chosen nation of the state of Israel every other minute so that the Mighty hand of the true living God, the God of Abraham, Isaac and Jacob, the God of the chosen nation of Israel will protect her and the entire nation.

Pray to the Almighty to guard the boundaries of His chosen nation. He choose the Nation with His own purpose and therefore we should continually keep on praying for His Nation. It is through this chosen nation that Gods will for mankind will be revealed and fulfilled. It is also through this nation that the world received salvation through Jesus Christ. So let all Christians worldwide pray, fast and intercede for the security of the Nation of Israel. Let us continue to pray for peace in the middle east even though God tells me that they cant accept the true peace but let us all pray for the temporally peace. We need calm in the states surrounding the state of Israel. It is very important. The world can't understand what we are talking about now. But lets just pray for calm.

Why did I write to the USA President?

The reason for writing to the U.S president was that he can make it known to the rest of the world leaders of what lay in store for all of us. I copied the letter to the secretary of the UN so that what was to be discussed would be shared with the relevant states. America is referred to as the world super power and that's the reason why I channeled the letter through them. But since nothing took place then we don't have to dwell on that. After all God told me that any revelation concerning the world of science is just a by the way.

So whether I reported or not, it was not very important. God's mind is focused on the revelations that concern the Christian body and His kingdom as a whole. Anything concerning the Christians is taken seriously. There are many things which God has revealed to me concerning the world of science and politics which He assures me He shows them to me as a by the way. It is not a must to reveal them. But if I wish to but not a must. But that which concerns the Christian body must be treated with all the seriousness it deserves.

God is mostly concerned with those people who worship and serve Him. Those are the ones He would refer to as "My people". Lastly God declared to

me that even if the US president convened the meeting, most of them would not understand. And even if they understood, they would not believe in it. And if by any chance some of them would believe in it, the rest would not agree on it. And therefore there would be no agreement at the end of the meeting. They will never believe in one another.

Therefore they will always disagree with one another. There will be no true unity on earth. The world will remain divided up to the end of the end. Only those who believe in the truth will remain truly united and then they will have the true peace while the rest of the world population lives in agony.

It does not matter the current situation and circumstances in which the entire world will be experiencing but our Lord Jesus Christ will provide to them true peace. The surrounding environment will not matter, what matters is are you living in Jesus Christ and is the same Savior and deliverer of our lives living inside you and you in Him. That is the only important thing to note. Where the world is drifting to only the Almighty Heavenly Father knows. My advice to you all is this, that you kindly, honestly and sincerely request God to give to you His wisdom so that you can understand at least a little if not everything.

As at now, we have no time to write to the world leaders. We have only time to pray for the world. We will only pray so that the will of God for the entire world can be fulfilled in accordance with His own plans and purpose for humanity.

We cannot live on this land indefinitely. Everybody is so busy doing His own things and His own skills and knowledge but if it were possible, everybody would change their way of living and search the face of God. The true living God but not the false gods.

Time is now when everybody should turn to the true God for true guidance. Unless we are all guided by Him, the true God, we will not understand what is best for us today very soon, majority of the world population will be regretting why they turned a deaf ear to our Lord Jesus Christ.

They will regret why they refused His salvation for free because He has already paid full price for your life to be delivered from the hell destination to eternal life in heaven with our Lord Jesus Christ; the ONLY SOURCE of true salvation the ONLY EXPRESS TICKET to heaven Jesus Christ the savior of all mankind.

There is no other way to salvation and to heaven except Jesus Christ only. Don't be deceived my dear friends, Jesus Christ declares Himself as the only one, the only bridge between our Heavenly Father and humanity. Besides Jesus Christ, there is no other and in actual fact there is none. Jesus Christ is the only gateway to heaven where our Heaven Father lives and our ONLY FUTURE hope and home for those who have

truly believed and declared to worship and serve the true living God in truth.

Any other teaching and doctrine besides this is false and its destination is hell. You have a free will to decide and believe in whatever else you want to believe in but count yourself as destined to the other promised future home besides heaven which is hell. **The greater is the world portion of population which has tasted from satans spoon, why cant you now turn to Jesus Christ and compare the two kingdoms.**

It is in the kingdom of God where you will find true rest and true peace It is ONLY in Jesus Christ where you can find true comfort. He is the ONLY true comforter of human souls. The ONLY TRUE HOPE for mankind today. Only Him and not anywhere else however much you will strife and struggle. The true results for life will only be found in Jesus Christ only. Turn to Him just now and within a few hours you will be quite a different person and within a very short time you will give the world the testimony about the truth in Jesus Christ because he Himself is the truth and in Him, there has never being lies, will not be and will forever never be any lie in Him . He never changes and never change forever and ever Amen

CHAPTER THREE

THE GLOBAL WORLD CONFLICT

In the following night of the third (3rd) day consecutively, God came to me again in a dream. It was in the same manner in which He had come to me, the previous two nights. As usual I went to sleep some minutes to midnight. I had forgotten everything that had happened the previous two nights.

When I was in my deep sleep, God came to me again in a dream and he showed to me war which was taking place. But the war or battle was not very serious one. I saw the war when I stood at some distance, but it was not so serious then. God drew the curtains. When the curtains were drawn again I was now placed at the centre of battle field. This was now terrible war. Every soldier on the land fought. Missiles were fired from the ground from above by heavy jet bombers. Other missiles were landing from unknown destinations.

At one point, I almost fainted and collapsed but the one who had taken me to the battle field held my hand and I regained courage and strength and I stood firmly again, I became as brave as those who were participating in the war. At one moment I was lifted very high in the sky to watch from there what was

happening. This was now the most terrible war I had ever seen. I have never witnessed such before and I truly and sincerely I pray to God that I will not witness it in reality. It was terribly terrible. The sky had turned into darkish light yellowish colour. The world had changed completely. This kind of war I think the current generation has not witnessed, although there are some people who saw the world war II who are now at their old age. These yellowish rays in the sky had come as a result of the smoke and gases from the weapons used in the deadly terrible battle.

The war continued for a long time. I saw many types of people on the battle field. Everywhere as far as my eyes could see, I only saw soldiers and armory. Almost every nationality in the whole world participated. All kinds of people were confirmed by the colour of their skin. I saw in the battle field. But one thing was very interesting as we walked on the battle field.

With the assistance of the one who took me to battle field, He always directed me to where I should stand. He also gave me the directions of which to face. We were not in a hurry. We walked majestically in the battle field. Surprisingly also, none of the two of us was touched by any of the missiles or even the blasts which took place there.

We were safe all the way through .“what do you understand by this as a true Christian and a follower of Jesus Christ”(think and reason properly) This is a secret for the true Christian Amen. Another thing which I noticed was that He, the One who held me by hand and me never had any word with any one of the soldiers or the people at the war. We only patrolled there until we left the place and left the war still on. This war never ended while we were still there.

Even when I would be lifted too high in the sky to watch the operation from above, the war still continued. The curtains were drawn and the one who walked with me showing me and providing protection and security in the battle field left me. I woke up again towards dawn and I would not sleep again. As a confirmation of what was about to take place, the whole journey in the battle field rolled again in my heart as an assurance that nothing should be forgotten that He had shown me.

WHAT WILL TRIGGER THE GLOBAL WORLD CONFLICT?

The world conflict would be as a result of the two above events which took place two days before. The world conflict brought to a total of 3 days of 3 events which took place three days consecutively. If there will come no other event like this then it must mean that it must also come to pass. These events are

also three and again as I have said before, three (3) is a figure which would mean God's will. It must come to pass. But now when I woke up the following day, I started pondering about the three events now. Something must be done, I thought. And it must be very fast. But how can I report these events to be known to the world. This is a global affair. This by the way, although revealed in Kenya, there is no direct connection to the events except the world conflict which must or may touch Kenya and Africa as a whole. Where we had gone as I was shown the war was a foreign place. I had no idea about the place, never seen such a place before. So as I pondered on these events, it was confirmed to me events of the first two days will come to pass, and then we will have no choice. The third day events must also come to pass. It must take place. Then I remembered that I had been told of the world events to change completely and life become quite different come the year 2000. Could these be the beginning of the terrible days prophesied in the early prophecy? I kept on asking myself. But then God reminded me something else which He had told me way back in 1985 as the year was ending.

He had still told me that life will be quite different from what you see today (1985) when the year two thousand comes. This had been repeated in December 1999. So I knew for sure that we are actually in real danger. But I did not worry much I only needed to make my ways clean and wait upon the Lord. God also reminded me of the 1974 dream where he demonstrated and illustrated very well on the rapture of the Church.

Now, I had to move fast. I suggested in my mind the way to pass this message of the three nights. The first group of people to tell would be the Voice of America. I will tell them to announce that all the American airlines and those other airlines operating in American must be on the look out. They must announce that America and the Americans may be in danger. After these I would then call the Israel Embassy and tell them to watch over the city of Jerusalem carefully. If I do these, I think I will only wait and see what might happen. Strange enough there were no dates given to me for the events. So the events were not dated.

So I started with the Voice of America. When I visited their office in Nairobi at Ghester House, the security were very harsh and rough on me. How can we allow you to see voice of America newsmen to give them such a report. This is impossible. So I asked the security. "do you mean that this is not important, They said we will not allow you in for this kind of information but then I insisted that it concerns the Americans and the security told me that they will take further measures if I continued standing in building.

Before I left, I pleaded with them to give me the telephone numbers and fax plus their E-mail address but they only chased me away. I felt very frustrated. I thought I was doing something good but things turned out to be very bad on my side. But then I gained some courage and decided to try another international broadcaster, the British Broadcasting Corporation. But these ones did me a favour and gave me an appointment to come and discuss the issue which I had with someone who was not in the office by then.

I was told to see him the following day at around 10:00am in the morning. When I went there, I explained carefully the three events but the man also disappointed me when he declared to me that he was sorry because they never report about the future but they report on the past. "We only report about yesterday but not about tomorrow. These two broadcasters were my only hope of passing the news about the future. Our local news broadcasters I knew for sure that they cannot broadcast such news if the international broadcasters were not able to report the same. What must I do then? I was truly disappointed and discouraged. I had only visited Nairobi briefly and so I had to pass the message and return upcountry where I had to spend at least around four months at home according to my own plans.

Immediately after the events of day three, I had been commissioned to send another message to the church of Jesus Christ. So since this needed some funds to organize on how this should be done and by then I had no money, I had to re-organize myself and start a small project back at home which would generate some money and organize on how to pass the message.

This was part of what God had again given to me in 1999. A message which I had printed in form of a letter. Since I had no money for my upkeep in the city of Nairobi and also I had to move very fast; I left Nairobi on 11th August 2001 having not succeeded in my plans to pass the message of the future. "Let me go upcountry and relax." I had thought before I left, I also prayed to God to allow me to go home and start the project and generate some money.

This commission of God needed money and even today as I compile this text, I still need the funds to spread the good news of Jesus Christ with the special message to the Christians and also those who would be saved at this time of the end of the age. Time proved short for me and its still very short even now. It was then on 11th 09/2001, when I opened my pocket radio to listen to the evening news that I heard that

America had been attacked by terrorists.

I had not listened to the news the whole day. In fact I was so busy that day in the field. This was exactly one(1) month after I had left the city of Nairobi to up country immediately after I had tried to report the matter to the broadcasters who had turned me down. I almost collapsed but I leaned on the door post. I wanted to sit down at once but some voice restrained me. “ Stand up right there. Didn’t you know all these things? Then immediately after the voice spoke to me, I was filled with a lot of courage. I grew very strong and brave. I then listened carefully about the details of the whole attack.

I saw again in the spirit the aeroplane coming down to crash on the eastern side of the mountain and knew God had purposed for it. I am saying that God had purposed for it. It had to take place. Although four aeroplanes were used, three out of the four struck on the American buildings or you can if you want count the three sites where the aeroplanes crashed. Either way, God had told me 3 American aeroplanes will be crashing killing three Americans .

The truth of the matter is, at the end of the day, there were three crash sites namely;- The world trade center, the pentagon and Pennsylvania. It was later reported that three (3) thousand people perished in the terrorists attack.

WILL AMERICA AVENGE?

When I heard of what had happened, I consulted seriously with the One who had shown to me the attack, the Almighty Heavenly Father. It was not once but many times, I remained in the consultations in His presence until Americans started bombing the Afghanistans. Then I stopped immediately the discussion, or ev God stopped the discussion, of whether America would revenge or forgive those who had attacked them. This was the beginning of the immeasurable journey by the Americans to crush terrorism from the face of the world. But the questions is, do we have anybody on the entire world who knows how long and costly the journey will take in terms of time, finances and even the milage to be covered. I can assure you and time will prove it, that it may take the rest of the future and at the end of the day achieve no tangible results. “My son, forgiveness is the best revenge for this attack. The damage is already done. They cannot do any recovery or they cant reverse the attack. It is the best revenge for this terror attack. But you must remember and understand that there is nobody on the entire world who can comfort the Americans. There is no one who can sweet talk them to forgive the attackers. They have been provoked and they must retaliare in the best way suitable to them.

There is none who can quench the American thirst for the revenge. They must attack and revenge. Nobody in the whole world can stop the Americans. I know them” God knows Americans and everybody very well in the whole world. He knows every bit of our personal and individual details of our lives. So all the way through, God was giving me this kind of answer on Americans and the revenge on the terrorists attack.

Americans are just beginning to revenge on those whom they are terming as their enemies. What we can see now, is only the beginning and signs of what we are expecting. There will be times of serious and terrible wars. They must be fought and they must continue. The war on terror will continue for a long time but will it end?? And if it must end, who will bring it to an end?

That which was started and enacted in America on the September 11th 2001 will never be forgotten by the current generation and it will always be remembered in the future generation. This marks the beginning of a new, different and difficulty way of living for very living creature on the entire world. Things cannot be the same again and they will never be the same. Whatever systems and styles of living to be applied and brought into existence, things will change forever for the entire world.

Millions of people in the entire world population will still continue living and reasoning blindly until that which was purposed from the early beginning will come to pass. People may think that it was the United States of America who were attacked but it was the whole world . Every part of the world will experience and have a taste of what was prepared in America on the 11th September, 2001.

There is nobody on the entire world who is too far and too safe from the sparks emanating from the blast of the September 11 2001 which took place in the United States of America. In fact there will be a permanent change of course for human life and living forever. This warning many will not understand, neither will they like it but it will be remembered sometime later when it will be too late to think and reason and get better and safe resolution. Just keep your eyes and ears wide open and strictly be on the high alert and watch that which will befall the entire world which only the Almighty Heavenly Father can change but not any human power or force whatsoever!! It is already done and we cannot reverse it. May the Almighty God, our Heavenly Father, have mercy on His own creation Amen.

WHY DID GOD START WITH AMERICA AND NOT THE STATE OF ISRAEL?

When the city of Jerusalem will be attacked, soldiers and even everybody in Israel will go wild. And at the same time, what will follow will drive everybody in the whole world wild. Majority of the people will be brain washed.

There will be no time to reason together like the Americans, the situation will be worse. They will not wait even for a moment. The Israelites will go to war at once. They will track the source of the attack and things will not be the same again. As the Israelites move to revenge and the Americans are still on war as at now, then you will see the events of day three came to pass. "I declared it myself" He also told me, my people (church) are not even prepared. You have not made known to them everything that I have shown to you beginning with the sealed message which I revealed to you way back 1974 to date.

God is the one who sealed this message in my heart from the year 1974 to date but now He has broken the seal and I am trying all the much I can to make all the events which He has made known to me to be known to the entire world population. After several considerations, I have come to realize that every thing which God has shown to me touches the whole world. It will affect the whole world some how. It will affect the whole world when it will come to pass. Everybody will be made to know that it has come to pass.

CHAPTER 4

GOD'S COMMAND TO UNITE THE BODY OF JESUS CHRIST

After God had showed to me about the world conflict on the 3rd day, He spoke to me in the morning on the sixth day of the eighth month of the year two thousand and one. When I woke up at 6:00 in the morning, God commanded me to sing. This was the first time in my life history when I heard God commanding me to sing.

I have even in the past never composed a chorus of even one sentence although I love music very much. In fact I love very much to listen to Christian music and my Heavenly Father knows this very well. Or when we are in the praise and worship my joy would be on the highest point.

Its true that I love Gospel music.

So when God commanded me to sing, I tried to remember the best song for me to sing for my Lord that morning after we had toured the battle fields together. But what's happening I asked myself. So as I was rolling all the titles of the songs and choruses that I knew before, God spoke again and told me that He had commanded me to sing and praise Him. I then told Him that I was selecting the best song to praise Him with.

It was at this point when God commanded me to open my mouth and start singing. I have the song for you. So I opened my mouth and started to make some noise. In a short moment after obeying God immediately, God gave to me a song. He even put in my heart the words of the composition of the song. That day I did something to My God that I had never done before and like wise God did to me something in my life which He had never done before So after sometime, I had the song written in one of my books. So that morning God sent me to the Church of Christ. "You must move fast and unite the body of Jesus Christ." The wording of the song will be written on another chapter.

(see song of the 21st century)

"The bride must be ready for the wedding supper. Anytime I will come for her and wed her. Do not ask about the date.

Make sure that all the walls and the boundaries which are existing today between all the believers are broken down. Time has come for the bride to be drawn to where I Am and they must practice to live in true love when they are already in the world I Am coming soon for a clean church. Let those who are dirty wash their garments clean and purify themselves No evil will ever come closer to me declared Jesus Christ.

"Many will I be left because they have no true love for me. If you cannot afford to love your fellow human being, how can you boast that you have any love for your Almighty God. It is impossible. Those who love Me will obey My commandments.

So My son, unite them and let the words of repentance of sin, faithfulness and righteousness never be forgotten Yes, the purity of the heart.

They must wash clean. Remember I have already sent you to teach, advice and revise with them about everything which I have already taught them through My servants. So unite them and let them live in peace among themselves and they must truly practice true love. Without True love, then you will not be valid to be called by my name. I know you, I know all of you and everybody is known

to me.

I Am your God and there is nobody whatsoever who can lie to me or even pretend to me and that he is my son while he is not. I am the Supernatural and Sovereign being who is your God.

I cannot be deceived neither can anybody or anything deceive in My presence. The evil one, the prince of darkness has always faked Me and My powers and authority but He comes out as a failure at the end of the day. There is no one who can make it. Never will there be !!!

You will find resistance even from within the body but remember who has sent you. You know very well what we have done together and the far we have gone. Remember also my teachings that whatever they did to me and so will they do to you but then let these words never leave your heart. I will be with you always even up to the end of the age Amen.”

Mathew 28 :19-20

Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world. Amen

“Son, you must move fast because there is no time. Do not worry about anything or anybody,. Do not even let what I have shown to you about the whole world worry and bother you or even take much of your time. You must know whom I have sent to you. The church and whoever will be ready to surrender his life to Jesus Christ for salvation and total redemption and deliverance Son in anywhere where you will go, do not fear anything. Son, you know everything, You know even where we started and where we are today. Keep all things which I have told and taught you in your heart. Let them never forget. These were said to me in the morning of 6th /8/2001 in the morning as I sang the Lords song after showing to me in three days/nights about the terror that lied a head of us in His store for us.”

Please sing with Jesus Christ to the end and kindly repeat for at least 7 times .But then you must remember that it does not involve singing alone but you must understand that every word of the song must be truly put into practice. You must live the lifestyle of Jesus Christ and so of the words of the Lord command of the song. May He, God bless you as you wrestle the works and desires of the prince of darkness May the Almighty God guide you to rise to the highest levels in the Spiritual realm and come out victoriously . Amen

CHAPTER 5

THE HARMFUL AND DANGEROUS WEAPONS TO BE USED DURING THE GLOBAL WORLD CONFLICT.

After America was attacked on 11th September 2001 it took around one and a half months and God came to me again in a dream. This time, He took me to a river. I very well know. Before we arrived at the river banks, there was a very heavy down pour of rainfall. So when we arrived at the river, it was already swollen and the river banks were overflowing. No one could cross the river . It was fully flooded. So God took me to a point where we could see a long distance stretch of the river again on the up-stream and down –stream. So God told me to look closely on the river banks and told me to tell Him anything strange I saw at the both sides of the river banks. This River is in the Eastern province of Kenya. This is the only event which was shown to me in a scene where I knew before and where I had stepped in my real life. I knew and even now I know the place very well. Now on both sides of the river banks, there was formed a greenish , bluish vapour.

It was formed from the lowest part of the river as far as my eyes could see on the down stream to the upper part of the river and as far as I could see also upper stream. So I asked, and what is this greenish and bluish favour. And He answered me , it is the collection of the remnant of the gases of the weapons which were used during the global world conflicts that has just taken place. The weapons were dangerous and very harmful to human life and life in general. The environment is now polluted and damaged. The water , rivers, lakes, seas and oceans are now contaminated. There may be no life in the waters because of man's own destruction.

So this is a true and real confirmation of the kind of weapon which man has made for himself which he will use to inhale and kill himself with. It has been used during the world conflict. So God spoke likely to suggest that the war had already been fought and the greenish and bluish colours of gases and vapour were the confirmation of the dangerous weapons which had been used during the war. Today we are in the year 2014 and the war has not come to pass but we are waiting for it and signs and symptoms are seen. In fact they are in the open and any moment from today the war may be fought .I am saying may be fought because Our Heavenly Father who is the sole controller of everything can still decide to avert the war and of course because of His own divine purpose. We are only supposed to pray and pray always.

CHAPTER 6

WAR ON WORLD TERROR WILL NEVER END !!!

Almost a week after God took me to the river, He came to me again in a dream He took me to a strange or foreign land. I had never seen this place before. This place looked deserted. When we arrived there, God allowed me to stand alone and told me to look upwards in the sky. I saw two helicopters chasing each other. One was below and the other was above. The one which was below was pure white and the one which was above was white but it had some blue stripes. God told me that the one which was white was used by some world prime terrorists who were escaping from those who chased them who wanted to kill and finish them.

But since the helicopters were flying not very high above me, the escaping terrorists helicopter, just as God had described it, flew and almost rested above me and God told me that as long as I was below the terrorists the attackers could not bomb them because they may miss the terrorists helicopter and kill me with their bomb instead of the terrorists but then God told me to run and stay away from the terrorists helicopter. Whenever I ran on the other side, the terrorist would also fly to seek refuge above me. The terrorists were very sure that as long as they were above me their attackers could not attack.

They knew somehow that as long as I was below them, those chasing them, had a command not to shoot or fire any missile as long as there were any innocent people where the terrorist were hiding and escaping through. They were only supposed to wait until the terrorists were spotted on an isolated place, where there was no anybody else except the terrorists alone.

So I kept on running fearing that the attackers on the terrorists may fire a missiles and have me struck. I also feared that the terrorists can also fire their missiles towards me and have me struck. So this was another day of terror. So I kept on running through out the night and at times I could hide below a fig tree which was in the surrounding. But when they flew above the tree, I would still run again away to a nearby building.

So it was at one moment when I had hidden behind a tree when I heard missiles firing above me and God told me that the terrorists' helicopter had been struck by the attackers and destroyed completely but safely. They hit on the helicopter and there was no single missile which injured the innocent civilians. The attackers were professionals and very smart experts. They never missed even by an inch. The terrorists were also very careful and had mercies and love for the innocent civilians because apart from taking shelter above me (us)

they never fired any missile. Or if not so they had no weapons. As long as the attackers knew they can injure the innocent, then they would wait until the terrorists were on their own ground and then they would attack.

But what kind of men were these attackers? In actual fact they must have been people who very well knew God and feared God. They respected the innocent lives and they made sure that they would give the people of terror time as long as they had taken refuge within the innocent civilian and wait until time came when if they attacked there would be no reports of casualties of innocent lives. God declared to me that this is the only way forward. Human life must be respected. Human lives can not just be taken away anyhow. So whoever is in any forces must take God's word seriously. Human life must be respected.

“The war is long; the war is not ending the way mankind thinks. They must ask for Gods wisdom as they plan to go to the war. The wisdom of God must be allowed to rule the world but not human knowledge and reasoning. True love must be practiced in the Church so that the world can borrow from the Church. There is no peace that can be achieved without true love, honesty and Gods wisdom. If only they can learn how to ask for such from Me their God.

It is all available and much more. Then after the escaping terrorists were captured, God spoke to me loudly and commanded me to look upwards to the clouds. I obeyed at once and looked upwards to the clouds. Then He asked me, “What can you see in the sky? And I answered telling Him that I could see a large aeroplane. A being which was moving towards north east direction. Then God told me, This is another aeroplane which has been hijacked by another terrorist group.

It was heading to the North – East from Tanzania but now it is has been redirected and taken to the country of Somalia in Africa. Then He continued, those who are fighting terrorism have already captured those they knew as prime terrorist of the world according to the dream on 20/10 2001. But I am assuring you that terrorism will never end. They thought that by capturing those ones they will relax but that was just the beginning of another long journey. Terrorism is evil. That which is evil is a sinful act. There is only one who tries and tempts mankind to do evil and sin against God.

That is Satan, Lucifer, the prince of darkness. If evil and sin MUST END, then the world must know how to tame and lay and trap satan and capture him. If you will be able to capture satan, then you will have cleared terror, all kind of evil

and every sinful act of the enemy. This is why I have declared to you that terror will never be cleared from the face of the entire world. I have shown you all these so that you can also tell the population of the entire world to deduce another method of fighting terror which is one of the uncountable evils been practiced today in the today's world.

Then God reminded me of some message. He gave to me on the month of Dec. 1999, and told me to remember very well what He had told me the 21st century beginning with the year 2000. "Life will be quite different from the past come the year 2000 and onwards. Evil must increase and multiply .

The prince of darkness will inflict pain and increase human problems sufferings and difficulties to ensure that everybody starting with the smallest to the biggest, youngest to the oldest, poorest to the richest and most wealthy were ALL AFFECTED. Satan will shake every soul and life of every humanity or mankind everybody so far has heard of what has just befallen our beloved Americans. This was but just the sparking or triggering point.

The whole world will be shaken. Thank God that He has delayed the events of day one and have not come to pass. This is why the journey can be seen as moving slowly. If the city of Jerusalem was bombed and destroyed as it was revealed, everybody would have gone wild. The fake world peace would just disappear completely.

Terror or evil are brought to pass by evil spirit. So if we will agree that evil spirit is the one which leads mankind into evil acts, then before we put our armies into work, we must put someone else into operation. Someone who could combat the evil spirit and the source of the evil spirit. And this is the Holy Spirit. The Holy spirit is God . We must live to please the Almighty God first before we think of anything else.

We must search the face and wisdom of God first before anything else. Please mark this:” **If we must achieve any victory in the war on terror and many other evil acts which are being practiced in the world today, then we must ask the Almighty Heavenly Father to guide us all the way through, because He is the only way forward.** We may think that the scientific sophisticated dangerous weapons which the world of science has developed are enough and the right weapons to face the problems but we are cheating our own selves . We seriously need the wisdom of the Almighty God to lead the world in ANY FURTHER STEP the world will take today.

The world needs a more sophisticated supernatural weapon to face any kind of evil in the world if the best fruits in the war on such kinds of evils must be

achieved. America is leading and seeking alliance from almost every community in the world if possible to team up with them and face the world of terrorism on the entire world. But I would advice America to mobilize the Americans first and ensure that true love and honesty flourished in the American continent soils. Americans must consult with our spiritual and servants of God in America and may be from any other part of the world. America must learn how to worship the True God and how they can allow the Wisdom of God to lead America.

Time has come and the time is now when America and the whole world in general must allow the Almighty God to rule but not the knowledge of man. Before we rely on our Leaders to tell and inform us when the enemy has decided to fire missiles and attack, we must first and foremost give Our God the chance to do it. We can not rely on our leaders, machinery and our intelligent agencies alone. Jesus Christ is key . He is the only one.

I do not mean we forget our scientific machinery which God has allowed us to build and develop but God must today be given the first priority. We must learn to rely on our God first before we even release and dispatch our armies and commandoes, jet fighters and warships to go into the battle fields. They must know that there is one who is more powerful than the armies they are to use in the battle fields, wherever on the world.

Even those who are on foreign countries missions must be assigned spiritual men to make the entire Army of America to know that there is another Supernatural SUPER POWER WHO can still protect America. That which has been made by man can be defective, but our Heavenly Almighty God never fails and will forever ever never fail !!! He says that He never have time to close His eyes and Ears. He has declared that He watches over us always. Always means ALL the time everyday every hour, every minute and every second of every day of our life. Let us all rely on Him. America is a Christian Nation and so they must seek to know and worship truly, the Almighty God and seek His guidance. Amen

Again I would say that this is the first step to fighting. So before we get hold of the army, let us begin with consulting our Heavenly Father. This does not apply to America alone but to every leadership of every Government in the world. Today I have only emphasized on America because they have just had a taste of what Satan has prepared for mankind today.

The world is searching for peace but the kind of peace which the world is asking for can not be achieved today. As I have said before, we will spend a good portion of the world wealth looking for this kind of peace but it will never be achieved. Although the revelation of the capturing of the prime terrorists

was revealed in a dream on 2001, the most wanted masterminds of most of the terror attacks in the united states and many other parts of the world was captured and killed and at the time of the capture, no civilian casualties were reported . They were in an isolated place exactly as God had revealed in the dream. But although the Americans have killed some of the leaders of some of terror movements on the world, terrorist attacks are still being carried in most parts of the world on daily basis. The war on the terror must continue for along time. Everybody can see for themselves exactly as God had revealed to me on the year 2001.

WE MUST LEARN TO LIVE GOD'S WAY

Even Jesus Christ Himself declared before He left the world to join His Father in heaven that “ peace I leave with you; my peace I give to you..... I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid.

John 14:27

V27. Peace I leave with you. My peace I give to you, I do not give you as the world gives. Your heart must not be troubled or fearful.

So even before Jesus Christ left the world, to go to heaven, he very well knew that we would want to live in peace on this world. But everyone must note the kind of people Jesus Christ declared to leave and give his peace to.

So if there is anyone who would want to live in true peace, then he/she must seek to be a true disciples of Jesus Christ first and he/she will enjoy His peace.

Jesus peace cannot be achieved neither can it be enjoyed by ANYbody but only those who worship Him in Truth. So what the world is looking for is the faked peace but not True peace. God send me to bring the news to the whole world but those who do not know Jesus will never enjoy. His Peace can only be found in the heart and life of a true Christian believer but not in even any of the church goers not to mention about the people of the world who do not know Jesus Christ. All Christians must know that Jesus Christ is peace by Himself.

When you have Him, then whatever the day brings forth in any part of the world, the True Christian believer will always be at Peace.

The world would be worried of whatever might happen but the true disciples of Jesus Christ are always ready and prepared for whatever the future holds in store for us. Jesus Christ declared that we should not let our hearts to be troubled. Almost everybody today on the entire world is mourning for who knows exactly what tomorrow might bring forth.

But we must be both hearers and doers of the word of God. Yes He went a head and said that we should not even be worried. Why then should you

actually be afraid and worried of anything. Turn to Jesus Christ ,be born to Him as His child and rest in His permanent and loving merciful peace. Surely, He is the only One who can provide and give you and your life in general in this world a permanent true peace. If you want to prove these words wrong or right, just turn to Him truly now and you will also send forth to the entire nation on the world the same gospel; That Jesus Christ is the ONLY source of true peace why struggle and waste all your time & finances struggling to achieve the false and temporary peace which will never last and carried with itself all the conditions some of which cannot be achieved.

God declared to me “ son, let my Church know and also the world as a whole although when my church will be rejoicing on everything that comes forth , the world will be worried, afraid and mourning through out. Tell my Christians not to join the world in worries and mourning but must rejoice in everything. Whatever happens , let them rejoice in everything. They have no reason to worry. They must cheer up and give praises as they continue to worship Me (God). There must be a definite difference between the True Christian and the world. The world does not know about the true Peace but My children know about the true peace. These are just to prepare and make them all to be on the alert so that they may know that these are just the temptations of the enemy. I have told you that everybody who lives today must be shaken at whatever level. It does not matter who and whatever the class and age.

But you must remember that Jesus also prayed to the Father for His disciples saying “My prayer is not that you take them out of the world but that you protect them from the evil one” He also continued saying “ Sanctify them by the Truth; your word is truth “

John 17:15-17

Verse 15: My prayer is not that you take them out of the world but that you protect them from the evil one.

Verse 16

They are not of the world even as I am not of it

Verse 17

Sanctify them by the truth; your word is the truth

John 16:13

Verse 13

But when He, the Spirit of Truth, comes He will guide you into all truth. He will not speak on His own. He will speak only what He hears, and He will tell you what is yet to come.

So before we get into wasting all our time and wealth in search of permanent peace we must ask our Heavenly Father to give to us His wisdom so that we

may know Him well and also know how to worship Him in truth so that we can enjoy His peace and protection at whatever circumstances. We must also know how to ask from the Heavenly Father the guidance of the Holy Spirit who will always lead us into ALL TRUTH:

John 16:13

It must be noted by everyone who lives today in the 21st century that “it is very true that it is high time we relied on God’s wisdom and knowledge but not our own thoughts , schemes and ways of life. It is the high time we allowed God to speak to us through the Holy Spirit. The Holy Spirit will take from God what He speaks and also what lies in store for us in the future. Do you have the Holy Spirit to help you and reveal to you all these? If the answer is no look for Him now and allow Him to dwell in you permanently Amen.

As I had said, Jesus is peace and the only one who can give true peace. The entire world must truly accept and hope in Him so that we can succeed in searching for a peaceful atmosphere where we can enjoy living in. You must understand that Jesus Christ declared Himself as the way and the truth and the life no one comes to the Father except through Me.

John 14:6 V 6

Jesus told him, I am the way, the truth and the life. No one comes to the Father except through Me.

It must be noted clearly that unless we follow the true way in our journey in the search of peace , which is Jesus Christ, we may not achieve peace. Therefore Jesus Christ, must be the direction and the only way to follow. He continued to say that He is the truth . It must be understood that unless God guides the entire world, then there will never be truth amongst ourselves. Remember that unless there is truth, we cannot achieve peace. He then finally declared Himself as the life. How can we continue to claim to want to live on the world at peace when we have refused the life of Jesus Christ. Jesus Christ, then there can not be life. Also in (John 8:12) He declared Himself as the light of the world saying but shall have the light of the world, he that follows me shall not walk in darkness, but shall have the light of life.

It must then be understood clearly that unless we follow the true light (Jesus Christ) so that we can be able to see clearly, we will actually walk in darkness always and like blind men. We will sit all day long discussing and searching for world peace but we will never reach anywhere because we have already missed the way. We are looking for peace where it cannot be found. True peace can only be found in Jesus Christ.

When the light will shine in our hearts and lives then we will be able to see

the true and the right way which to follow so that we can find the true peace whereby we will be able to live peacefully because we already have the source of the true life in our lives.

The moment the light will shine on us, So shall we see the true way which to follow. So this is to say that it must all start by searching God so that we can receive His own wisdom and knowledge which will guide the entire world into searching for the true way in which we can live in this world in true love, unity , peace and harmony.

Choosing Jesus Christ will lead us to knowing the way forward, for choosing Jesus Christ will lead us to knowing the way forward for the rest of our future days but refusing Him is like taking a glass of very strong and active poison and committing suicide to die instantly. Choose Jesus Christ for life now and very powerful weapon which will strike the leadership of the kingdom of darkness down. God then lifted me in the Spirit and showed to me the entire world in such kind of prayer and I Spiritually saw Spiritual fire sweeping across the whole world. Now, I have been longing for the day (date) when the whole world will worship God in Truth in reality or practically. This is quite different from any other moment of prayer by the Christians.

Most of us will say, that they have gone and they can not retreat but time will tell. We must honestly invite and allow God to lead the world as at the beginning of the year 2000; He declared to me that the world will refuse to listen and understand but they will be drawn into surprise when it will too late. But my prayer is that the world may not wait until its too late. When the time too late comes the world will be moving at the highest and supersonic speed such that if any one tried to accelerate the brakes, everyone or everything will go rolling. Think about that, We must all take a second thought before that hour or minute named “ too late” overtakes the entire world. Yes we must try even though it may seem impossible to reason together and come to a common understanding. These are not the times when we enjoyed peace peacefully. Things have changed while we were all asleep. Look and watch, it may be too late to retreat.

THE CHURCH TO WORSHIP (PRAY) GOD SIMULTANEOUSLY WORLDWIDE

God had before in 1999 told me that He will be pleased to see and hear the entire church of Christ worship Him (God) in prayer simultaneous. He declared to me that this is vital

May be its very true you have allocated yourself a time schedule of meeting with God in prayer, but this now is a special moment which God has set with a divine purpose and for a divine purpose.

Millions and millions of True believers will discover and realize the fruits, benefits and final results of this divine hour of prayer. This prayer is supposed to be a personal and devotional prayer where by you as a Christian will not be supposed to pray on anything else at this particular hour but your own soul and life. You must ask the Father through the Holy spirit to reveal to you to know and understand any evil, wickedness and whatever kind of sinful act so that you can repent immediately.

This is a true personal meeting with your personal God on daily basis. Allow God to slowly search your heart thoroughly and make you know what can hinder you from joining hands with the Messiah on your way to the wedding-supper. It is in this meeting that God will reveal to the church some wonderful hidden secrets that will even encourage those who are participating truly to press on until they hear the sounds of the trumpets as Jesus Christ comes in His glory to take the church. It is also through this prayer that God will tame every true believer to practice true love and honesty among all the brethren regardless of ANY DENOMINATIONS OF THE CHURCH.

He declared to me, you must learn to live in oneness while you are still on the world because there will be no divisions when I come. You are one body but the enemy has brought divisions amongst you. He also declared “ I am not happy when you are divided. I am not divided and so why should you accept to be tempted to the point of sinning and be divided? All the boundaries must be knocked down, the Church must live as one body.

John 17:20-24

Vs 20. I pray not only for these, but also for those who believe in Me through this message.

V21. May all be one, as You Father are in Me and I am in You.

May they also be one in Us so the world may believe you sent Me.

V22. I have given them the glory you have given Me, may they be one as We are one.

V23.

I am in them and you are in Me. May they be made completely one, so the world may know you have sent Me and have loved them as you have loved Me.

V24.

Father I desire those you have given Me to be with Me where I am. Then they will see my glory, which you have given Me because you loved Me before world's foundation.

when the Church of Christ will come into true and complete unity , then the

whole world will definitely know that we are worshiping a true God.

The devil has brought a lot of confusion in the Church leading some Christians to complete and total hatred with their fellow Christian believers. Please remember that you are not supposed to touch any other agendas during this prayer time. You must find time to pray for all the other agendas and needs but this **MUST** be treated as a special moment to meeting God at your personal and individual level. You must know that you are supposed to pray quietly not to disturb your spouse for those ones who are in marriage and either have a husband or a wife, your partner, or even your own children. This is completely for your personal and individual benefit . The way He will come for an individual soul is the way you must pray as an individual and discuss with Jesus Christ about your life and personal relationship with Him.

You must as a born again and a true believer live and rise up to the standard which God expects from a true believer and a child born of Him. There will be no group prayer moment because God will treat and speak to each soul/life individually. This is really wonderful. I can see some of the fruits but let me not list them but instead leave you to discover on your own and reap the benefits for yourselves as you join in the prayer hour.

The moment you will learn about this prayer hour, you must start immediately depending on the hour in every country which has been specified for each. The whole church of Jesus Christ will be going on their knees at once in the whole world. This is the prayer that will force satan and his agents to scream as they flee escaping because of the supernatural fire that will send satan and his agents staggering because of fire burning around them. Yes, believe it now, you will see Satan and his agents running and fleeing in broad daylight. Amen

Make sure that you are not left out. This sentence you must not forget daily when you go on your knees to pray. **“ Fill me Lord Jesus with your Spirit of your wisdom of understanding and discerning so that I may Know how to worship and pray to you even better” Amen.**

Please note that you don't have to ask for days, weeks, months or even years to worship God but “ Only one more day “ Do not ask why but you will know as you pray. Jesus Christ will personally teach and reveal to you the reason why He has allowed me to say this to you. Just make sure that you have searched for Him until you see Him on the face through the Holy Spirit.

Time Has come for God to reveal Himself to His children, the only one body of Christ. **Every country must mark and master exactly very well on their prayer timing starting with Kenyans (12:00 am daily)** Ensure that as you go into the prayer grounds, you are blameless and spotless in the eyes of God. All

sins and evils must be repented thoroughly to enable the Holy Spirit to manifest and bring to you the discussions of the Father and Son in heaven. Glory be to God Amen.

John 16 :13

let it be made known to every Christian and to every true believer of our Lord Jesus Christ that whoever will participate in this prayer fully and devotedly will never be the same again.

Mathew 22;37- 39

V 37 – Jesus replied “ love your God with all your heart and with all your soul and with all your mind.

V38: This is the first and greatest commandment

V39: And the second is like it : “ Love your neighbour as your self.

This is not just a statement which you might have heard before but I have tapped them right from Jesus Christ lips Never will you be the same again amen. I encourage every Christian who will know about this prayer to continue praying tirelessly up to the end of the end of the times. Amen. My prayer is that God May interpret to you even the more about the impact of this prayer hour. You cannot afford to miss this as long as you are counted one of the Christian body of Jesus Christ regardless of your place of living or existence in whatever part of the world.

You must participate in this prayer. This is a must for every true believer of our Lord Jesus Christ.

Please attach the prayer schedule (Time is 12:00 am Kenyan time for everybody in the entire world)

SWALLOW JESUS CHRIST WHOLLY!

As I was compiling this message another word came to me in the Spirit. Jesus Christ was speaking to me like He was addressing someone who was ill or prescribing medicine to sick people and He said “ Many people do not take the full dosage of my teachings. Some only swallow my word halfway and forget about the other half, others swallow only a quarter of the prescription, others a three quarter of the dosage, while others only take me in their hands and after a careful scrutiny declare that they think the dosage may be too bitter or may not be good for their health and place the dosage on the shelves. While others place the dosage in themselves, taste and lick to test then throw the dosage away in the dust bin. This is very dangerous. Then He declared, Whoever loves Me must take and swallow the full dosage and reap all the benefits of the medicine for life and he/she will be completely healthy. In all aspects of their

lives. Taking the dosage partially cannot bring any change in ones life!!!!.This class of Christians are the one who keeps saying that I have been worshipping or serving God in this way or the other yet they have achieved nothing touchable which they can hold on and claim childhood or birthright to the Heavenly Father. You must surrender yourself wholly in order to achieve the best results and rewards of your salvation. You must surrender all your heart, mind and soul to the Almighty God.

John 16:13

Verse 13

But when He, The spirits of truth, comes He will guide you into all truth. He will not speak on his own; He will speak only what He hears, and He will tell you what is yet to come. Use you for His own work

Mathew 22:37-39 .

37 . Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.

This is the first and great commandment

Verse 39 : And the second is like unto it, Thou shalt love thy neighbor as thyself.

You must let your whole life to be controlled by God including every single part of your physical body. You must accept the Lord

2 Corinthians 3:16

Verse 16: Nevertheless when it shall turn to the Lord, the vail shall be taken away.

2nd Corinthians 6: 16-18

V 16: And what agreement hath the temple of God with idols? For ye are the temple of the living God ; as God hath said, I will dwell in them , and walk in them; and I will be their God, and they shall be my people.

Verse 17: Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,

Verse 18. And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty. Word and the Lords command fully. Remember also that your body is not your own. Your body is the temple of the Lord.

You must accept and allow the word of your God to dwell in you always. You must allow the Spirit of God to live in you and allow Jesus Christ to dwell in your heart.

The Almighty God lives in you and His Spirit dwells in you. Therefore we must categorically refuse satan and his wickedness and escape all his traps through the guidance of the Holy Spirit who dwells in you But if the Spirit of God is not

in us, then we cannot have victory against the schemes of Satan. Remember also that the Spirit of the Lord cannot live in a dirty and sinful heart or body that is against God.

Preaching the revealed message to the church

I had gone to sleep as usual in the night. Then during my sleep I was then taken by God Almighty into a wilderness I was delivering a message from God which He (God) had given to me. As I was preaching something that I had not experienced in my life before happened. I could see people listening so attentively and people welcomed the word of God and repented of their sins, they could come and get the printed message in form of book from my hands. The strangest bit of this part of the revelation was that whenever each took a copy of the text book from my hands, each person would fly vertically and heaven would open for him to enter instantly. This was a true confirmation that this group of people Truly accepted Jesus Christ, repented of the sins, all evils and wickedness truly and God instantly forgave them and welcomed them to Himself and took them to where the evil one, the Satan cannot reach them. Before this revelation dream, God had declared and confirmed to me truly that those who will truly take His word will never taste the sinful nature of Satan anymore.

This the loving Heavenly Father had assured me that He will strengthen those who will honestly, faithfully and truly accept Him, His teachings His correction and His rebukes. One thing here must be understood very well that I have emphasized on the word TRULY” Because as God was preparing me for this commission to send His word round the globe or to all parts of world, He made it very clear to me that most of those who are claiming to have known Him are lying.

Many are calling on His name but they are belonging to the other Kingdom of the prince of darkness. In fact God has up to this end shown to me three categories of Christians from the whole group of those who are associating themselves with Jesus Christ and Christianity.

PART 2

THREE CATEGORIES OF CHRISTIANS

Mark 7:6-7

V6. He answered them, Isaiah prophesied correctly about you hypocrites as it is written: these people honour me with their lips, but their heart is far from Me.

V7.They worship Me in vain, teaching doctrines the commands of men.

Category No 1

These are sinners who have come to hide their evils and wickedness in the brackets or shadow of Christianity. They will wake up in the morning on Sundays, prepare and go to church pretending to be Christians. These people are hundred percent sure that they do not know Christ but they are just there so that during the next six days of the week they will continue to do all kinds of evils. They are in fact serving Satan in the churches. Many times we will find that group of people claiming to be Christians doing evils in the church. In other words they only want a cover so that you will not have many questions about them.

Most of them are even devil's agents who have been sent from the kingdom of Satan to confuse and destroy the true Christians. Also when such kind of people perform evils and wickedness in the church buildings or in the company of the congregations, it is the name of Jesus Christ which is being abused. They will even run very fast and release the news to the no-Christians or the people of the world and wage war against the true Worshipers.

All these is done so that they will demoralize the faith of many especially the new converts and those who are not firm in their faith, and Satan will have earned himself a score and he will vow to fight even further. One more thing which God has miraculously revealed to me they are even part of this group who own high ranks in the kingdom of Satan. They will even bring some demonic spirits with themselves and secretly put them within the church buildings and many Christians who are not true Christians will be sacrificed to Satan so that these people will still grow stronger in their ways and gain higher ranks in the kingdom of Lucifer.

The same way, they also sacrifice the "Christians" so that the devil (Satan) will give them large amounts of wealth, property and money. These monies are then used to lure some of the Bishops, Pastors, Priests and some of Christians depending on which mission each were sent to that particular church for. This actually calls for every believer to be strictly on the high alert so that they can detect, bide and rebuke such demonic manipulations and attacks instantly before the damage is done. The guidance of the Holy Spirit is hereby required as

a must. Most of you will ask and how do these people survive in these churches and yet it is well known that such powers cannot survive in any particular place, where the name of Jesus Christ is being mentioned and the Holy Spirit is manifesting??.

But I would assure you that the same question took a lot of my many months and even years before God made it clear to me that “ These people confuse the worship, before the Christians have started and even in the process of worshipping. Unless the Christians know how to bide this kind of demonic spirits, and unless they know how to cry to Jesus and seek Him Truly to be given the gift of discerning Spirit, then most Christians will just find themselves unable to move even an inch towards God.

Many Christians do not understand all these or they have just become too ignorant but I would only pray to my Heavenly Father so that He may speak to them in the Spirit so that we can fight a victorious fight but not a losing battle. As long as people are able to wake up and join in a congregation on a certain Sunday , to many they have already served and worshipped God. Majority I am sorry to say have forgotten that we are in a real battle with the powers of darkness. This calls for every Christian to be fully equipped and be ready to fight the good battle.

Category No.2

Mark 7: 6,7

V6. He answered them, `` Isaiah prophesied correctly about you hypocrites as it is written: these people honour me with their lips, but their heart is far from Me.

V7.They worship Me in vain, teaching doctrines the commands of men.

These are Christians who once were Christians but they are dead in the Spirit. In fact God does not use of them. They actually do not even know that they are dead. They are alive in the flesh but they have given their bodies and all efforts to serve Satan. These are the luke warm Christians. One strange bit with these Christians is that they would not even want to be told to repent and renew their covenant with the Lord , their creator.

Even if the preachers will preach whatever kind of message, they will not understand anything. Why? Because they are dead in the Spirit. They have been disconnected from God. These kinds of Christians will participate well in church activities yet they will just be wasting their resources because they have no account. The account is closed. God cannot listen to them even if they prayed, they will never hear from God because there is no tapping machinery in their hearts and their life in general.

Yes it does not matter what one believes in; or what your preachers are soothing you and sweet talking you with but let me make it very clear to you that you are just wasting your time and resources. It does not matter your position or post in your church. Whether a bishop, pastor whoever you must repent or if you want to serve God Truly.... When you will know the truth, the Truth will set you free and free in deed.... Jesus is the Truth, when you will know Jesus Truly and well, He will set you free from all these chains of the evil one and you will NEVER serve satan or listen to him or even ever assist him in crushing the church of Jesus Christ. Going to church this days is not just enough. The evil one know that there is very little time which is remaining He has intensified his battle. If in actual fact the Christians will not make themselves clean and intensively consult and ask our Heavenly Father for protection, then many will not even understand how they will find themselves belonging to the other kingdom of darkness. What I want to put through here is that majority have forgotten that after being born again, there was much you were supposed to do. The tough battle begins after receiving Jesus Christ in your heart/ life.

You do not just relax and assume that as long a you have invited Jesus Christ into your life, then He will obviously take control over our everything. In fact we must understand that by becoming a Christian , one just becomes an enemy of the world in general and also of satan. Immediately satan and his agents start at once to scheme on how to win you back to the kingdom of darkness. This is why I would encourage every believer to serious praying always daily and to ensure that everyone's life of those who claim salvation is blameless and spotless.

But then it must be very well understood that those who are fully covered by the blood of Jesus Christ and those who are hundred percent sure in their in heart of their relationship with Jesus Christ are untouchable by satan himself his agents and the demonic powers from the kingdom of darkness. The power and authority of Jesus Christ is the most superior and above all powers of darkness including satan himself. This is why each believer must ensure that he is always under the cover and protection of Jesus Christ by being a true doer of His word.

As I grew up in the Training of The Almighty Heavenly Father, He many a times whispered to me these words " Even some of those who minister to the church on daily basis can even destroy the congregation completely" So He commanded me to tell the church that each Christian must stand on His own as a Christian. You must be able to face God and listen, pray and worship God as an individual. Many Christians will be lost in the group assumption; we are all

going to heaven. We praise well as congregation, worship, pray and speak in strange tonguesbut God only looks and searches the heart of every individual Christian Yes, you may boast that we are going to heaven but wait ? The examination of those who are heaven compliant or those who the Spirit of God approves as serving Him well will be tested soon.

I was there and I was very keen when the Lord sent me to tell the Bride to prepare herself for the wedding supper. This is actually what I am doing now. Any moment it will come to pass. I am only praying to my Heavenly Father that He may release His word of wisdom to those He has chosen so that they can prepare themselves fully. I also witnessed and watched carefully as the Lord Jesus Christ demonstrated to me how He will come, settle on the cloud and say ‘ come , and join Me in the wedding supper; you who truly made it through all the difficulties”. I would not want you to be ashamed, watch out my friends. I love you so much to loose you!!!” I would advice you to read part three of this book and make sure that you understand every thing well.

These kind of Christians have known how to serve two masters which Jesus Christ refuses categorically. You cannot serve the two. It is impossible. You can not and will never because you will love one and hate the other. Yes, this is in practice and it is in place today and now.

Mathew 6:24:

No man can serve two masters: for either he will hate the one, and love the other ;or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

Jesus declared to me “there is no man who can double deal Jesus. Its very true. Even in our today’s life, there is no man who would wish and stand to see His beautiful wedded wife or the life comforter move with another man. No it cannot happen and it will never happen Now, if we human beings can not allow our wives to move with any other man any how then how about when it comes to Jesus Christ who actually died for us to deliver us from the evil hands of Satan and draw us to Himself He purchased us fully with His own blood and death!!. This is why Jesus declared “no one will double deal Jesus.

I paid the price, I really worked for it and another one is reaping from my sweat and blood shed. No, it will never happen. It is just in a matter of time and all those who pretend to fool me (Jesus) will know that I cannot be fooled. Yes they are fooling themselves. One place has been prepared for such, hell with their master, the father of all lies, call him Satan the prince of darkness”

Revelation 20:10,15.

Verse 10, And the devil that deceived them was cast into the lake of fire and brimstone where the beast and the false prophet are, and shall be

tormented day and night for ever and ever.

Verse 15

And whosoever was not found written in the book of life was cast into the lake of fire.

We can not fool God and we can not be so selfish . We have foolishly double dealt “Jesus” by pretending to be serving Him while we actually served Satan . If a man cannot afford to be double dealt, how then do you imagine of double dealing Jesus Christ. Impossible. It cannot happen!! He will never allow this to happen. It is either you are truly on His side or you are serving Satan through your selfish body desires. Watch out the way you worship and serve God. We have very little time remaining!!!!

Luke 16:13

No servant can serve two masters : for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

CATEGORY 3

These are the so I would authoritatively and categorically declare them as true Christians who serve The Almighty Heavenly Father. They took their good time, counted the cost and declared in their hearts, “we will NEVER worship Satan at any cost.. We will never even listen to his voice and neither shall we face the direction in which his pleads will be coming from and these are the true Christians whom Jesus Christ declared He will never even call them His servants any more but His friends because they have been Truly Faithful to Him all the way through. Although the battle today is at the hottest, between the spirit of the living God and demonic manipulations, they will always cry to the One whom they have truly chosen to serve. Jesus Christ made it very clear, that He will never leave such kind of believers. This group of Christian is always online and well connected to heaven.

John 14:18

I will not leave you comfortless: I will come to you

They listen to every word and utterance of their God through the Holy spirit. Likewise the Holy Spirit sent on express or direct line all their prayers, demands needs and requests and heaven has been prepared for such kind of Christians Many people , Bishops, Pastors, Priests and many preachers have spoken about this word heaven. But I will encourage these kind of Christians to press on and struggle with all their energy through the supernatural power of the Almighty God and let them be exhausted in purifying their ways because where they are aiming at, I was there, I saw the place and I know the place. Very well. I am lacking in words and language to express the truth of the beauty in heaven.

People assume that the place is nice to stay but I would strongly encourage you to ensure that you never imagine sin, touch sin, and fall into sinful ways and wickedness and all deceptions of Satan because that place is wonderfully beautiful. In fact I would be very honest to you, If I confessed that I do not actually know how to describe truly the beauty that lies in Heaven.

But I would encourage very much everyone who have sworn to God and made a covenant with Jesus that Heaven is their destination come life or death and then you will be in agreement with me when you will be there that I truly lacked the words to explain the beauty of heaven. This is not an imagination my dear friends but our Lord Jesus Christ with our heavenly Father allowed me sometimes back in 1974 when I was a young to visit heaven so that when He will unseal the dream and allow me to speak about it, I will explain to you about heaven.

So I will authoritatively encourage you to press on. Every moment I would encourage you to be seeing Jesus and heaven and you will never dream of serving Satan, the prince of darkness any moment of your life time. Truly Jesus declared to me “ I have done all these and I have shown you all these about the end times because I love you and my people and these are meant to encourage you and strengthen you so that you will never grow weary or be discouraged to serve the devil (Satan). In fact Jesus will never allow you to serve Satan any more and although you are still in the world He will protect you Amen.

John 17 :11

And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are.

Heaven is real, and the rapture is real because the one who is speaking through me has shown to me all these. Remember it is but just for your benefit, get encouraged now and grow stronger in the Spirit and in the name of Jesus Christ and make solemn a vow how that you must reach the true destination of the true Christians that is Heaven ,Amen.

CHAPTER 9

DEC 25TH 1999

ONE NIGHT JOURNEY WITH JESUS CHRIST TO THE HEADQUARTERS OF SATAN AND HIS OPERATION MACHINERY.

After all the true Christians had been dispatched to heaven I felt and saw someone touch my hand and said to me, you have seen for yourself those who truly accepted me, my teachings and my commandments go straight to heaven. And I said yes, "I have seen all that." Then He asked, "Do you want to know how Satan works and operates and why the rest of the creation will never go to Heaven but will perish in hell? And with very high curiosity to know how actually Satan works, the Satan who has imprisoned millions and millions of Gods people as the Lord had just declared to me a month ago; I answered very fast "Yes my Lord please show me."

Just a month ago, I had been sent by God to lead the world population of the true Christian body to destroy the kingdom of darkness. Now, God wanted to make very well known to me that some of the things He had revealed to me in the spirit so that I can understand very well. And so because God truly made it clear when He sent me to destroy all the strong holds of Satan and his agents with every other true Christians through prayer, then He made sure that He will equip me fully first so that as I faced and approached the hottest part of the battle field, I was fully equipped. Please note that what the Lord showed to me I am making it known to you so that you can also be equipped as we approach the toughest and hottest part of the battle the final league of the ending of the end . We are now there. So please acquire from the Lord the most sophisticated weapons and face the enemy without the least point of doubt and fear. We need the most qualified warriors and soldiers in the army of the Lord to win this battle victoriously. There will be no casualties on the side of Jesus Christ because He is the sole controller and commander of the battle field. " Yes, there will never be" Amen.

So once you engage in the battle, never look backwards or side ways. Look at the devil right on his eyes and master all his weapons and tactics, his approach and fight thoroughly as if you will have no other chance to fight. You must learn to be thorough when it comes to dealing with anything concerning the kingdom of darkness. Then we will emerge victors and victoriously walk bravely through the battle field and cross on the other side.

Yes we will sail through comfortably and meet our Lord and savior, Jesus Christ and unite with Him for the wedding supper. But let me assure you that without

Jesus Christ, You will not even move an inch in the battle field. Yes, it does not matter who you are or where you are or what you have believed in but only the weapon acquired from the Lord Jesus Christ will make you fight through the battle and conquer and destroy completely the agents of Satan and all his accompaniment .You must be prepared for a true fight. Amen.

2 Timothy 4:7

I have fought a good fight, I have finished my course, I have kept the faith.

So we walked a short distance then we arrived at very strange place. I had never seen this before. I also feared and got frightened but the one who held me by hand squeezed my hand and I gained a lot of courage. I grew stronger and a certain kind of creature appeared from our right hand side. I only saw part of it. I saw the head the chest, hand ,shoulders.

Then immediately, Jesus Christ who held me by hand told me to look in front of us. There was a donkey which carried so heavily such that it was almost defeated by the luggage according to the way . I saw it. On both of its sides were the sacks full of unknown products. This donkey stood still. It only lifted its legs to move but it was still impossible. This animal was overloaded to a point that its can not walk . Yes, let me be honest that I sympathized with this animal. I felt pity. I felt love for it, If I had the power I would rescue. It was difficult for me looking and watching at this animal. It had actually grown weary completely. The animal cannot help itself. There must be some one who has the power to release the burden on the donkey's back so that it can walk freely and rest. Please try to picture this and get the illustration properly. I almost cried. This was wrong.

But I had no power to rescue the donkey. This animal was overworked. I kept on praying to God that this animal could be released from this luggage. This luggage almost touched the ground. This was not the normal way of loading donkeys and even other animals which are used for assistance in transportation of goods by mankind. The one who loaded this specific animal was beastly and inhuman. In fact he had no mercy for it, and for life in general.

This person had no mercy and love for animals. Honestly, if I had the power I would untie the luggage, set the donkey free and punish the one who had loaded it. But this was impossible for me. I did not have the power and authority to do it. So can you imagine this? If it were for you, what would you do? Be sincere and honest, tell what would you have done??.

Immediately, there was a powerful and Authoritative Command from the One who held me by hand, Jesus Christ, and He loudly shouted to the creature which had just appeared and He said “ Satan , show to us how you operate”. And to my surprise, in the hands of this creature which had been termed as the Satan was what looked exactly like a remote control.

The devil keyed in some numbers in the remote which I did not master and directed the remote on the donkey which had carried so heavily. Immediately there was formed a beam of light which emanated from the remote and landed on the left side hip of the donkey. There was some light on the hips as if it was from a torch. Immediately the light touched the donkey, bursted a flame of fire and some BLACK large numbers and letters were written on the skin on the hips of the donkey.

And as the light disappeared, the fire went off and also the numbers disappeared and the donkey which looked so exhausted, weary tired, weak and sickly, started to walk. I was very keen on everything that happened and I watched carefully and mastered all the movements of the donkey. But again the number which was written on the donkey was too long to memorise or store in my mind. So I cannot say I can remember it. You see, it happened so fast like lighting. There was just a flash light and at once and then everything went off.

But then I noticed that there was all the communication system from the remote to the donkey and then number which was punched by Satan must have been the same one which appeared or was written on the hip of the donkey. **So that was the code number of the donkey.** Punching the number meant like the devil had sent some message to the donkey through the remote control system. In fact the donkey had just received full instruction from Satan. There was no further communication.

That number alone meant everything to the donkey. And so the donkey immediately obeyed its master. So I now noticed and understood that Satan is the one who had overloaded the animal. The donkey had been taken like a captive or a prisoner. The donkey had no say or any rights. And by the way no complain. It had to obey everything from its master, Satan.

At once, it was put in my heart through the Holy Spirit that every slave or servant must obey their masters. Then after a short distance it walked fast, and then in a short moment it started running. Soon the donkey, although it was over loaded, it was now running very fast. You would not imagine whether it was the very donkey which looked very tired, exhausted and weary,. But now it ran very fast. To my surprise, the same donkey ran now very fast such that the

legs were not touching the ground. Then I started to wonder now. How come that the animal that looked unable to walk can run so fast and now it is flying in the air with all the luggage. The donkey rose gently like an aeroplane taking off.

It then increased its speed as though someone was engaging some very powerful gears every now and then until the donkey ran and ran and lastly disappeared in the sky completely. Oh my God, I sighed, that same donkey which I sympathized with and I had created a lot of love and pity for it, would run so fast when Satan commanded it to move and act. It obeyed immediately and there was no complain. The donkey forgot that the same Satan had overloaded it. The luggage which seemed too heavy for the donkey to transport was now very light on the back of the donkey. In actual fact one would think like the luggage had become part of the body of the donkey. So that was it. **The devil had showed to us how he works at the command of my Lord Jesus Christ. I was there, I was very keen and so as you go through this book, please be very keen also and try as much as possible to understand everything clearly.**

Do not let any word bypass your heart and mind uncensored. Then the Lord grabbed my hand again and He never spoke to the devil again. Then we moved a short distance and the devil was not in place anymore He could not be seen. **Then the Lord declared to me” The donkey which you kept on sympathizing, pitying and having mercy for while I stood with you there is the MANKIND of today of this generation of the twenty first century.** So I noticed that as I pondered all about the donkey, Jesus Christ was still reading everything in my mind and it looks like He must have been the One who was putting all these thoughts in my mind. He must have been the one who had the compassionate love in my heart and there I was. So I was sympathizing with the humanity of the current generation. **The man of today. The human beings of the 21st century.** This is really mankind.

You want to mean mankind today is carrying so heavily in the heart and mind. Such a heavy Burden. **Then He said, “let the mankind put the burden on My (Jesus) shoulders because it is too heavy for a living being to carry. Man will not afford the energy to carry it. Beginning from the year 2000, it will be tough. Mankind must notice the mistakes they made to believe in the lies of Satan to be deceived to worship such a beastly creature which its hidden agenda is to steal, kill and destroy. This scripture came truly to me on that night and it was revealed to me.**

John 10:10

A thief comes only to steal, and to kill and to destroy. I have come so that they may have life and have it in abundance.

Then Jesus Christ reminded me again all the words of my compassionate love for the donkey (today's mankind) Man has just been deceived and almost everyone is answering very fast to Satan's calling especially those who have weak faith. **Every human being has a CODE NUMBER. It is either you are encoded in heaven by Jesus Christ or by Satan. Jesus Christ was Truly unhappy here. Man will be lost completely. They think because they can meet Satan so easily they must believe in him, yet I Jesus I am nearer to mankind more than the Satan. They worship him every now and then. The mankind wants very cheap things and very easy to get.** The devil cheats mankind that he is the provider of such. They want to take short cuts in everything man wants to receive immediately and Satan sends his agents work to confuse and deceive my people. My people think they are worshiping me but honestly that is the state of man today, including even some of those who are calling themselves mine.

If there is any one who is Truly mine, he would not carry such a burden and he would not respond to the least temptation of the prince of darkness. Satanic pain has been applied on my people to shake their faith . Hunger famines, wars and a lot of difficulties have been applied on my beloved children for testing but they never stand. They are all falling prey in the hands of Satan. You have seen for yourself. **I put to your heart all these today so that you can feel the way I feel.**

This is exactly how I feel when I see you been misused by Satan. Wasted in all kinds of evil, wickedness, demonic lusts and wants of the world. You know them my son, Japheth name them all. This is it. Jesus was not happy at this. He was not. But one strange bit of this part of the journey is that He stood beside me holding my hand. I could not see his face. He decided not to face me. But with these kind of expressions, I knew Jesus was in deep pain. He hid His face from me and was taller than I was I just listened. This is the mankind of today. Yes, the mankind cannot afford, no, that weight in one's life he can not bear.

My dearest friends, it doesn't matter whatever you are undergoing now but I was there with the Lord Jesus Christ, I saw it when things are so bad and difficulty in your life, **Satan is so beastly; he only increases the pain and trouble and even doubles and triples. If you were also there you would have seen for yourself and you would be automatically sympathizing with the man of today. But Jesus told me, I cannot put such a burden**

to My people, My beloved people, My Dear children whom I love so much.

This beast does not know the pain that cost me in the creation of my people. I know the pain and suffering that I went through on the cross to rescue mankind: My own creation. My own people created in my own image.

I am not so far away from My people. My eyes are wide open, my ears are wide open, I can see everything and I can hear everything but I have kept on watching and listening but all in vain. They have signed covenants with the evil one, Lucifer. They are now serving him. They will regret but it will be too late. I will have closed the entry; There will be no more receiving, the registry will be closed. Nobody They will all have been left forever. Yes, my wrath.

They will not bear it . I have given them all and all the time to repent and turn TO ME. They have refused. If I did not love my people, I would not have bothered to show you all this. But you are my witness because you have seen. Just let them know if they will change and hold fast to my teachings and obey my commandments, then they will regret why they had spent and wasted all their years in the kingdom of satan.

I will receive them and minister to them and protect and shield them from serving the beast. Then unbelievers and the beastly creature will be tormented in the lake of fire forever. But before I descend and collect the faithful and righteous ones to Myself, I have sent the FINAL SIGNAL to them and remember the time is very short for this in fact time is very short. Jesus put in me all these words in me while I listened to Him keenly.

But He made sure I kept on sympathizing with the mankind so that I could move faster and reach almost everyone. Everyone will agree with me and the words which My Lord spoke because even if you will not accept Jesus to rule fully in your heart or life you will notice that although man is overloaded with things of the day today life, the devil will always scheme to triple the problems, difficulties and even more pain in the flesh and also in the soul.

Man will from the year 2000 never enjoy the natural peace but only those who have loved and received the true peace will live peacefully in their heart and souls. But not the general peace which the world is trying to search for today. It will never be achieved. We will spend quite a good amount of world wealth trying to search for permanent world peace but it will never be found.

Only those who have allowed Jesus Christ to control fully their life will

find true peace within themselves. Everybody besides you may be crying for peace or because a certain calamity or anything but although it may still affect you, you will always be at peace. God once allowed me to test this and it's practical. If I did not have Jesus in me, if His abounding love and peace had not controlled my life, I would have collapsed at one moment never to wake up.

But He helped me sail through by the power of Jesus Christ. The devil had no chance and therefore he (Satan) would not multiply his misfortunes and difficulties in my life until Jesus Christ saw me through the matter. **Only Jesus alone will have the mercy and love for mankind while devil's agenda is only to steal, kill and destroy. Satan only knows how to torment more and more. May Jesus Himself whisper to your heart for further revelation Amen.**

But although he has deceived so many people calling himself king of this world and pretending to be a god, I truly came to learn that there is no need to fear him Jesus Christ commanded him and he obeyed instantly and at once. People are only deceived by Satan. Jesus Christ is so powerful that at the mention of Jesus Satan, his agents and all the demons go shivering and are rendered powerless with the power of Jesus Christ.

I rebuked the swarm of demons, silenced them and caused them to flee away from me and the surrounding using the power of the name of Jesus Christ Satan only deceives people but I will keep on praying that those who have been deceived and believed in Satan as their god and master **will discover the Truth of the truth. The devil is such a minute figure according to the way I saw. Devil can not stand in the presence of Jesus Christ.**

Satan and his agents and the demonic spirits cannot withstand the righteousness of the presence of the power of the Holy Spirit. **Satan only keeps threatening his followers with death penalties, punishments and fear. But those who were saved from the worship of Satanism can very well testify that once you turn to Jesus Christ and refuse Satan, that becomes the end of his (Satan's) manipulations.**

He will keep on trying you and tempting you but he has no power over you. **Try Jesus now and you will be in agreement with the word of God at once. I personally saw how satan became so ugly and angry but he did not speak even a word when he was commanded by Jesus Christ to show us how he operates.** In fact he know I have knowns that he has no power as

he boasts. He obeyed Jesus Christ like an infant would obey his parent. ONLY people would know how cowardly satan is in presence of Jesus Christ. Can you imagine Satan did not even comment or even ask why are you dictating me like this.

If only those who have been deceived by satan to worship and serve him can know the truth, I can assure you satan will be taken by surprise. But when satan threatens you with either death or if you leave me and my worship. I will take everything and leave you to suffer in poverty, then, people just choose to adore him and worship him. **Only forgetting that Jesus Christ can give you everything that you think satan is the only one who can provide for you. Satan gives nothing for free. You must pay in one way or the other. Time will come when he will demand by force for you to offer sacrifice to him. But Gods gifts are free. Jesus Christ will never threaten you with death or any punishment as long as you will remain His child and a true friend to Him Just keep His commandments and life will move smoothly. Amen.**

HAND OVER ALL TO JESUS CHRIST

Mathew 11: 28 V 28

Come to Me all of you who are weary and burdened, and I will give you rest (HC SB)

As I have explained above the overburdened donkey is the mankind of today. His mind, heart and the entire life as a whole is over burdened and it is only Jesus Christ who has the power and authority to offload him. It is only Jesus Christ alone and Him only who can relieve humanity of the 21st century from all evils and satanic manipulations. Satan has declared to torture and torment humanity from all quarters. Many are the people who are suffering because of satanic attacks.

There is no peace on earth but Jesus Christ has come to the rescue of mankind. You only need to invite Him (Jesus Christ) into your heart and He will take full control of your life. Just give Him the full mandate and allow Him to control your life and He will take the satanic burden off your shoulders and He will give you rest at once.

Just give Jesus Christ the chance now and He will give you eternal rest. He is the only one who has the power to offload you of any luggage from satan. Give Him the chance now and you will notice the immediate change and charge in your life at once. Don't hesitate, act now. Amen.

CHAPTER 10

ENCLOSED IN A METAL CAGE AS ALL THE DEMONS PUNCH ON ME

After Jesus Christ had finished explaining to me, we moved further and He asked me another question. “Do you want to know what was contained in those sacks which the donkey carried?” and with all the curiosity again to know more about the devil’s kingdom, I answered immediately, yes I want to know. Then the Lord put me in metal cage which was made of wire which looked like a wire mesh.

And after He put me there, He disappeared to unknown direction and destination. In fact I just discovered that I was alone at that moment. He no longer held me by hand. But why did Jesus Christ keep on holding me by hand and now He has left me and gone? I discovered that He kept on holding me because I was exposed to the powers of Satan as I walked beside Him. The Lord Jesus; Christ with Him holding me by hand. So now after He disappeared and found myself in the cage something that had never happened in my life-time happened to me. It looked like Jesus Christ had left me to go to open the largest store room of Satan where Satan stores all his most powerful demons.

In a moment, I saw a large swarm of demons which all of them took the form of very beautiful girls surrounding me in the cage. Every kind of demonic lustful spirit spoke at once. They all kept on making their demands to me. They never gave the other time to make their demand. This asked for this and that, the other one made a different demand. I usually noticed one thing on that day which I must speak about now. **These demonic lustful spirits are ALL OF THEM VERY SELFISH AND IT IS THEIR NATURE TO BE SELFISH. Each competed the other. No one respected the other. Each demonic lustful spirit made sure that it spoke at the highest voice so that I can hear its demand so that I can then do or obey what each demanded of me. You can imagine how noisy that place was. I tell you it was really chaotic.**

People must wonder as to how the devil works but I would only say that if it were possible which is very possible except that mankind has persisted hardening their hearts, everyone would today turn to God and ask Jesus to rule in their life fully and truly.

The demons kept on shouting let us have sex with you, another I want you to kill another rape that one let us go to steal, gossip lets abort look how beautiful she is look at me a film star. Name all kinds of evils which are done on this world which you know list ALL of them here below.

Those are all what Satan was demanding of me to fulfill at once. You know, although I spoke at my loudest voice, I could not even hear my voice. **This is why you will see someone committing adultery, at the same time he is a thief, at the same time he has murdered, she fornicates today and she plans to abort after two or three months and fulfill it. At these one time she gossips, she is a devils' agent, she plans accidents and massive deaths are committed name it name it.....and so on.....and so on.....and so on and.....**

But then Jesus Christ wherever He was , He charged me and I exploded like a timed bomb as each demon was making its demand, I found myself through the power which Jesus Christ filled me with , rebuking all of them as they spoke. Oh my God how good it is to be in good relations with FRIEND Jesus. I rebuked, rebuked and rebuked now, their voices started going down slowly by slowly until only my voice was heard at the loudest. Yes, and I continued to rebuke and bind and cast until all of them ran and left me alone. Glory be to God and praise be to Him. Amen.

Were it not for the good relationship which I had developed with Jesus Christ and if He did not empower me, it would have been a difficult time for me in fact too difficult indeed But even though not in my real life but on the journey with the Lord Jesus Christ I saw a victorious defeat of a tough battle fought just in a matter of few minutes and some seconds and it was all over and over once and for all. **Now, what do I want to tell you now, please, when the devil comes, the first step would be to call on the name of Jesus Christ to see whether the relationship is still on. If the relationship is disconnected then immediately repent at once and ask the Lord Jesus Christ to empower you and allow you to win the demonic spiritual battle just for the GLORY OF THE HEAVENLY ALMIGHTY GOD BUT NOT FOR YOUR GLORY AS A HUMAN BEING.**

I have seen many Christians engage in a fight with the powers of the kingdom of darkness only to the disappointment of my dearest friend Jesus Christ. People do not even check whether the power is still intact and they move with all the pride to face Satan only to be knocked down before the whistle is blown for the match to start . This is very bad . This is not the way to fight this spiritual fight. For we wrestle not against flesh.....you must fight like a well trained warrior and soldier of our Lord Jesus Christ and bring GLORY to HIS kingdom.

Ephesians 6:12-18

V12.

For our battle is not against flesh and blood but against rulers, against the authorities, against the world powers of this darkness, against spiritual forces of evil in the heavens.

V13

This is why you must take the full armour of God so that you may be able to resist in the evil day and having prepared everything, to take your stand.

V14.

Stand therefore, with truth like a belt around your waist, righteous like armour on your chest.

V15

And your feet sandaled with readiness for the gospel of peace”

v16.

In every situation take the shield of faith with it you will be able to extinguish all flaming arrows of the evil one.

V17

Take the helmet of salvation and the sword of the spirit which is the word of God.

V18

Pray at all times in the Spirit with every prayer and request and stay alert in this with all perseverance and intercession for all the saints.

Let it be known to everyone that a soldier needs not to go to the battle field when he is not carrying the weapons to fight. I have also seen some other Christians who use some very weak weapons sparing the sophisticated weapons yet they never come back from the battle field. They are crushed at once by Satan never to be heard again. So now the question is who will use their most sophisticated weapons which they had spared and whom will they be fighting with.

Please mark this: Once the devil knocks at the gate or door for a fight or conflict, get the best weapon which the Lord Jesus Christ has blessed you with so that after the battle, if you will win of which I pray that you must win all the time, the Lord Jesus will supply you with another consignment of even more powerful weapons and more sophisticated ones than the ones you have just used. You cannot be supplied with a new and a more powerful consignment unless you have exhausted all the weapons which the Lord Jesus Christ had already supplied to you. Immediately your store is exhausted there is an immediate and automatic delivery. We are fighting a tough and hot battle every moment 24 hours in every

day within the seven days of the week. Throughout our life we will never rest. If you are sitting comfortably without being attacked by satan and his agents, then there is always a question as concerning your faith. Check and ask Jesus what's happening. You see, we are not just fighting. The devil is fighting some one and some gifts which you have just received from the Father in Heaven. This is not a normal fight which we are fighting today. This is the battle which the Lord Jesus Christ declared to me that it will be the battle for the 21st century. We have never fought like this before.

There is no one living today who has fought like this before. The devil has advanced in his technology and every true Christian, please note that He is saying every true Christian must cry and plead with the Lord Jesus Christ for empowerment. I will make it very clear now that it is every true individual Christian but not the group worship where everyone testifies we are all going to heaven. This is rubbish. If this is the kind of testimony which you are giving today and if your congregation as full time minister or part time minister the congregation which you are leading gives such kind of testimonies, then the situation is sympathetic for both of you church minister and the congregation.

You must rebuke such kind of Christians in love through the guidance of the Holy Spirit who are in this category of believing that Jesus Christ even today saves a group instead of an individual soul because the time for these kind has never existed in God's mind. If you must believe this, Then you had better come into an agreement with his word immediately and also join the waiting team and God will open the insight of yourself and you will cry with the words it's really true. These I am not just writing to fill the book but must be marked well. And in case you do not know how to fight, the tactics to use please knock immediately at the doors in heaven and get your trainer who has been assigned to you and has been waiting for you even before you were formed in your mother's womb. Get hold of Him and let Him take you to the training school. Amen and glory be to God.

He teaches very fast and He even makes sure that you also learn very fast. His wisdom teaches you how to do it. You would very fast learn and before the devil advances too close, you will be alert and fully equipped to smارش him and his agents. Glory be to God. Amen

How do we knock and what is the assurance that we will have acquired the Armory.

First of all, before anything else is done and whatever approach is done , you must learn to repent of your evil deeds and ways almost immediately and in-

stantly after you notice that something is a miss somehow or somewhere. You can not continue to pretend that all is well while you are 100% sure that there is something wrong in your connection and in relations with Heaven as a whole. Heaven disconnects no one but we human beings are the ones who disconnect ourselves from heaven. It must then be noted clearly that UNLESS WE HUMAN BEINGS REPENT and REQUEST FOR FURTHER Connection, God can never connect his line with you. You must note carefully that we must remember and repent of all our evils and then the flow will be on again.

Immediately we have been connected then it's up to every being or the concerned individual to request the Heavenly Father to make known to them all the reasons that had made the connection to be cut off and God will search carefully because He can NEVER MISS even a dot in one's heart and skip it unmentioned . And as they repent of all their wickedness and the services which had been withdrawn will be handed back and you will hear in the Spirit the assurance that now my son we can carry on the fight as the evil advances and you will even witness you knocking the devil down with knock out blow as he will keep on screaming on the floor. But you must again note one more thing again that ALL the glory must be given to the one who fights the Almighty God. We are only tools but there is the fighter, the one who fights the devil and He is the true living God. Only Him.

Never at any moment deceive yourself that you are the one fighting, no, there is a God who fights for you through you and He is the One who deserves all the Praise and Glory Amen. We don't even know the way to fight unless He teaches us. Only Him can make it. But then we must allow Him and give to Him full control of our lives so that He can fight truly through us. But please note that He can not fight where there is double mindedness!!! He declares very well and clearly that He is a jealous God and there is no way He will invite Himself unless the concerned individual or person honestly and faithfully invites Him into his life . So that He can then manifest Himself in that concerned one's life.

Now then after I had rebuked and sent all the demons to flee from where I was with Gods empowerment, and after I very well listened to what the Lord spoke to me in the Spirit and the instructions. He gave to me and the way to fight the powers of darkness the Lord Jesus Christ returned to me physically again. Everyone must note that as Christians duties are well assigned by God. There are as Christians our own parts to play in battle field and during the battle. We can not just sit and say that the Lord Jesus is taking full control over everything that comes my way. This is wrong and not true. God does not work in that manner. As Christians, we must faithfully and honesty play our part in our life

and then the Almighty God will play His own duties and fulfill His promises to us and ensure that you have fully fulfilled your duty as a Christian. Everything will depend on the way each Christian will handle himself or herself. You must learn to be fully and truly obedient to God whenever He communicates and you will in turn reap all the benefits which He has assigned you as His child.

Therefore, you claim to be a true Christian, I would encourage you to know and understand that future Christian fight will depend entirely on you. Fulfill the command of the word and His teaching and He will fulfill His duty as Heavenly Father. Amen and Amen

CHAPTER 11: THE MOST POWERFUL AND STUBBORN DEMONIC SPIRIT IN THE WORLD TODAY.

When the Lord returned to me, we started to walk again together. He held my hand as usual as we walked forward. After walking for a short distance, one thing happened that surprised me again.

Although I had fought and rebuked all the demonic spirits while I was in the metal cage and defeated all and made them to flee, one demon proved dissatisfied, arrogant and stubborn and tried to make a second trial. Just as we walked, as the Lord held me in His left hand and held my right hand, the demons crossed the road just a few metres before us. Now those demons were so annoyed and their faces looked gloomy because they had failed in winning me in the first round. They would steal a glance as we approached them and then look in the opposite direction.

Now those were the sexual demonic lustful spirits and immorality which had decided to make their second trial. But thank God because now Jesus Christ was holding me by hand. When these demons crossed the road in front of us, they started to undress. They looked like beautiful ladies who wore long dress with cuts which were above the thighs and wanted to remove their clothing and attract my eyes to themselves. Remember I had said earlier to you that they were very beautiful teen girls. In fact they were very cute and admirable ladies.

Now, they wanted to make a different approach and capture me, (Read very slowly and understand why the world today will not be able to crush AIDS in this 21st century). They started undressing their inner pads or wears. I got myself surprised and was astonished at the level of approach. Some even squatted as if to show me their private parts. What's this, I asked myself again. Now, I was

being attracted to what was happening. So this is interesting but why should they do such a thing.

Although during round one I had won, this time it looked like they were fully devoted and determined themselves to win me. But then before I was fully absorbed in this kind of mystery which satan had tried his hand to see whether I would not be attracted to his kingdom, Jesus Christ squeezed and pulled my hand. All these things were happening while we were still walking slowly as He made sure that I saw everything for myself.

But although we had bypassed where they were, I kept on looking behind to see what would happen after they would expose their private parts. Jesus released my hand and walked a few steps forward leaving me behind But then I would again say thank God because Jesus intervened again. **He took a few steps backwards got hold of my right hand pulled my right hand and told me to hurry up because that was a dangerous place for me and can remember I was some steps behind Him although he still held my hand. Can you imagine what would have happened if He had just walked away after He had released my hand.**

I would have been left there as Jesus walked away and continued the journey alone. Yes, thank God again. Remember Jesus words again. "Hurry up, "this is a dangerous place for you and indeed that was a dangerous place for me. These demons which had demonically demanded for sexual demands had charged and returned in full gear to ensure that I yielded to their demands.

I think they wanted me to look at them lustfully and commit sex in my mind with them.

These are the lustful, sexual demonic spirits.

Remember they are using a different fashion of approach. They are very cunning demons. They do not know use only one style of approach but they know how to disguise themselves and ensure that they capture you. These are only demons out of such a big swarm of demons which returned to try again. Sexual demonic lusts for sex and sexual desires and satisfaction. This was serious and is serious even now.

If they could try again when I was walking with the Lord Jesus Christ then how about those who have not known Jesus Christ. If they had the guts to disguise to start the approach from a different point then tell me what about the non Christians, and also the Christians who are not strong morally. Jesus Christ had asked me if I would want to know how the devil works and it is true that Jesus Christ had to ensure that He would let me know most of the tricks which Satan would use to have the church of Christ stolen and destroyed leave alone those

who are already his (Satan) and are kept in his chains (Satan) awaiting the end of the times to be tormented in hell with him.

Jesus Christ made it very clear to me on that same day that such sexual demonic spirits which kept on pursuing me when we visited the HQ's of Satan's residence have now been sent to the whole world to seduce all mankind into sexual lusts. There is no question about it. At least everyone or everybody can prove of this. If we will deliver an honest and justful resolution, then we will all anonymously come to an agreement that this is true today. Satan is destroying even the well known men and women of God leave alone the congregations and those who do not even know God. Jesus said "I will strike the shepherd and the flock shall disperse", Although He made about His death and His followers to be dispersed, even today, when well known men of God commits such shameful sexual sins, many are the followers, many other Christians and even non- believers who feel demoralized by such hence leading many to walk astray. **One servant of God can lead many believers to back slide and even cause other many people who would have become Christians hardening their hearts and refuse not even to invite Jesus Christ into their hearts because of such grievous mistakes which Christian are doing today especially the church leaders.**

We must serve and worship God truly and stop these kind of pretence.

Jesus said to me, there is a heavy cloud of such kind of demons hanging around the whole world. These demons for sexual lusts have filled the atmosphere. They are hanging everywhere in the world. The world may not notice but this is what's happening today. Although you may have decided to be faithful to God and may be to your spouse/ partner for those who are married, you may unknowingly find yourself tempted to committing adultery. And even for those of you who are not married, you may even find that you cannot resist the demonic lustful demands for sex.

At times you may say categorically to yourself that you will not fall prey or yield to such demands of this kind of evil and wickedness but even before a day ends, you may have already sinned against God.

Mathew 5: 28

But I say unto you. That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.

What is it that blinds you and brainwashes you.? This is a very serious evil today. We are getting all the results of such acts of sexual immorality daily throughout the globe. Many souls and lives are murdered due to these unplanned sex through abortion. Today its like two opposite sex individuals are drunken and

forced into sex without their knowledge. Rape is on the increase Men have even gone to the extent of raping even two or three year old children. Some of which are their own . What would you call this? As if this is not enough they are even raping their own blood daughters . Jesus imagine Many people have forgotten their God and that is why God has left them to suffer in the hands of Satan.

Hosea 4:6

My people are destroyed for lack of knowledge, because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God , I will also forget thy children.

People have become crazy. We cannot reason any more. This kind of evil has filled the land in every part of the world. There is no exception . **Some of the people morally measure even below zero. Yes, the world has become so wicked such that even animals would reason sometimes better than some of us living in the 21st century.** The devil has even hardened their hearts such that although they very well know about themselves and how evil they are, they are still leading or are still leaders in most church congregations. The devil has captured even many Bishops, pastors, priests and church leaders in general not to mention the congregations and if the Christians cannot resist the devil, then how about the non- Christians. **Can you just imagine people of the same sex getting married? I cannot even call this madness, but I don't know even what. The 21st century generation is completely brain-washed by satan and their minds stolen. They can't reason anymore. Even animals can't do such a thing.**

Can you try to picture the kind of world we are living in? We are in pathetic situation. **Unless God intervenes, who else can then save the situation.** None other than the Almighty God. Yet you must be the first to act before He comes into the situation. Draw near to God and He will draw near to you. People have to think otherwise. Before the world will discover what Satan is doing, and the rate of the release of these demonic girls from the Kingdom of Satan to the world, many parts of this world will only have the graves to remind the rest that at times such a place was still occupied.

I was there with the Lord Jesus Christ and I saw for myself. But I would again say we will realize when it will be too late indeed .Such that there will be no remedy. There will never be whatsoever . It will be too late. Even now, the world can not accept that things have gone out of hand but the moment we will discover and understand properly where we are, it will be too late. **Remember Jesus Christ told me "This is a dangerous place, Hurry up"** The same message

I am passing over to you in a hurry and make a decision now. Please change and serve Jesus Christ alone.

GOD NEVER ENTERTAINS SIN!!!

On 28th Feb 2014, Jesus Christ asked Me, Why He Jesus Christ dropped my hand and walk ahead alone leaving me behind on that same night (25-12-1999) we were walking together hand in hand? “ I do not know my Lord” I answered. Then Jesus told me, “I dropped your hand because your eyes were fixed and concentrating on the sexual demonic spirits your mind was carried by them, forgetting that I was holding your hand **“He further told me, the moment any of My followers get involved in sin. I proceed and leave them alone. Every Christian MUST ensure that once they get saved, they don’t sin against Me, God.”** Jesus Christ made it categorical that Him and sin cannot live any closer. Our God is righteous and He expects such from us. True Christianity is what God expects of us. Let us not deceive ourselves because the moment we are in sin God moves away from us. God does not entertain any kind of sin whatsoever. These, He made it very clear to me and practically when He dropped my hand and moved forward on that night when I showed some concern on those demonic spirits. Although I didn’t know what I was doing, I didn’t know that I was sinning against my God. This He revealed to me later after almost fourteen years later we walked together on that night. Let all as followers of Jesus Christ seek the face of God for guidance so that we will not keep on sinning against God even without knowing.

Jesus Christ allowed this to happen to me so that He can make it clear and straight that God and sin will never be related in anyway whatsoever. In fact there is great need for everyone who desires and hopes to walk hand in hand with God to continually search their hearts every other second of the minute of the hour so that they can be sure of their TRUE RELATIONSHIP WITH GOD. This is mandatory. There is no any other choice except to keep on searching the face of God for true guidance in our lives.

This is the only secret as far as our true relationship with God is concerned. Kindly keep on requesting God to reveal Himself to you and let you know how you are relating with Him throughout your life. Don’t just relax and assume things are moving on well .Ask for God’s assurance always and on daily basis be exactly sure of where you are destined and ensure also that He is always beside you.

Consider the following:-

We have the AIDS which has scientifically proved incurable. Hundreds of lives are lost daily because of the aids. But still people cannot change their behavior.

They have accepted to worship Satan up to the end of the age. Now, when Satan discovered that people may change their behavior and refrain from the unsafe sex, he (Satan) through his agents went and manufactured condoms and brought them to the people of the world and told them that now you can continue having sex anyhow. Do not fear aids.

You are now safe. Sex is very safe today, “ the devil was over heard making such remarks. But is this really true and is this kind of sex safe?

Please admit “No” .Others can even get lost in the process of this evil and sinful act. Since the devil has convinced you that it will all be safe, you may find yourself using it once and next time he (Satan) will convince you that she or he is not infected with the disease. From that moment, you will stop using the Condoms.

You started by using condoms and in the process Satan convinces you to stop using the condoms now. Just imagine this thing called the Satan is so cunning.

Satan only wants to convince you that its safe and once you obey his lies then in the next moment he will have stolen your mind now ready to kill you . Satan only steals, kills and destroys.

John 10:10

The thief cometh not, but for to steal and to kill and to destroy I am come that they might have life and that they might have it abundantly.

There is no short cut. Its either you refrain completely or he will ensure that you are infected with the disease which has no scientific medicine cure. Most people will argue in their own way and assist the devil to killing through this disease but this issue today needs a too personal and individual decision. By the way, are you not aware that aids was prepared and put in place by Satan as one of the weapons he was to use during this end times and wipe a large population of the world so that they may not think otherwise and accept Jesus Christ and have their lives saved from the eternal punishment in hell?.

Everything that Satan is doing today is meant to win a bigger population than that which is on Jesus side . Satan is an evil competitor . Please watch out my dear beloved friend. Jesus still needs you even the more. Turn to Him now.

How does Satan trap even the Christians?

This world is in total confusion. Although we still reason properly, something has indeed blinded a big percentage in the Christian community. I would make one thing here very clear. Most of the Christians may argue against it but we must give it a careful thought all together. As I said earlier Satan is a cunning and a tricky creature who even at times would be patient and buy his own time until he achieves his goal.

And once he has gotten a single opening, then you are finished. If you do not discover immediately and repent and make things straight with Jesus at once, he may even crush and kill you before you repent .

As Christian we must walk carefully and keenly if we must make it. Most Christians keep on forgetting that we are always in a battle with the Kingdom of darkness. They keep their eyes set on Christians and they even use the powerful machinery which some of them I saw Satan using while we visited his Kingdom with the Lord Jesus. ONLY if Christians would remember that we are always at war with the spirit of Satanism, then we would be giving everything that come our way a second thought.

Ephesians 6:12

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

One thing which has and always is annoying Jesus Christ today is the way the Christians are copying and borrowing from the world. Most practices which the world has lived in today have been copied and practiced by Christians .Some are even used in the areas of church worship. You must remember that God says we should not at any time and moment envy or admire things of the world. Do not envy evil.

Psalms 37:12.

The wicked plotteth against the just, and ghasheth upon him with his teeth. Yet there is no much difference between the Christian and the people of this world today. We must accept this fact. Let us mention a few areas where the church has borrowed profusely from the world.

Some areas where the church has borrowed from the world.

1. Pornography and television programmes

Pornographic films are demonically blessed by Satan to create lustful desires in your heart for sex even when you did not think or intend to do the same. But as you watch them, Satan slowly begins to tune you until you are completely carried and in the next minute you are looking for an opposite sex to quench your demonic lusts thirsty for sex. These will also involve some television programmes which are totally immoral. These will assist Satan and his agents to seduce you into sexual immorality and many others. Please be careful and watch out !! These are very dangerous for you. Keep off immediately!!! say amen

2. Books and Magazines

Books and magazines with pictures of naked people of your opposite sex exposing sexual parts of the body still have the same impact in your life as you read and study nudity of the pictures. The language used is also highly seductive and you very soon get yourself drunk with these demonic lusts and go wild and crazy and go straight for it again. Get warned.

3. Dressing (Especially women)

As I said earlier, Satan would buy his time and time you on all corners of your life until he captures you. Although civilized people have claimed so many human rights, I would say that some are not applicable to people called by the name of the Christian and especially when one claims to be truly saved by the blood of Jesus Christ. Let me be very honest and say that some of the dresses which are in the world today are some fashions I personally saw and witnessed in the Kingdom of Satan . It will be of very great importance and benefit before one buys a certain fashion to still take time and make a few considerations.

Some fashions are designed in Satan's kingdom and of course with a certain purpose or motive. Now, although these fashions are meant to be worn by those who have been assigned special duties by Satan to trap male or male in general, some Christian ladies have gone ahead and bought them without even caring much. These clothes were made for devils agents and even if you claim to be a Christian, you are assisting Satan in achieving his goals. **So Satan recruits you without your knowledge. Yet you claim to be a Christian. You can still argue otherwise and justify yourself but it is just true that you are working for Satan.**

Let me remind you that whenever Satan gets such kind of people who claim to be Christians, he rejoices so much because he is very sure that he has gained entry into the church building and within Christian congregation without being noticed. He has also gained entry and penetrated into the particular life of the particular Christian without the individual Christian noticing. Can you imagine a Christian lady wearing the miniskirts which expose most of her body above her knees? When they sit or bend, their underwears are exposed.

These are ladies who have come to the church to serve the most Highly Honored and Glorified God. Leave alone the men in the church. What picture are they giving to the non- Christian people. The people and the men of the world. Could it be true that non – Christian women are now fishing for husbands or male friends from churches. **Or what reason would make a Christian lady dress in such a mess. Please allow me to call it a mess?**

In case you are being embarrassed now, please do not wear them tomorrow. There are those who wear them and they will not get embarrassed even after reading this. Why do you allow these kind of clothes to be worn of them. If prostitutes wear the same to attract their customers, and so who are the ladies in the church advertising themselves for. These people, whether they agree or not they are in the church but serving other gods without knowing.

You either take it or leave it. There must have been some influence of the sexual demonic lustful spirits which seduced you to buy such kind of clothing's. Others buy long dresses but are cut all the way through such that at one point, your "unwanted to be seen" of your body is seen, then you are just been influenced by these demonic spirits. Others would wear other clothes exposing their chest and mammary glands. **It must be well known and understood that some of these parts of your bodies were made for your one legal husband which God created for you.**

Many and most Christians even do not understand the reason as to why God created for you. Many and most Christians even do not understand reason as to why God from the early beginning gave a command that there must never be sex before marriage. If we considered this Lord's command that there must never be sex before marriage, **we would dress in a respectful manner. God made that only two eyes must know the way you are when naked besides yourself. To make the matter even worse some of those Christians are married. Do not you want your husbands to be respected by the society or is it the husbands who encourage such things. Remember your body is a temple of the Lord and you must treat yourself in a manner that everybody will say yes that one is a true child of God. You must respect Jesus and the salvation in you even if you do not respect your own self. There must be a noticeable and define difference between a Christian lady and just any other woman. Say Amen and make this practical in your life, now and please my friend in Jesus name not wait for tomorrow. Act now and at once !! Amen .**

You may say that the law stand in the book of Exodus 20:17 (H.C.S B)

"Do not covet your neighbour's house: Do not covet your neighbours wife, his male or female slave, his ox or donkey, or anything that belongs to your neighbor"

Job 31:1 (HCSB)

"I have made a covenant with my eyes How then could I look at a young woman?"

"I made a covenant with my eyes not to look lustfully at a girl." The word

of God still emphasises the risks which lie in our bodily desire. So as I have encouraged you above, then you must try to make permanent and remarkable decisions concerning your relationship with God. You must as a True Christian make sure that there is nothing of the world that would attract or desire to bring you whatever joy to you.

The flesh might be adamant but you must bring all your bodily desires, under the control of the Holy Spirit .You must sign and seal a covenant with Jesus Christ. Put your desires under the control of the Holy Spirit and the spiritual body. For you would not force the mind to think and meditate on that which is not profitable. Only the things of the Holy Spirit must you dwell in remember also the word of God.

James 4:4 and “you adultery people; do not know that friendship with the world is hatred to word of God? Any one who chooses to be a friend to the world becomes an enemy of God”.

And Mathew 5:28 “But I tell you that anyone who looks at woman lustfully has already committed adultery with her in his heart”. But I would then advice you lady Christian, I am not quoting from the Bible but remember that “ you must also as a lady not dress in a manner to tempt and try men to see whether they can covet you or even lust for you. **You must understand as a Christian also that only the devil, Satan has taken the mandate of tempting and putting mankind into trials and temptations. Christian lady, why are you assisting satan to put men in trouble and sin???**

So now as a Christian saved lady, surely are you now serving God Almighty or Satan but in disguise “ If you can afford to put a man into temptations which may lead him into sin, surely are you not working for the kingdom of Satan because only Satan and his agents work all the day long to put humanity into sin and cross over the kingdom of darkness. You must be made to understand that somehow Satan is working through you, your own body to reach a man who has refused categorically the sin of sexual immorality. But after the man lusts for you, he may not actually approach you for such but he may find himself searching for sexual satisfaction from elsewhere but remember you were the cause of everything. **And so instead of encouraging as a brother in Christ to resist the devil, you have in the real sense forced him to yield to the demands and desires of his own flesh enriching the kingdom of darkness at the expense of his righteousness and the salvation of Jesus Christ.**

So watch out the lives of your fellow Christian brothers somehow then depends on you sisters in Christ. All in all this only applies to a Christian and truly saved lady of Jesus Christ. Amen.

And how about us men. These words are true and carry a lot of wisdom with themselves. Practice this whenever your eyes come into contact with such kind of women, whether Christians or not Christians, and if you are a true Christian and you have vowed to win this kind of battle on lustful spirits on sex and immorality you must at once make sure that you avoid staring at such people and look in the opposite direction, you may hear a whispering spirit in a very low voice seducing you to look for a second time but rebuke that spirit at once in the name of Jesus Christ . But if you will look again for second time, third time you will admire her and in a fraction of a second you are a great sinner in the eyes of God. Jesus said that whoever looks at woman and admires her has already committed adultery in his heart watch out friends.

Ref: Mathew 5:28

But I say unto you that whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.

So the best solution is only to avoid and ensure yourself you have not noticed such. When I emphasize on these things many people may not understand but it must be noted clearly that if Jesus Christ had not showed to me these things, I would also not be aware about them. If we as human beings claim human rights, then we must also allow Jesus Christ to claim His rights on or within ourselves and our lives if we claim to be True Christians and also true and faithful followers of Him. The church has also borrowed from the world different fashions of praying to God.

The musical instruments when we are singing, praising and worshipping. Even some of the Christians have also introduced in the church rhythms used by the secular (Satan) musicians and brought them into the church. I mean instead of allowing the world to borrow from the church, the world has kind of approved to be stronger than the church of Christ. When they (world) will start to borrow from the church, then they will slowly create some interest in the Christianity and soon they will seek to know who our master is. Praise God. Hallelujah. Amen Glory to God, Our Heavenly Father.

CHAPTER 12

IN THE VALLEY OF DECISION

After all these, Jesus took me on top of roof of building. When we arrived on the top of the building, we faced backwards all the way we had come. I could see all the particular stages. To reach the top of the building, we climbed on stairs up to the top. This roof was of made of wood and thatched with iron sheets. Now on arrival to the top Jesus again made sure that I pondered all the

events which had taken place on the way from the beginning to where we stood by that moment. Jesus made sure that everything was stored well in my heart.

As all the events rolled in my mind, and down to my heart, Jesus disappeared. And immediately, the roof of the building became worn out and the iron sheets became rusted. The wood which had made the roof also became rotten and I immediately noticed that I must come down from that place at once. I thought to jump from the roof but , if I did that, I would fall and get broken or even die. I looked back where we had come through and it was only wall plastered .There were no stairs neither was there any opening.

It was only a plastered wall. To stay there on the roof longer was dangerous also because the more I stayed, the more I risked falling with the rotten roof. I looked again where we had climbed through and there was only the wall. I again tried to jump but I was very sure that if I had to jump, then that would be the end of my life. Then a voice came to me immediately, saying “ you must come down from that place. Do not stay any longer there, come out of that place” As the words sunk in my heart which came from a voice I did not see but I knew it was Lord Jesus, I continued to wonder the way in which , I must come out of that place. This was another time when the Lord Jesus Christ had left me to act on my own even though He was still in full control over my life. Within a very short time, I was left in the metal cage which was surrounded by the swam of demons. When I was filled with that Supernatural Power of the Holy spirit, I stood up and commanded at the highest of my voice,” I know where the way is; I know where we came through. As I spoke these words, I looked at the wall which was behind me.

This was the direction where we had come through while with Jesus Christ as we climbed to the roof of these building. I remember very well how we had climbed to the top of the building and pointing on the exact place on the wall (place where we come through). I said these words with a commanding voice” **This is the place where we came through. This is the way to come out of here. And I am hundred percent Sure that this is the way in which we came here through** “ Honestly I had no doubt whatsoever that where I pointed was the way the way which we had come through .

This is the way which we had come through which had been blocked mysteriously and only plastered wall stood there in place. As I finished saying these words, with full confidence, God did to me yet another miracle. A way with stairs was formed. I then came down slowly walking majestically until I ar-

rived at ground. “Then the very voice spoke again after I arrived at the ground. Well done you were very keen on the way we walked all the way through. You had even mastered the way after it was blocked as the roof was made to rot.

You chose also very clearly and you even never missed the point where we had come through. It is good to be keen on everything you do. If you were not keen and alert you would not have gotten the place where the way was and you would have chosen to jump which would have made the end of your life and so die instantly. But as it is for you now, you have done it quite well. Where there was no way, a way was formed.

Where there were no stairs, stairs were made . It took you your unwavering hope and faith to command the wall and have the way formed for you where it had seemed quite impossible for you. But then remember that when you started to worry on how to come down, I still communicated to you and filled you with My Wisdom and Spirit which led you to choose the best way you should have done. Without me, you would have died. But your inner ears (Insight) was very smart and alert. You obeyed immediately to My communication through the Spirit . Keep it up for the rest of your life on earth. Amen

This is what you will tell my people, it is not that I do not see everything that they are going through. But they must participate on their part. When I send the signal of wisdom on how to handle the evil one through the Holy Spirit, they are not in place to receive. They are relying on their own knowledge, thoughts and ways . They think that what they are doing pleases Me. **The only way forward is to listen to my voice and not the voice of the enemy.** They must be ready and able to test and differentiate between My voice (Jesus) and that of the enemy, We are quite different. How can they listen the voice of the enemy and yet they are supposed to fight him (Satan). They do not even take time to consult with Me.

“Tell them that they can not make it alone. They cannot and they will never. You saw for yourself. All the way, I held your hand and stood by you to assist you when the enemy struck. If I were not with you, then there is no way you would have won the battle you fought. **My wisdom must be used, My wisdom alone.** Look at what is happening today in the whole world. Even those who have claimed to belong to Me are now lost in the Kingdom of darkness.

“They lack my wisdom and my way at certain point without their knowl-

edge. They thought all they did was well and they never even bothered to consult with Me. Tell them that unless they search Me again and renew their covenant of agreement with Me, they will never get My wisdom and fight back to be rescued from chains of Satan. Most of them claim to belong to Me but they will know exactly when I will come to take the righteous, My church to stay where I am. Most of them will not stand the shame which they will suffer on that particular hour of that same day.

“That moment the devil will deceive most of them and even strike them immediately to death so that they may not save themselves through the sword and their own blood under the antichrist leadership. Others in confusion will commit suicide. They would wish to die at once. They will run up and down looking for safety and a place to hide. **Tell them that there is no much time remaining and any moment I will come and pick the church to myself.** They can not understand now. Just teach them and let them know all that which I showed to you on the whole journey. They must know that it is only those who will learn and have the habit of consulting Me and asking for My wisdom who will make it. I know the journey is tough. If this was not the reality in the whole world, then I would not have shown to you all these. But I took my time to come and show you what is happening so that you may not be deceived.

“They must all know how much I love them. How I keep on waiting for them to ask from Me. I am always available but I cannot invite Myself when I am not invited. I cannot force Myself into one’s life and affairs. But those who are faithful and honest to me the obedient and those who will ask for My wisdom will always win victoriously. Nothing is difficult and impossible. But since they have to suffer all these. Encourage them to repent and obey My teachings and command. If there was time on earth when everybody would have known and drawn near to Me, for sure it is now. Remind them that surely the end is so near. There is no time to waste. **Now is the hour to purify your ways and yourselves.**

There is none who will call upon My name at whatever time that I will not answer. Only the pure and clean in heart will I listen to. I communicate to them and they communicate to Me through the same media. The Holy Spirit who dwells in them.

When they fail on their part, then let them not complain and keep on crying and fasting because once they have missed the way its all. Its either you are on My side or on the other side serving the enemy. They keep on calling upon My name yet they cannot make themselves clean. They must play their part, They must accept Me as their sole savior and Redeemer and their Lord.

I am a Jealous God and I can not share My glory with anyone else or anything else be it what!. Everyone in the world must take note of this. After He had finished speaking all these things to me; He drew the curtains and left and sent me back to my bed at home. When I woke up the following day; He reminded me everything in the Spirit and we went through all the journey again and I had mastered all the events and all the words spoken to me even never forgot.

DECIDE WELL

It's a shame to some Believers

I am challenging you to sit down in your own sitting room and call the mother of your own biological and blood children.

Allow her please to sit next to you. Command for dead silence in the room for at least thirty minutes. After that, I want you to imagine all your children rising up against you, the head of the family and challenging you that you are not their father. Imagine also a situation whereby they would also go to the extend of refusing their mother as their biological mother and refuse and deny the two of you as their own parents.

As much as you would convince them that they are your children and you are their parents, they would categorically say No to all your efforts. Remember these are not kids but grown up and mature people. You would try to get your neighbors to convince them but they would still say No and refuse and deny you completely. You would then approach the authorities and may be the highest office in your government to have your children restored back to you, but they still refuse you, deny you, betray you and even go to the extend of abusing you and they approach other people in the streets and call them their parents and abide to their command. These children have refused you, their biological parents and they have gone to the streets, in the wilderness and cling on strangers and call them their parents.

Remember you are not dreaming neither are you daydreaming. These children are not mad, they are not insane, they are not drunk, but sober but they have denied you refused you and betrayed you as their biological father.

I WANT YOU NOW TO TELL ME WHAT YOU WOULD DO!!!!

I want you to think, imagine and ponder on this issue for not less than three (3) hours.

During this period of time, I want you to record on a piece of paper, how much you have cared, provided, educated each of them. I want you to record in detail how much you had spent on them. The life risks you under took in life and how much you denied your life and all the pleasures of life you did deny

yourself so that you can provide for the same children.

Count and enlist everything that you did for these children and after the three hours are over, I mean over in silence, then release your children from the sitting room, get hold of your spouse and head directly to the bedroom and lock yourselves there and ask one after the other “ What shall we do incase such a thing happened. After such, then let each and every parent ask himself or herself in silence “and surely, and what would happen and what can I do if my own children denied me as their father or their mother?? Let this question remain in your life for the rest of your life! Let this question never forget you for the rest of your life FOR JESUS CHRIST HAS NEVER FORGOTTEN HIS OWN QUESTION TO DATE TO MANKIND. “WHY HAS MANKIND REBELLED AGAINST ME, TO FOLLOW AND WORSHIP SATAN?” Think properly my dear friend, think properly –

This is no joke – this is a matter of life and death – therefore think properly in your sober mind and tell God “ What would you do if your own children ran away from you and told you on the face and in public that “ you are not either my father or my mother” tell me my dear friend, “ What would you do” ...!!

Be careful and answer this one question “ **How many times have you denied your Heavenly Father as you sole creator, Jesus Christ as your Savior of your life and how many times have you denied and betrayed the Holy Spirit as your life and soul counselor?**

Are you able to number the number of times in which you have denied and betrayed your God!!!

It does not matter whatever answers you have and the kind of arguments of stubbornness, rudeness, disobedience dis-belief and hardness of your heart and life in general but the truth will stand always and will in future be revealed to you that “**Every act of yours that does not glorify God is an act of denial and betrayal to your Almighty God. YOU ARE liable to a very severe punishment .** If you will not repent of all of your evils and be forgiven and be restored in the love and mercies of our Heavenly Almighty God to His kingdom and receive eternal life through our Lord Jesus Christ, then I would remind you that such evils may qualify you even to go to hell for eternal burning in the lake of fire that was prepared for satan and his fallen angels. **Remember the lake of fire was made for satan and his angels BUT NOT for human beings. But your betrayal, disobedience, stubbornnees and denial of Gods word may force your way to hell.**

Some of us may boast and say they have been delivered and are saved. But their fruits have betrayed them also. Their way of life and the way they live have denied the will and purpose of God for those who claim to be saved.

Although they can stand in public places on the pulpit, In the congregations and pronounce that they are followers of Jesus Christ their actions have denied them the right to be called children of God and they have betrayed the will of God for those who claim to be followers of Jesus Christ.

NOT JUST ENOUGH, MORE IS REQUIRED

It was one Sunday afternoon on the 06/ 04/2014 when God spoke to me quite clearly and told me to make it known to those who claimed and called themselves by His name that.

“It is not just enough for someone to claim with his or her own lips that they were saved yet they knew very well that their hearts were far away from God. It is not just enough to wake on the very day of worship and go to the worship centre and claim you are now a follower of Jesus Christ. It is not just enough to give large amounts of money, property to God as an offering and tithe and say it is enough No, more is required.

The primary and the most basic in salvation is the way and how much you have sacrificed and offered your whole life to serve God. The number one, which God counts and which God embarks on is how much are you devoted to serving Him. Please my dear friend, try to remember this and never forget. If you are right with your God, so is the time when God requires of you to give now you on materials things and gifts and also services to Him and His own people. But unless you are right with God, even if you give or offer how much you are just wasting your resources. Please think of a man, who has a lot of money in cash and he wished to deposit all the cash in a certain bank for safety and also to earn interest. **You must know and understand that unless he opens an account first with the financial Banking body which he wishes and intends to invest in, then you notice that he cannot deposit even a single cent of his wealth with the bank.**

And even if he walks in his stubbornness and ignorance to the banking hall and without opening an account first, he fills the banking in slips ready to deposit his cash, there will still be missing some vital information. There must be proper identification on areas like the account title and account number before depositing. These are very important and vital information in banking for the bank computers must be fed with such information before one starts his operation either to bank or to withdraw from the account of such a person.

But think of a person who fills the banking in slips and attaches all the cash he has to the banking slips and without filling in those vital information, he drops the cash in a box in the banking hall; and walks away very first and continues to

live his own life as usual.

If there is any way in which the bank can contact Him, may be they can call him to come and collect his cash if bankers in the bank are honest. But if there is no way this man can be conducted, then he must count all his huge amount of money lost due to his ignorance, mis- information and foolishness!

What am I trying to tell you my dear friend? **I am reminding you that you must make sure that you have opened an account with our God in heaven by becoming one of his children (be a child of God) by been born to Him through accepting doubtlessly that Jesus Christ died for you that you may have eternal life and have it abundantly.**

That through the death of Jesus Christ all your sins were forgiven and that your account and residence for eternity were supernaturally transferred from the kingdom of satan in hell to the kingdom of God Almighty in heaven. That after accepting Jesus Christ as your Lord, you must completely and once and for all disconnect yourself from all acts of evil and live the lifestyle of

Jesus Christ. This is why we believers are called Christians. Meaning followers of Jesus Christ. We must imitate Jesus Christ lifestyle in all areas and in all ways. It is for the same reason why the word of God says “ we must imitate God’

Ephesians 5:1

Therefore be imitators of God as beloved children

Ephesians 5:2

And walk in love, just as Christ also loved us and gave Himself up for us, an offering and sacrifice to God as a fragrant aroma.

In Luke 6:36 Jesus said and tap His word from His own lips “Be merciful, just as your Father is merciful”

These make it very clear to us as believers as Christians and as followers of Jesus Christ, we must be true followers not just followers by names or by mention. Anybody can confess “ I am saved” These are not difficult hard words for one to claim but whom do you really worship? True God or Satan, the king of this world.

Luke 6:43 -45

Jesus Christ Himself says. For there is no good tree which produces bad fruit; nor, on the other hand a bad tree which produces good fruit.

V44

For each tree is known by its own fruit for men do not gather figs from thorns, nor do they pick grapes from a briar bush.

V45

“The good man out of the good treasure of his heart brings forth what

is good; and the evil man out of the evil treasure brings forth what is evil, for his mouth speaks from that which fills his heart. Therefore my friend it is up to you to decide whether to serve and worship God Almighty in truth and in spirit or to remain a pretender,. But remember the day is coming when everything will be displayed in broad daylight. Your actions will reveal you and make you known to everyone whom you actually is. The fruits that you bear would actually mean your actions and your way of living in your daily life. You still have another chance and time to think.

“ Whom do you glorify?” God or satan?

Jesus is saying to you now:- It is not just, enough to be..... not just enough to be..... not just enough to be.....

" BUT YOU MUST ACT ON THE WORD OF GOD!!!!

It has been a shame to some of the believers as the Lord has revealed it to me that they have ashamed the name of our Lords. They have soiled the name of our Almighty God and the world has remained wondering what kind of a Christian one is. What makes you unable to decide properly on whom to serve. Choose well my dear friend.

It is a big shame to such kind of believers, who have ashamed the name and the kingdom of the true living God. But receive the caution please, “That a day is coming when you will pay for all these! It is therefore better for you to pay attention to the word of God and serve Him God Almighty alone.

Remember also that we have been commanded to be doers of the word and not merely hearers of the word. As devoted Christians we must be doers and actors of the word of God and not only hearers. We hearers of the word of God, we preach the word but do we act according to the word of God.?

James 1:22

But prove yourselves doers of the word, and not merely hearers who delude themselves.

We are therefore commanded to hear and after hearing, take a second step and do exactly what the word of God command us to do.

But it would not just be enough to hear the word only, but we are supposed to take a step forward and act on the word.

Romans 2:13

For not the hearers of the law are just before God, but the doers of the law will be justified.

Mathew 7:21

Not everyone who says to me, Lord, Lord will enter the kingdom of heaven, but he who does the will of My Father who is in heaven.

Luke 6:46 -49

“ And why do you call Me, Lord, Lord, and do not what I say?”

Verse 47

“ Everyone who comes to me, and hears My words and acts upon them, I will show you whom he is like.

Verse 48

He is like a man building a house, which dug deep and laid a foundation upon the rock; and when a flood rose, the torrent burst against that house and could not shake it, because it had been well built

Verse 49

“But the one who has heard, and has not acted accordingly is like a man who built a house upon the ground without any foundation; and the torrent burst against it and immediately it collapsed, and the ruin of that house was great”

Even now, Jesus Christ is asking you, why do you claim to be His yet you are very sure that you are a sinner. Sinners have filled the worship centres and they have even gone preaching the gospel of Jesus Christ yet they are using that as a cover up so that they can do all kinds of evils under the cover and shadow of Christianity “Shame on you if you are one of those who are in this category of believers: This alone cannot help you in any way but will only add on yourself curses from God Almighty. You have only forgotten that the Day of Judgment is coming and indeed it is very near my dear friend. Watch out and choose to change to save your life. This may be your last opportunity of a reminder.

My dear friend may I kindly request you to please remember these:

1 John 3:7-10

Verse 7

Little children, let no one deceive you, the one who practices righteousness is righteous just as He is righteous.

Verse 8

The one who practices sin is of the devil; for the devil has sinned from the beginning. The son of God appeared for this purpose, that He might destroy the works of the devil.

Verse 9

No one who is born of God practices sin, because His seed abides in Him; and he can not sin, because he is born of God.

Verse 10

By this the children of God and the children of the devil are obvious: anyone who does not practice righteousness is not of God, nor the one who does not love his brother.

My dear friend, the scriptures above which is the word of God, have made it

very clear that even if you are holding whatever post or you are in whatever position in the church of God, as long as you are doing some evil in secret, you still remain a sinner hence a child of the devil. For at the same time it has been made very clear that those who have been born of God practice no evil AT ANY COST and FOR WHATEVER REASON. NAME IT. They are supposed to live a righteous life as He Himself is righteous. Those words will help you to know better who you are and what kind of person you are.

But as it is for me now my friend, I would just pray for you that the Lord your God may open your mind so that you can understand His scriptures and that He may interpret for you what the scripture really means to you and I can not and never forget to pray for you my dear friend that my God Almighty may rain on you the rain of His own Spiritual wisdom so that as you go through this book, you may understand truly that we are at the time of end and at any moment the church of Jesus Christ will soon disappear from the face of the earth.

May you also please kneel down now and request our Heavenly Father to make you what this above statement means in your life. Don't find it heard , just kneel down and with a clean and honest heart request our heavenly Father and I can assure you that you may not remain the same again. Please don't be stubborn to the voice of the living Almighty God. Just pray and you will come to understand that it is not just enough to.....but more is required.

Yes , it is not just enough; more is required of you. I mean you need to take a step further towards God and my assurance is that you will notice the definite difference in your life. Praise the name of the True Living God. Amen

Conclusion

Why would God not respond or answer

Whatever happens in your life today, all it depends on you. God made it very clear to Me, "My people do not know Me and understand Me. They do not know how to ask from Me. They don't know how to pray to Me. If they knew Me, they would humble themselves and they would listen to My teachings and commandments. If My people knew Me well, they would ask for My own wisdom and they would know how to glorify Me. Most of them have taken My honour and seek to be glorified instead of allowing all the glory to come to Me. These people do not know how to pray and ask from Me. When they start talking to Me in the name of prayer, they only complain.

They must learn and know how to make their requests. I am always available for them. In fact most of them just hear of my name. They actually do not know Me. If they did, then they will know how to worship Me truly. When they will seek Me, they will see Me. When they will see Me, they will know me well. I am their

God and I know everyone well. Where is their faith. They have no confidence in Me. They do not trust Me. If they cannot trust Me, whom will they then trust. They are used to the easy going with the devil. Devils things and ways are cheap and easily gotten but it must be remembered and marked well, that they never last for long. They easily disappear as they were easily achieved. Not forgetting that nothing is given by satan for free. You must pay for everything you receive from satan.

My blessings, when I release them to anyone, they come to last forever. No one can take them away from you. They do not just come to anyone, but to those who have taken their time, and requested for them, before . I release them to anyone they do not just come. You must convince Me as to why I should release my blessings upon you. Some of you just forget Me immediately the rain of blessings start to shower!! Then I stop them immediately before the connected life gets destroyed. I know you very well. There is no way which you can fool Me.

“I Am your God and your creator .How can you imagine of fooling your own creator. The one whom before I had laid the foundations of the earth had known you from the beginning to the end of your life. **When things prove hard and impossible in your life, Know that I am still watching.** Even when I am withholding the blessings know that I still love you. My love is always there for you. I keep on watching, expecting you to understand the mistakes you made and repent and have your sins forgiven. They must know and it must be well understood, that I will only listen to the prayers of clean and pure hearts. Those who have given themselves to serve Me truly will listen to Me and they will obey me as their Heavenly Father

When you do not hear from Me then you must know there is a communication barrier. I am not to blame and I will never be blamed for anything but the individual Christian is the one to blame himself for their own mistakes. Do not come to Me complaining. Examine your life first before you complain and argue foolishly. Yes, we are the ones who stir the trouble ourselves”.

Why the world population will perish with AIDS.

As I said earlier, Satan among other demonic spirits, has sent the demonic desire for sexual and lustful spirits to intimidate almost everyone in the whole world. When we were with the Lord Jesus Christ on the journey, He assured me that these demons counted the top number one in the whole world. Many people may not notice it because they would argue that it is normal for someone of the opposite sex to admire the other for a sexual satisfaction. But this is not the case with today's life. Although one can even get the disease through other ways, mostly it would be through sexual intercourse between a man and a woman or

even through homosexual or even through lesbian practices. Yes, immorality has ruled the entire world and so evil today.

Let me make it known to those who are not even aware, that Satan has today sent to the world beautiful Ladies from his kingdom to deal with men of this generation properly. When these demonic women look at you in the eyes, they send some manipulation of demonic spirits and straight away you will start to admire her for no well defined reason. The whole world is crying because of the thousands of people who are dying daily because of this disease. But it must be remembered that the dominant cases are even the more

People cannot control themselves, Can you please say why humanity is unable to control themselves today? It is not that they don't want to run away from unsafe sex but it has proved impossible. The devil is fully determined and he has even thousands and thousands of agents who are supposed to spread the disease and infect as many people as it will prove possible, "**We must clear most of those population so that most of who are sinners will never change their hearts and repent**" It must be known that the devil is prepared to clear all humanity that they may die while in sin. **It is a total battle between the light and darkness. Real battle between Jesus Christ and Satan. Real battle between the holy spirit and the evil spirits.** But remember our battle cannot be won by using our own power or knowledge but through the Supernatural power of the Almighty God.

The devil wants almost everybody including the body of Jesus Christ to accompany Satan to hell. Tell Satan that this is an impossible dream which will never achieve Amen. We must then take our time in consulting the Almighty God in the way to go forward. Unless we allow God to fill us with His Spirit and wisdom then we will be fighting a losing battle. Which must not be the case. We must truly hide in Him, our Almighty God so that He can enable us to conquer Satan and his evil endeavour. To make the matter worse, there has not been discovered a scientific medicine which can cure this disease.

The only true medicine and vaccine for Aids available today.

On the month of December 10th 1999, sometimes at around 10:00 in the morning. I was in deep prayer and high in the Spirit. As I was petitioning to the Almighty God, I heard Him speak to me in the Spirit so powerfully. He made to me a promise with a confirmation that He, God is and has been and will be forever be able to heal whatever kind of sickness and He was specific when He mentioned " even the famous incurable AIDS"

“ I will heal every kind of sickness, situation and whatever circumstances of life. I am able and ready to do it. Even whatever kind of request you will put to Me in prayer, I will always answer it and I will solve it and that it will never be a burden on one’s life. “ My son, My Yoke is light and easy to bear. My people are suffering there on earth because they have ignored Me. They have refused Me. They have chosen to serve satan the king and prince of darkness. He has cheated and deceived most of them that he will give them this and the other. My son, I have just been watching everything they do. They complain and why should they keep on crying? Why should they expect Me to rescue them yet they have forgotten Me? I am their creator. I still love them. But remember they have abandoned Me and dumped Me. When they reach the point of death and when situations become unbearable is when they try to think whether there could be any other alternative. And even to the majority, they still put their faith even in the father of lies, satan, not even been able to remember that he is the one who is tormenting them. I the God I Am full of love and mercy. I visit them every now and then but they have refused to change. That is why there is yet no sign of any change for the better.

A loud cry on the entire world and they are just testing it. Time is coming when every ear and eye that will hear and see my wrath will never believe it. I being their God cannot force them to change .They have a free will to choose to return to me their God and or continue in their evil ways. But then time is coming and I can assure you that it is not far from now. It is indeed very near. Just watch. When my wrath will descend on them

As it is for you Japheth, move fast and send the signal of warning. If they do not change, it is up to them Remember yours is to speak the word which I have sent you with. Make sure that all you have heard is preached. You must move fast. Do not delay for there is no much time remaining. When no one is sure of what is happening so shall the day come and will come like a thief, you already know that but those who are wise and righteous will know and understand the times properly! Remember your duty is to speak to all. Send the word forth the soonest and move very fast.

I Thessalonians 5.2

For yourselves know perfectly that the day of the Lord so cometh as a thief in the night

But then, My son, if there be someone who wants to get my healing, it is always available. Whoever will turn to me with all his heart with confessions crying, mourning, fasting and repentance. I, God Almighty will turn my face and face him. I will see him and I will definitely and truly deliver him immediately. **But he**

must make a true repentance .

He must confess and declare that he has abandoned and divorced satan once and forever and he must put all his energy in searching my face.

When he will have repented every kind of sin , all evil and wickedness, they will hear My voice and see My face. This is for sure and real for there is no one who will turn to Me truly that I will not speak to. These are the last days. They will experience Me like never before. Remember son, we are doing the final touches. Time is out son. Blow the trumpet that they may not have the excuse that they were caught unaware . Just play your part son move fast and do not delay. We all agree that as at now, AIDS has no scientific cure. But many have been healed by the miraculous power of God. Why can't you turn to Him and put all your faith and hope in Him and see whether He will not heal your sickness instantly! He is formula to total deliverance from all evils sickness and the yoke of Satan, These scriptures below will help you and assist you to build your faith as you fast within your fourteen days period.

V 26. Review the past for me, let us argue the matter together; state the case for your innocence.

Jeremiah 11:11

Therefore this is what the Lord says: I will bring on them a disaster they cannot escape . Although they cry out to me, I will not listen to them

Jeremiah 1:14

V 14: Do not offer any plea or petition for them, because I will not listen when they call to me in the time of their distress.

Jeremiah 13: 10

stubbornness of their hearts and go after other gods to serve and worship them, will be like this belt – completely useless.

Psalms 51:7,11,12

v.7 Cleanse me with hyssop, and I shall be clean, wash me, and I shall be whiter than snow.

V 10 Create in me a pure heart, o God ,and renew a steadfast spirit within me.

V11 Do not cast me from your presence or take your holy spirit from me.

V12. Restore to me the joy of your salvation and grand me a willing spirit, to sustain me

Zachariah 7:13

V13 “ When I called, they did not listen ; so when they called, I would not listen says the Lord Almighty.

All the way through you will realize that although people have always offended and annoyed God their Creator, He has always pleaded and urged man to come back to Him and has promised always that He will restore man to Himself. God, through the above scripture, has repeatedly asked man to turn to God for everything he needs. God has always asked man to cry to Him for help, healing and even salvation. You would also realize that if we practice double standards with God, the world will keep on mocking God, the word of God and salvation and so we can not reap the full benefits of salvation due to our hypocrisy and luke wormness in our lives. The devil makes sure that the world knows most of the hypocrites, so that the name of God may be defamed through us and they must be assured of a price to pay for it. Watch out friend and not let this to happen through you.

Such questions like "where is your God, where is His mighty power that you people have always preached and why cannot He fulfill His word and promises, have rocked the atmosphere. It is now up to you to confess and repent to God truly so that He can prove His unchanging word to the world. This you must never forget, that our help comes from our God not anywhere else. So even if you will hide yourself to search for help of whatever kind from any other source, you will never find it. And incase you may be deceived that there is anywhere else, I can assure you that whatever you will get will be a false one.

The word of God is truthful and everything that is true and real must always come from Him but not anywhere else. Any other source of help will lead you to lies and massive deception and destruction in the nearest future. Trust in God only! Jesus Christ died so that we may have life and have it to the full.

John 10:10

A thief comes only to steal, and kill and destroy; I have come so that they may have life and have it in abundance.

The thief, who is Satan, will secretly steal your mind, heart and even your personal property. After stealing them, he then proceeds to destroy them completely. If you do not realize immediately and cry to God to deliver you. Now he has destroyed your mind, heart, the body and even generally your life. He then moves swiftly to kill you physically or even in the spirit so that you may not come back to your senses and repent your sins and be restored to God. This is why I am kindly, as a dear friend, requesting you to turn to God when there is time and at a time when God Himself can be found.

This is not hard or difficult at all. Remember these words in (1 Peter 2:24 above) “that by His wounds we have been healed” Jesus Christ suffered and died on the cross so that we may no longer suffer in the evil hands of the enemy- Satan. So it is time you turn to God- He desires to rescue you from the hands of Satan. But remember and understand that God says that if you will hide your sins in your heart and not repent and confess them, even if you called the whole world to pray for you He will not turn His face to you however you will remain in the prayer.

May I remind you that “the prayer of a righteous man is powerful and effective” make sure that you achieve the righteousness and purity of God first before you kneel down and start presenting and petitioning your case to Him. God says My eyes are always on the righteous and my ears are attentive to hear their cry “that I may help and rescue them.

Psalms 33:18

Behold, the eye of the Lord is upon them that fear Him, upon them that hope in his mercy.

But remember also that God is always against those who are evil and He has even declared to cut off their memory from the earth. Why should you wait until the time when God becomes totally fed up with you and cut your life short when you are still a sinner?

Do not you know that God miraculously protects those who obey Him and maintains their righteousness and purity within their lives forever. Why cannot you sign a covenant with God now and be one of those? It is not hard. It is very easy through Jesus Christ. Remember and mark this very well my friend “that even if your sins are as many as you cannot number them and even if they are as terrible as surely as no one would want to listen to them, God

Almighty has promised and vowed to wash you to be one of the cleanest and to shine whitest, purest and spotless and has made the promise to restore you

to Himself. But only after turning to Him and repenting . Come to Him now. Do not wait or delay! Amen.

If you will turn deaf ears to God and remain stubborn in your heart, He will at last bring judgement to you that you will not be able to escape. The only solution is to turn to Him and give yourself totally to Him and so shall you find in Him eternal peace and His love and His mercies will rain on you. Now is the only opportune time which you surely have to turn to Him now Amen.

Yes, can you make these testimonies to you.

Psalms 66: 16-20

V 16: Come and listen, all you who fear God let me tell you what He has done for me.

V 17: I cried out to Him with my mouth ,His praise was on my tongue.

V 18. If I had cherished sin in my heart.

The Lord would not have listened

V 19 But God has surely listened and heard my voice in prayer

V 20. Praise be to God, who has not rejected my prayer or withheld His love from me.

What a wonderful testimony, can you pray to Almighty God and trust hoping in Him that at the end of the day you give such a testimony. Given from your own heart but not your lips, emanating from the bottom of your heart. For God's will is to raise you to the highest level that the enemy by the name satan , his angels and agents can not reach you. That they cannot even harm you at whatever circumstances of the times as the word of promise stands in

Luke 10:19

“ I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy ; nothing will harm you”

These words , I am getting them directly from the lips of our Lord Jesus Christ This is a solemn promise from God Himself , that the power of the enemy satan and all his attacks will be under your feet. There is no time he will harm you. You only need to fulfill your duty as a child of the most High God, that you will always keep God's command and trust and hope on Him only.

And whatever happens in your life, you just see Jesus Christ only and Him alone. This is the only time you will know the true power and authority of the name Jesus Christ.

But before or unless you grow up to the standards that which God is asking for, you cannot attain this. So you search the Lord , Almighty God and you will be one of those children of God whom He has highly favored praise the Lord and may God bless you. Amen

The formula to total deliverance from all evil, sickness and the yoke of satan

God declared to me, if any one would want to be delivered fully either from these incurable disease and even if they want to be delivered fully from the yoke of satan. Let them follow this procedure. I will be watching from heaven and I will be able to defferentiate between the true and faithful and the jokers. I will assure you my son , if someone will repent fully and confess everything I will restore him to Me and his health will return to him. Even if it is what, whatever situation and problem is, whatever difficulty and hardship , I will surely and truly deliver him fully But if, someone will come without faith in Me God and without the hundred percent assurance that he will receive , then he need not to waste his time because I will not listen to him. Whoever wants to get total deliverance must be hundred percent sure of what he is doing and what he is asking for and to whom he will be asking from. **I am a God who never changes My Word and Promises stand forever and ever Amen.**

Seven days of wailing, crying, mourning, fasting, confessing and repentance.

God declared to me, seven days have been decreed for those who have really suffered in the yoke of Satan to search their heart, mind and life in general fully. During the first seven days you are only supposed to cry mourn, fast and repent. You are not supposed to ask for any healing or deliverance of whatever kind you may be having. So you only cry to God and mourn for your life, fast and repent all sins and evils, wickedness that you know and those which you do not know Remember to list all of them as much as you can remember and then give God

Almighty through the power of the Holy Spirit to search your heart and life fully and totally and then also record whatever sin or evil that He will pin point to you. As you continue for seven days, I can assure you that God will make it known to you any kind of sin that you have done in your life and He will be ready to forgive you if you will truly repent and confess them. As you record all kinds of sins and evils.

You are supposed to repent and confess them one by one throughout the seven days period. Everyday you will be repenting all of them and be sure of what you will be doing . As you continue during the seven days period, focus your eyes on Jesus Christ who died for you. Just know that there is Jesus Christ and only Him must you see. Just know that there is Jesus Christ who died for you and He is ready at all times to deliver you completely and permanently from the hands of satan. As you walk, as you sit even as you look in the sky, just see

the name Jesus Christ written all over around you. You must then also see Him controlling your whole life from that moment and forever and for eternity. Remember these scripture as you go through your seven days of total repentance

Psalms 42:1-3

Psalms 139:1

Psalms 80:4,5

As you go through these scripture and within the seven days, I would suggest to you that you remain in doors. In case you must be out of the house, may be go to work in your office or may be do business, I would kindly request you to apply for seven days off duty and concentrate on this deliverance programme fully for your best results. You need not to be disturbed by any thing or by any means whatsoever . It must be you and your God. Pray and ask for some days off duty.

Seven days of fasting, prayer and petitioning for healing to your God.

Mark 7:27

“ First let the children eat all they want” He told her “For it is not right to take the children’s bread and toss it to their dogs.

After the first seven days of repentance, you are supposed to undergo a period of seven other days again. This time you are supposed to present to Him all the sickness, and every kind of burden and problems which the devil the prince of darkness has yoked you with. But then you must know and understand the standing fact and truth of God that will never be changed that healing is only for those who have been born to Him but not everybody who have been created by Him. This is why actually Jesus Christ told the syro-phoenician woman that “ you cannot take children bread and toss it to their dogs.

Jesus Christ meant that healing at that very time was only for the Jews. Assuming and believing that you have confessed and repented all your sins and evils during the first seven days truly and put all your faith in Jesus Christ. I would kindly in the name of Jesus Christ request you to pray from the bottom of your heart the prayer below.”Lord Jesus , I come to you now. I sincerely and truly open my heart for you to enter. Lord Jesus enter now in my heart and be the sole ruler and controller of my entire life. Please my heavenly Father, record my name in the book of life and cancel it (my name) from the book of death. Deliver me from the hands and all evils of satan and sanctify, purify, wash and cleanse me with your blood that was shed on the cross for my life and my sins.

Thank you Jesus for your gift of salvation and thank you Lord for delivering me

from the Yoke of satan. I sign now a covenant with you my God. I promise to worship you and serve you only and alone for the rest of my entire life. I promise to you O lord that I will worship you in truth and in Spirit with all my heart, and with all my mind and with all my soul. Help me O Lord . I have abandoned satan and I promise to remain faithful to you my God for total loyalty , faith and I promise to hope in you and put all my trust in you, O Lord my God protect and seal me with your power of the blood of the lamb. Please my God , fill me with your Spirit so that He may guide and lead me in my Christian life in this world forever and ever.

For in the name of Jesus Christ I pray believing and trusting Amen. Hallelujah Amen.”

Now, after praying this prayer and with a sincere heart and sober mind and also after believing and trusting in Jesus Christ for His salvation and total deliverance , you can now claim joyfully to be a child of God. There will be total joy in heaven. You now have the authority to request from your Heavenly Father through Jesus Christ everything that you would want the God of unconditional love and mercies to provide for you.

So now for the next seven days, you are supposed to fast, pray and petition for all your needs you want God to do for you. Be it healing of whatever kind of sickness or anything , just record them and list them and read them to God everything for the next seven days Remember He knows you and your heart. Any moment you will doubt, just call on the name of Jesus Christ and continue to pray and pray. I think now you can understand that there is a procedure which is being followed. So these seven days will be for presenting to your maker all that has troubled you may be for a couple of years of your life or may be they are things you want Him to do for you and go to Him with a sober mind with all

the faith, hope and trust in Him and He will do everything for you according to His own promises. You only need to be clean and worth to be called by His name. In the case where you do not get His answer or response or you do not hear His voice communicating to you then you must turn to Him immediately and request Him to search your heart and show you where you have gone wrong. Remember and mark this for the rest of your life “ that it is only you who can make God not to bless you or heal you or to answer any of your prayers because He Himself is faithful and will remain faithful to you forever as long as you will keep and act upon His word and commandments. Say Amen.

This is why I said from the beginning that unless you are hundred percent sure that He will do it for you. In case there are any doubts in your heart, then do not start the programme because He will not answer to people who are double

mindful or those who are not fully trusting on Him. The choice is yours for the rest of your life. Your entire future life depends entirely on you. Shape and mold it the way you want it to be. Amen.

Remember you need not even to have someone to keep on praying for you. You only need to build enough faith, big faith, faith that is bigger and larger than all your problems and difficulties combined all together and you will conquer all of them.

Mathew 17:20

Verse 20

And Jesus said unto them, Because of your unbelief for verily I say unto you, if ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove, and nothing shall be impossible unto you.

As long as you are clean in the eyes of God you have the ability to access and penetrate the doors and gates of heaven and put your case in front of God for your self. I am not saying that you should not be prayed for, I am assuring you that it is only your own faith that will deliver and rescue you from all these you are suffering from and also remember it is your own faith that will convince God what you are requesting for. So without this size of faith, I mean faith that is bigger than your request and petitions, I can assure you that you cannot receive anything. My dear friend, make sure that you build your faith to that level whereby you can only see Jesus Christ and nothing else and then it will all come to pass. These are the instructions which were given to me to pass them over to everybody who are already in the body of Jesus Christ and those who will become part of the body in the future. God Almighty is good! Give praise to Him Amen. As I had put through in the first set of the seven day on repentance, you are also supposed to close yourself indoors if it is possible and ensure that for the seven days of prayer and petitioning to God, you have segregated yourself from the rest of the world. For seven days seek to avail yourself indoors and let it be your God, you and your request. Keep a very low profile and ask The Almighty God to lead and guide you through the Holy spirit.

But in case it may be completely impossible during the time of these special prayers to remain indoors, then you can always ask God to lead you and guide you in whatever circumstances and situation you will be in and ensure that the programme goes on as I have explained above. You can still make it in whatever condition because it all depends on you and how much you have given yourself to the Lord, Your God. After the seven days of request from God are over, you will have spent a total of 14 days in prayer in search of God's love and mercies.

Something very important will have happened to you at the end of the fourteenth day (14th day). You will have grown Spiritually to some level above or higher than where you were the time you started. Now, listen carefully and be very obedient in Jesus name. The Almighty God who is Our Heavenly Father told me to tell everybody that you are not supposed to come down or drop even by an inch from the level God will have taken you during these fourteen days. You can search God to take you even higher and higher but not to relax and grow weaker in the Spirit.

The higher you climb through the power of the Living God, the better. The evil one will be annoyed with you the more you climb the ladder in faithfulness honesty and purity. You must therefore be very alert on every move that you take so that you may not slide and fall because this will mean a big blow to the kingdom of God and to the benefit of the Kingdom of darkness.

God said to me "There may not be enough time for those who will grow weaker to climb to the level where they will have reached during the fourteen days of repentance and request for their needs. Let all of them know that they can only search Me day and night, so that they can be purified and refined every moment to be worth and pleasing in My eyes. They must seek to be washed cleaner and cleaner until they will be completely spotless. This is what I, their God. I am asking of them .They must reach the standards that I, their God and Creator requires of them. It is not hard to achieve but they must be ready and prepared to search my face. This is My will for the entire nations of the world but it takes one's faith and devotion to see my face. Once you are prepared for it, I will be ready to empower and strengthen you. My son, let them know and understand this.

After the fourteen days let no one think or imagine about sin, touch sin, remember sin even, let them forget about all the evil that they have done. They must not even be delighted in seeing people involved in sin. They must completely hate sin and the pleasure of the world so as to please Me. Remember not for them even to do the sin, but to even they should not watch and see the world enjoying in the deception of sin and evil.

They must detach themselves completely and the ideas of evil, however small it may seem to be, it must be completely forgotten and disconnect yourselves from them. That is what God is asking of every believer who will go through the repentance programme and any other true believer. I always use the word true because many are those who have claimed to be belonging to the Lord yet they are on the other side of the evil one.

After going through all these and with all your faith and hope focused on Jesus Christ, then you will be able to tell the rest of the world that it has been con-

firmed in your life not through being told by anybody but practically happening to your life and body that Jesus Christ is the only true medicine and vaccine for every disease on the entire world that man has suffered from and even through the way the yoke of Satan will be broken in your life from the fifteenth day. Amen and Amen. Glory be to God.

You will start to live quite a different kind of life until everybody who knew you before you engaged yourself on the repentance programme will not be able to actually believe you are actually the one but through your testimony of what the Almighty Heavenly Father will have done for you their own testimony also about you will prove it that Jesus Christ is He and there is a definite and touchable difference between the child of God. Many people do not know the difference but they will have to know the difference as you give them your experience of your life both before and after you became a true child of God. Amen, Do not wait or start thinking and weighing about the repentance programme and requests programme, it was set by the Almighty Heavenly Father with a divine purpose.

Go there now and start it and trust God Almighty for successful completions; This I , request every believer to partake for it was very well confirmed to me about the impact it will have to the kingdom of darkness and satan will loose heavily. Trust and believe in God Almighty for the best and for everything you would require as a human being on this world and you will never be ashamed for He is faithful to you always and forever more. God bless you and guide you as you prepare to start the fourteen days journey in search of Gods face His love and his wonderful mercies. Amen. Now, remember this, that when the knowledge and hope of man is completely defeated, and so does God intervene and start there. When you have no hope or any cure, so will God heal you, All the doctors and physicians have declared you a death case, so will you now see the hand of God. But remember, only when you turn to God fully and truly with all your hope and faith on Him alone. So now, who is the true medicine and vaccine for every incurable and chronic diseases, problems and difficulties? Jesus Christ is He. Only Jesus Turn to Him now and not later! Say Amen and amen praise be to God.

For you to get hundred percent results, and that you may not claim to have not the best results of your expectations, and so that you may not be ashamed at any moment, make sure you will be truly turning to God for real and true business but not by the way if you are out to do trials with God, then I am sorry; God has no room and time for such kind people or believers. Once you decide to turn to God for any reason, then you must devote yourself fully and totally to Him and I can assure you that you will never be ashamed for having chosen to turn to God and you will never regret for the rest of your life in your

future life. Can you say a word of Amen to God.

JESUS CHRIST COMMANDS SATAN

Allow me to give you one hidden secret which annoys satan even up to this minute and which Jesus Christ. Himself keeps on reminding me every minutes. When Jesus Christ commanded satan to show us how he satan works, he never complained, he never said a word , he never hesitated and he never wasted even a second. He acted instantly without even a word.

WHAT DOES THIS TEACH YOU AS A TRUE CHRISTIAN AND A FOLLOWER OF JESUS CHRIST.

This teaches you that the power that Jesus Christ used to make satan to obey Him instantly is the same power and authority which He has given to the true Christians to operate with.

Never undermine yourself. When it comes to the power of darkness, through the power and authority given to you by Jesus Christ, you are able to crush them all at once in His name. Something I have witnessed Him do, through me. I am talking of what I have seen Him do what I have heard, say hallelujah Amen

PART THREE

THE REVELATION OF THE RAPTURE

OPENING WORD

When I was around 7 years of age way back around the year 1974, God came to me in the spirit and spoke to me and told me to take a Bible and read in the Gospel according to St. John

He took me to the chapters where Jesus Christ was arrested and handed over to the authorities. It was sometimes around 3:00 p.m during the day and I read the scriptures up to the sunset. This was the time which God had purposed to introduce Himself to me because at that time I did not know Him. As I read this scriptures, tears rolled my cheeks as I noticed how Jesus Christ suffered until death because of the very divine purpose which was to save me and you from the eternal suffering in hell with Satan. Frankly speaking hell was built for satan and his angels but not for mankind.

It is now high time you assessed and re-assessed yourself and life in general and

make the final decisions when there is still some light in the world for the day of darkness is coming when you will run up and down all over the world and I can assure you that there will be none to assist you make a decision worth living and of any importance for your life and future destiny. Now is the hour and time! Remember I have just not said today but now! I mean now. Yes; at once. For there is no much time remaining. So waste no time please.

Oh yes, please decide now. Choose eternal life with Jesus Christ and abandon Satan immediately. May God bless you and may the power of the Holy Spirit guide you and mysteriously and Supernaturally minister and manifest to your life as you decide to make this very important and very vital decision of your life in your life history on the planet earth. Amen.

YOU MUST TRUST JESUS CHRIST ONLY

Before Jesus Christ healed somebody , most of the time He would ask somebody what he wanted Jesus Christ to do for Him, What do you want Me to do for you” Jesus Christ would ask.

And upon realizing the faith they had in Him, Jesus Christ would heal them instantly. Remember the story of the woman who had the issue of blood bleeding who had suffered for 12 years. The scripture tells us that she had spent all that she had on medication and there was found no doctor who could heal her . But when she heard what Jesus Christ was doing and how people were being healed by Him, she declared to herself that she did not even need to tell Jesus Christ about her sickness but touching His clothes was enough to heal her. Her last and final hope was the presence of Jesus Christ. Her faith had grown to a very high degree. In fact she was the only exception of the times of Jesus Christ. Imagine she declared in her heart, “ It is enough to touch His clothes only and my twelve years of suffering will come to a dead end she declared in her herself. This is the kind of the faith that we all need today and now.

Luke 8:43 -48

From the above scriptures, Jesus Christ made it very clear that to receive from Him, It all depended on your own faith . Look at the way the woman declared in the presence of all the people how she had suffered and how she got healed instantly . My dear friend, never complain on the promises of God and His blessings. It all depends on yourself. This woman reaped the full benefit of her faith. She was healed instantly even without telling Jesus Christ first. Once you declared that your problems can ONLY be dealt with by Jesus Christ, that’s all. Never from that moment be tempted to look aside, backwards or even side ways; just look at Jesus Christ on the face . Amen and with total confidence.

(i)Jesus Christ speaks from Heaven - Scene One

In that same day which God gave to me the scripture to read of which I do not remember reading the Bible during my young ages before that day and after same day. God came to me again during the night while I was asleep, in a dream. And showed to me a series of three visions. God made to me revelation of the rapture of the body of Jesus Christ in the three scenes that same night.

He demonstrated and illustrated everything so clearly so that in the proper and the appointed time, I would also make everything known to the entire world. Please read carefully and understand each and every part of the whole revelation. In the first scene, I was transformed and carried to Heaven in spirit. I was then led to settle somewhere within the universe . I am saying I was settled somewhere in the universe because everything was happening some distance above me. While I settled there , I heard a voice speaking from above. The voice said the following words, “ Hurry the completion and finishing of the construction work, for I AM about to go to the earth and pick my church”

When I heard this voice, I looked up and saw the one who spoke. He was standing looking to the earth and immediately it was revealed to me in the Spirit that the one who spoke was the son of God and the savior of mankind Jesus Christ . I stared at Him and He in return kept on staring at me. There were no more words at this time..

ii) Houses under construction

As He very clearly stated in the book of John 14:1-3 that Jesus went to prepare a place for us , I saw the construction of some houses. When I looked at them, they were actually on the finishing level. Most of them were on the roofing level. These houses were almost through. One thing that I can not forget is that the houses were constructed with either bricks or blocks. Jesus did not show me the houses which might have been built with mud and grass and that is IF or Incase there might be any of that sort. The houses I saw were very strong , beautiful and attractive to live in. They looked wonderful. I saw people or (angels) who were very busy at the construction site . In fact these are the people whom Jesus Christ was addressing when He spoke.

iii) WHY JESUS SHOWED TO ME THE BEAUTIFUL HOUSES

Many a times people have talked of different types of houses in Heaven. But God chose to show to me the beautiful ones so that we can encourage one another to put more efforts and serve God well knowing that in due cause and in the proper appointed time. He will come for us and take us to that beautiful place which He has promised to have gone to prepare for us.

The mansions are real, for the promises of God are real just as He is real. Yes, I

saw them and they are truly beautiful. Take the challenge and live for God and make sure that when that moment comes you will inherit the one which belongs to you. My own prayer for you now and through out my life is that you serve God well and obey His command so that you can receive through your hard work the best of the mansions in Heaven. Yes, the gold coated ones.

Remember this is not hard or difficult to achieve but you only need to pray to God to teach you how you can serve and worship Him to your best so that you can also In return receive the best reward from Him. Jesus Christ says in

Revelation 22:12,13

“Look I am coming quickly and my reward is with me to repay each person according to what he has done”

V 13

I am Alpha and Omega, the beginning and the end, the first and the last.

iv) My actual age according to scene one

As I had said earlier in the beginning of scene one, I was still young so I was brought again in the spirit to the earth and looked at my physical body. My physical appearance was in agreement with my real age. In fact God took my spiritual eyes to look at myself so that I could be truly sure of myself and my actual age.

REAL AND ACTUAL BODY, SIZE AND EVEN MY HEIGHT.

I was as old and as big as my years. A young small boy of that approximated age of 7 years. Was my age very important to note? Yes, according to the way God had planned and purposed for my future , it was very important that I take keen note of the physical body age because of God’s divine reasons and purpose . After God ensured that I had mastered clearly my physical body size and age, He drew the curtains for scene one and brought me in the spirit back to earth and to my bed.

The scene one was revealed the exact environment at home and the surrounding area were exactly at my real home. The place where I was born and brought up. It was exactly at my homestead. In fact scene one happened exactly the way my age was and at my exact place where we were living as at the time of the vision of scene one. Everything was naturally the same and accurately.

Revelations 22;12 &14

“Behold I am coming soon ! My Reward is with Me, and I will give to everyone according to what he has done”

Verse 14

Blessed are they that do His commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

So every true member of the body of Jesus Christ must be ready and sure of

themselves and their relationship with God. It will be so shameful for us to work and try to live as Christians while we are not sure whether the reward is guaranteed . We must in actual fact be sure of ourselves. Remember also

Revelation 22:11

“ Let him who does wrong continue to do wrong; let him who is vile continue to be vile; let him who does right continue to do right; and let him who is holy continue to be holy”

According to this scripture, it seems like people have already made their permanent discussions . Jesus says that you must hold on that which you have believed in. I would further encourage you to do what is right for righteousness is the standard unit measure to be drawn to Jesus Christ when the trumpet is blown. You must choose to live a pure kind of life . It is all for your own benefit. Please choose goodness and hate evil.

Are you living a righteous and holy life? Make sure that the evil one will never overcome you whatsoever. You only need to solely rely on the mighty power of the living God and His promises and you will never be ashamed. Live for Jesus Christ ONLY. Live the lifestyle of Jesus Christ. Just pray and search the will of the Almighty God earnestly and He will empower you and see you through This which has been termed as a tough journey. Get and feel encouraged to fight and hold fast His teachings.

It will prove possible all the way through in His name. Amen. Honestly and frankly speaking , these words of Jesus Christ appear to be His final appeal to mankind .Jesus Christ is speaking like He will have no other time to appeal to mankind to repent or even serves Him “ Hold on to what you are” Its very clear that there is no much time remaining. **Jesus has sent His final signal to mankind,** Whatever you have chosen to be; just be that.

Jesus Christ will reward you for these words are founded on the last text in the whole, Bible on the last chapter. What do you understand by these. The last book the last chapter “ this is the ending of the end “ The last of the last.

Please watch out and please ask to God revealed to you His heavenly calendar about the nearest future!!!

SCENE TWO

The Revelation and Demonstration of the Rapture of the Body of Jesus Christ

1)THE SOUND OF TRUMPETS

God came to me again for a second time and took me up again to heaven.

I was as usual settled somewhere in the universe all over a sudden, Later on the night, after God had shown me the construction of the houses in Heaven, I heard a loud sound of trumpets. The sound was from Heaven. When I heard the sound, I looked upwards in Heaven. At the same time, I heard another voice which said very loud“ I AM now going to the earth to take my church” At that moment when you will hear the sound of the trumpets, just lift your eyes and look to heaven and turn your face slowly towards the east and you will see the Messiah resting in a white bright cloud stretching His hands towards the earth.

II). JESUS CHRIST IN THE CLOUD LUKE 21 :27

V27: At that time they will see the son of man coming in a cloud with power and great glory.

As I stared in heaven and of course with my heart full of fear and awe, I saw the Messiah, Jesus Christ, the Head of the Church. He wore a bright face and with a broad smile. On His face He wore a broad smile and great joy. He was in white and bright clothing. The cloud which carried Him was also as white as snow and very pure bright white.

Everything there in the sky was pure white and bright. He then settled somewhere in above and wonderfully stretched His both hands towards the earth as if to give a hag to someone. **One thing that surprised me was that there was no any other warning before this scene except the one spoken in scene one. Please note that you may not get another noticeable warning between now and the time Jesus Christ will rapture the church and I am telling you this not myself but my Lord in the Spirit. Be on high alert and prepare yourself and be ready for Him. On seing the Lord on the cloud above, my heart melted with fear and uncertainty. My body also trembled in awesome. I did not know what to do next.**

Yes, this day came unexpectedly. Nobody was aware of this day according to the way i reasoned at that moment. But although people were not aware of the hour, He had given a signal of warning. Scene one represents His final warning and word of being on the alert so that we can be ready always for His return. Although He declared in (1 Thesa: 5:2) that He will come like a thief, we will know somehow the period around which He may come but we may not know the exact hour of the rapture. Examine carefully also these scriptures
1 Thessalonians 5:4-10

V4 But brothers, you are not in darkness so that this day should surprise you like a thief.

V5 You are all sons of the light and sons of the day we do not belong to the night or to the darkness.

V6. So then, let us not be like others, who are asleep but let us be alert and self controlled.

V7 For those who sleep, sleep at night, and those who get drunk get drunk at night.

V8. But since we belong to the day, let us be self controlled putting on faith and love as a breast plate, and the hope of salvation as a helmet.

V9 For God did not appoint us to suffer wrath but to receive salvation through our Lord Jesus Christ

V 10. He died for us so that, whether we are awake or a sleep we may live together with Him.

I Thessalonians 5:2

V2 For you know very well that the day of the Lord will come like a thief in the night.

The word of God says we are children of the day and we are in light but not in darkness. It means that we will know when his coming will be near. As near as just at to the door step but we may not be able to name the exact hour and day, Many Christians have been troubled by this day and hour but we have one immediate mandate to act upon. To be ready always for the hour. Live a righteous and pure life for God and live a blameless and spotless life free from sin all the time Amen. Only pretenders, hypocrites and non- believers would be worried about the hour for they are not always ready. Be ready and sure of yourself and you will live at peace. As long as you are wholly clean in the eyes of the Lord, you need not to worry for the day of rapture is very near as we talk now I mean now as I finalize the book He is very near indeed.

Be ready for the marriage supper always. For this is the ONLY HOPE of the body of Jesus Christ, the true Christians.

III. THE LARGE MULTITUDE OF PEOPLE

As the Lord Jesus Christ rested in the cloud in the universe, He directed my eyes to the face of the earth. This part of the earth although it looked like just the real earth that we are living in today, it looked a bit strange to me. I had not known this part of the earth before, it looked quite new to me. I was not familiar with this ground. **Then like lighting, when I looked in front of me, there was a large multitude of people raising up their hands I believe the True Christians (the bride) or you may name them the body of Jesus Christ.** They stood in front of me. They raised both of their hands to receive the

Messiah or other to be received by the Messiah also. They stretched their hands to reach the hands of the Lord Jesus Christ. Who had settled somewhere above. They all looked and stared upwards. I could not see the end of the multitude. That crowd was truly large !!!

Many Christians have hoped and prayed for Jesus Christ to return and rapture the church ; but let me kindly request you to ensure that you are truly prepared for this occasion. It is going to happen so soon! I have used the words kindly requested you because I was there when the Almighty God demonstrated to me this same night how it will come to pass. My dear friend, try as much as you can to purify yourself.

It may not be as smooth as most of you think. This is an hour which may see most of those who have been calling on name getting shocked and collapsing . Honestly I am not frightening you or anyone but I have the experience which I got on that same night. It is real and it is true that the rapture will take place so soon. Sooner than you can imagine. **I tasted it there then and I can ONLY PLEAD with everyone who wishes to join Jesus Christ in the universe on that moment of joy of rapture to be fully prepared and ready for the occasion. Do you know that I do not actually know on how to explain this event?** This is what every true Christian is looking upon. We hope every minute for the Lord Jesus Christ to settle on the clouds and draw us to Him but you will still experience what I experienced. I am therefore challenging you as a brother or sister in Christ to truly worship the Almighty God and please ensure that you are living a pure and righteous kind of life. I have dwelt on this very much but I have a proper and divine purpose and reason for my emphasizing on purity, holiness , righteousness and paying your total loyalty to the Almighty Heavenly Father.

" REMEMBER THERE WILL NOT BE AN IMMEDIATE APPEAL "

Those who will have to suffer in the cruel hands of the antichrist and the agents of Satan, It will be such a terrible time.

Please my dear friend , for how long will Jesus Christ wait for your repentance so that you can make your ways clean? How much more time do you think is remaining before this awful hour comes? Can you guess now though it is not important? Honestly repent and wait upon the coming of our Lord Jesus Christ. May I make you know that I am also struggling with the trials of satan to achieve the standards which Jesus Christ will be asking for on that very moment of the hour. One thing was also made very clear as I stood in front of the multitude. In the first place, as the trumpet blew, I was in front of a small multitude of people and standing in front of them. It looked like I was preaching to them.

I stood in front of them and I was facing them. Then the trumpet was blown.

When the trumpet was blown. It was when I looked down and the earth after staring for some time on Messiah when I discovered that the multitude had grown too big for my eyes to see the end from one side of the multitude to the other. I could not see the end. It was so large . How I pray that it could be bigger than it was when Jesus will come to rapture the church.

IV) MY ACTUAL PHYSICAL AGE ACCORDING TO THE DATE OF THE RAPTURE REVELATION

After Jesus Christ lifted me in the spirit to see the multitude of the people who had gathered miraculously in front of me. He allowed my spiritual eyes to look at my physical body and the scene of the revelation of dream. As I had said earlier, the first scene was shown to me at my homestead where I was born and brought up. The age also coincided exactly with my age and physical body at that time of scene one.

Now, as it was for the scene two of the rapture, things were quite different. The ground in which the scene is revealed is quite strange to me. There is no similarity that I might have known the place. The place was quite new to me. The other thing which God made very clear to me was about my age. Although the two dreams were shown and revealed on the same night when I was young on the day of the rapture I was shown and revealed as a grown up person and a mature man. I was a mature man in a suit please mark this; that my age at the time of rapture is very and very important to note and to master. Do you know why ? Do you know my age and whether I have started preaching? Something also was brought to my knowledge , I did think about my wife or children which implies that there was a big possibility of me having not been married by the time of the rapture yet according to the age which was shown to me of the rapture, I was still ripe for marriage. I am actually trying to give very detailed account of the True circumstances and situation so that anybody can do his own assessment of the whole picture and illustration. Anybody is free to enquire on my age today and marital status, even though it is not very important. Everybody is free and welcomed to further decision on these issues; if not so, may be when He comes our minds will be fixed on whether to be raptured or not. God confirmed to me when the trumpet will be blown everybody will fix his mind on the word RAPTURE only.

These dream revelation were not made for me alone, but they were made to measure the time of the end of the end of the age of the times. Can you try to imagine how God loves us . In actual fact God does not intend to loose any of those He has chosen for Himself!!There was no any other purpose why God would show me all these if it were not for the express divine purpose of putting the body of Jesus Christ on the highest alert as the day of darkness drew nearer

and nearer. Amen.

The term “ the day of darkness” would here mean the hour that follows immediately after the body of Jesus Christ, the true worshippers of the church of Jesus Christ are ruptured by Jesus Christ, and are gathered to Him for the wedding supper. It MUST be noted here clearly that there should be nobody or anyone who would worry or have any question or be surprised as to why I would very clearly describe my ages in the different dreams and my marital status. They count very much. It may not be noticed but as time goes on every body who will have come across this text will say, Yes ; it was very important that God would allow me to examine my ages and marital status. These will still count very much . They are part of the measuring units of the end of the age as we wait upon the Lord say Amen. But in anyway, concerning my marital status, only God knows why He did not allow me to think about anything to do with my wife or even children if I were married or not By the way when it comes to heavenly matters married life may not be very important as concerns God. He is mostly concerned about one’s individual soul. At this time, God revealed to me that everybody who are truly saved will be transformed and go with Jesus Christ. But the rest will be left behind. These will be the concern of everybody. In summary, God told me that nobody will focus or remember anything else except whether one will be taken or left behind. It will be time of anxiety and curiosity.

V)THE JOY OF THE BRIDE

Everybody who has even worked for wages or salary or whatever kind of payment will agree with me that his heart is filled with joy when the time of the contract expires and walks to the office of the employers to earn his wages or whatever kind of payment. It is always generally common that some few days before the expiry of the set date, the employee will have already budgeted for his wages and the way he will spend may be every single cent. Likewise, the employer also puts it in his own financial budget to ensure that every employee and all their benefits are paid in time in accordance with the agreement or contract. Be it on daily, monthly, or even yearly depending on the contract agreement.

Now, when Jesus Christ was leaving the earth to go back to heaven, He commissioned us(Christians) to go and make disciples of all nations

Mathew 28:19.

V19 Therefore go and make disciples of all nations baptizing them in the name of the Father, and of the Son and of the Holy Spirit.

John 14:3 V3

And if I go and prepare a place for you, I will come back and take you

to be with me that you also may be where I am. He also promised us that He will come again and take the Christians so that where He is we will also be there with Him (John 14:3 He also promised that when He comes, He will bring with Himself reward to reward each according to His own deeds.

Revelation 22:12

“ Look ! I am coming quickly, and My reward is with Me to repay each person according to what he has done.

Now, the time for Jesus return is very near. It is then the moment we started rejoicing knowing that we will all be rewarded. He even promised to wipe all our tears which we shed as a result of hard work which we worked towards the accomplishment of His commission and building of His church.

Jesus does the building, but we participate in so many areas in accordance to His own command to each and everyone Each servant has a duty and role to play and I was there and I was very keen when Jesus Christ demonstrated and rested on the clouds to gather all His beloved ones !! would encourage each and everyone to know and be assured that it will be a time of great joy to those who will remain faithful to Him until the sound of the trumpet will be heard and the righteous ones gathered to Him for the marriage supper.

At first it may be too frightening and awesome but as we will be transformed from the mortal body to the immortal body, everyone who will be part of the body will enjoy it.

This will be so especially when you will remember that there will be no more tears, trials, temptation, intimidation and general manipulation and harassment from Satan and the agents from the Kingdom of darkness yes, the prince of darkness will have no access to you any more, praise God, Amen. Please mark this, that it will all be joy and joy allover and forever. The rapture, it must be remembered that it is the hope of the Church. This is when the true worshippers of God will say goodbye to satan and the world in general. That day or hour will be the first step in the beginning of the eternal joy and happiness (Think about this in your sober mind). Imagine no more crying , torture..... name them all!!! Amen.

I would earnestly and sincerely pray for you as I also pray for my self so that you will be there in the wedding supper. But do you know what? You must get rid of all evils whatsoever. Get hold of the hand of Jesus Christ and ensure. He will never let you walk and live alone, for His will is never to leave you to walk and live alone but to be with you always. This is the only secret, He assured me.

Several times we have walked together and I have seen Him walk holding me by hand. Believe me, Jesus loves to walk with everyone hand by hand , step by step. Incase you do not feel Him holding you, search Him until you see His

face. The moment you will look at Him on the face and right and directly on His eyes make sure that He will never leave you at all. Not even for a second . Yes, not even for a moment at whatever circumstances of life you might or will be going through. I have said you must ensure that He does not leave you at any moment. You must understand that it is us who follow and satisfy the desires of our hearts. But God can never leave you at any moment at all cost. Just believe and trust in Him alone and you will be in agreement with His word. He will never leave you. Amen, He will never leave you.

Several times God has asked me, “for what other purpose would I (God) have to reveal to you and demonstrate to you about all these revelations if it were not for the express divine purpose of I God reaching to everyone in the whole world through you, my son” They may not realize it at once and immediately but you must ensure that you preach, teach, revise and encourage each and everyone you come across and more specifically to those who belong to the body of Jesus Christ

The prince of darkness will try to convince you that it very difficulty and hard to make it, but I will in the name of our Lord Jesus Christ assure you that you will just make it through Him who empowers us. Amen. His power and authority cannot be compromised. He is Mighty and Sovereign Lord of Lords.

Once you decide to live for Jesus Christ. You must as a human being deny yourself, your life and body so much just for the sake of the kingdom of God.

Time has come which is now for you if you have not decided yet when you must weigh properly and thoroughly and of course with the guidance of the power of the Holy Spirit to choose well between the Lord’s command and your selfishness and personal desires and needs which satisfy and bring pleasure and gain to your individual and selfish personality. God has declared to me that we should never think or imagine that He has ever or will ever give us the option of giving Him any kind of excuse at whatever circumstances for having allowed the prince of darkness to deceive us to fall into sin.

Everybody must ensure that God our Heavenly Father receives All the Glory at full measure regardless of the state of circumstances of our day today life even to the point of death. Yes, up to and until the last breath of your life. You must sing Glory and Glory to our Heavenly Father who is our Creator. Anything else besides these He has termed as idolatry. Beware of idol worshiping. Many have become victims without their knowledge. You must understand that everything that occupies your life such that you do not worship God in the right and true manner is idol worship.

Worship God always and God must you serve. Amen .Many have come in His name and deceived many into idol and Satanic worship but watch them for

they will at the end of the day receive their reward in full. But now I personally through the name of Jesus Christ pray for them that they may abandon their selfishness which lead to their individual gains and satisfaction and worship, preach and serve the true God in truth and Spirit.

Please pray earnestly to God Almighty that you may have the heart of receiving this word of caution and warning. Pray that He may multiply His mercies and love for you. This will not come to you automatically but you must pray and fast earnestly so that it may be granted to you. But remember you must face God Almighty with a pure and sincere heart so that He can listen and communicate with you. Without these, it will actually be difficult for you to understand the intention and the purpose of God

One thing must I make very clear "That God can never be deceived " never and never!! Yes, you can not deceive God. You can lie and deceive everybody in the whole world and believe in you and whatever you say but not with God. Never, Never and never God will always find you and you will have nowhere to hide and do your evils. So whatever you do, remember that His eyes are everywhere and there is nowhere on the entire world where you can hide that God will not see you. Nowhere at all at all.

Many Christians are like worm, the hypocrites, the pretenders, have dwelled in sin thinking that as long as their pastors, priests, preachers and their fellow congregation members or even anybody who knows them can not see them, they think they can hide and commit all sorts of evils and wickedness saying in their heart that there is nobody who can see them. But in fact they are liars because the eyes of the Lord are everywhere and there is nowhere you can hide that He will not see you. Feel ashamed and know that God is still watching you and your price for all your evil deeds awaits you. Stop it now confess repent and make straight your ways with the Lord Jesus Christ

Psalms 139:7-12.

V 7 Where can I go from your Spirit? Where can I flee from your presence.

V8- If I go up in the heavens, you are there; if I make my bed in the depths, you are there

V 9- If I rise on the wings of the dawn, if I settle on the far side of the sea

V 10- Even there your hand will guide me, your right hand will hold me fast

V 11 If I say, “ surely the darkness will hide me and the light become night around me

V12 Even the darkness will not be dark to you the night will shine like the day, for darkness is as light to you.

Jeremiah 23:24

V 24 “ Can anyone hide in secret places so that I can not see Him? declares the Lord “

Do I not fill heaven and earth?” declares the Lord For it may be difficult for them to comprehend that they have been left behind as they ponder on how and why they have been left behind! You need to think seriously about this. It will not be just an easy thing for believers to be left. It will cost them a lot of pain. This is why you need a sober mind to think carefully about this. Take your time now. You don't know about tomorrow the next hour or even minutes.

People will hate themselves and their lives. They will have no hope of seeing Heaven of meeting with Jesus Christ again. Their minds will be brainwashed. It will be their hour of confusion and untold agony that majority will prefer death while at the same time the devil will be mourning for having lost so greatly! This is why satan will bring delusion to mostly hypocrites because they had some hope of meeting with Jesus Christ at the time of Rapture.

This is why God has declared that one must choose either to serve Him (God) or to serve Satan. You can not serve the two.It is very impossible. But if you choose to serve the two, then, you must rest assured that you are unacceptable in the Eyes of God You definitely belong to satan. There is no choice God can not share His glory with anybody else or anything ease whatsoever. Only Him alone and only Him.

Those who do not know God stand a better chance of survival at that same hour. They have no hope of seeing or meeting with Jesus Christ. So although they will undergo severe suffering and punishment on earth, they had not kept any hope on Jesus Christ and anything to do with God whatever happens, they are ready for it because they have in their arrogance and stubbornness refused Jesus and salvation. They have categorically denied Him and refused Him. But caution is hereby given to those who are desiring to meet Jesus Christ and those who wish to be raptured at the hour of the rapture!

Everybody who wishes to spend his eternal life with Jesus Christ must obey to the letter the Lord's command.

There will be no short-cut. There is no point serving God for two or three hours in a day or a week and the rest of the days or time you are serving Satan. God

is never pleased with such kind of worshippers and you had better chose to serve either God whom I personally pray for you to serve Him Truly I pray also that you may through the power of God Almighty know that there is no life in Satan. True life is only found in Jesus Christ alone. Nowhere else can one find True life, Jesus Christ declared and tap His words from His own lips as He said “ I am the way and the truth and the life. No one comes to the Father except through me “ John 14:5) Also in Acts 4:12 salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved.

Have you ever thought and imagined of the fact and the truth that a pilot may be a True Christian and the rapture takes place while the aeroplane is already in the sky. The pilot is taken and the passengers are left without a pilot. Same as driver of vehicles and so forth. Have you ever thought of how many accidents the rapture may cause and how many lives lost at that same hour. The only sure security is to insure your life with Jesus Christ and make sure you are always pleasing in His Eyes. Do it now!

Revelation 16:15

V 15

Behold, I come like a thief! Blessed is he who stays awake and keeps his clothes with him so that he may not go naked and be shamefully exposed”

If the owner of the house knew when the thieves would strike in his house, he would inform the security and his house would be guarded throughout until the thieves are apprehended as they try to break in the house.

Jesus Christ says that He will come like a thief. This means that he will come in a time when nobody is aware of the day or the hour. But He has given a signal of warning that we must stay:

1 AWAKE – Meaning we must always be alert and sober and conscious of the times so that we are sure of what is happening around us through the Holy Spirit This then means that we must not at any moment live without the guidance of the Holy Spirit yet He will not be manifesting in us if we will involve ourselves in evil and wicked ways. This then implies that we must put to death everything that belongs to earthly nature. Remember everything means even the most minute thing that you may think it is too minute and small to keep yourself a way from every kind of wickedness

Colossians 3;5

V5 Put to death, therefore, whatever belongs to your earthly nature: sexual immorality, impurity, lust, evil desires and greed, which is idolatry.

2) KEEP HIS CLOTHES WITH HIM

You must make sure that you are always pleasing in the eyes of God and also make sure that you are clothed with righteousness. Yes, you must ensure that always you are fully and wholly covered and clothed with righteousness. This then means that you should not at any moment involve yourself with any sinful act. From the top of your head to the bottom of your feet you must clothe yourself fully and totally with righteous purity and cleanliness. Must be spotless

Job 29:14

V14

I put on righteousness as my clothing; Justice was my robe and my turban.

Not later in the day or tomorrow. Welcome Him in your heart and kindly request Him to write your name in the book of life. This may be the only chance that you have. He is always ready for you. Invite Him in your Life and get changed forever and ever now, Amen.

3) THAT HE MAY NOT GO NAKED AND BE SHAMEFULLY EXPOSED:

That he may not be left behind when Jesus Christ comes for the simple reason and fact that he refused salvation. It may also be that you have refused to serve God alone and worship Him only. You know most Christians and more so those who are not strongly rooted in Jesus Christ do not actually understand very well the issue of "Being left behind"

THE ANGRIEST HOUR OF SATAN:

As it is very well known, Satan's secret agenda and motive is to steal, kill and destroy. (Read John 10:10) Satan finds pleasure in tempting and trying the lives of Christians. If there is a group of God's creation which has given Satan restless moments and times on this world, it is the True worship of the true worshippers of God Almighty. These are the ones I would refer to as True Christians. The battle that has been fought all the way long is the battle between Godliness and ungodliness. Now, Satan's target is how to bring each and every True believer to the ground and serve him (Satan). He Satan schemes day and night on how to win every believer of Jesus Christ to his side (Satan).

Can you then think and try to imagine how that very same Satan will feel as Jesus Christ gathers all the True believers to Himself and leads them all to marriage supper? Can you also try to imagine the degree of anger that Satan will have as he (Satan) bids Eternal farewell to the body of Jesus Christ (the true Christians) which he, Satan, had vowed so many and uncountable times to de-

stroy? Satan's anger cannot be measured by human standards. Only God alone knows the degree of the Satan's anger.

You may ask without knowing why I in Jesus's name would discuss Satan's anger at this very hour. This is because immediately the rapture takes places, in his anger, Satan will move at his fullest and highest speed to destroy and kill which he will be allowed to by God. He will confuse many and especially those pretenders and hypocrites who will be left in the world during the hour of rapture; it may not be a surprising thing to see most hypocrites committing suicide and taking their lives

TAKEN TO HEAVEN SCENE 3

In the same night, God took me to Heaven again. This time, there was no voice or sound whatsoever.

To be very frank, Heaven has so many departments and areas and it will only depend on God as to where He wants to show you. What He wants to show you and what He purposes to teach you when He takes you there. There are sometimes when He would involve you in discussion and some other times when He will only tell you what to do. It will not be surprising even as I mention that though your spiritual body is with Him, sometimes He chooses to discuss with you through the Spirit. Some other times you may want to ask Him audibly but you cannot.

He will not come to you as a by the way. No; He can not. In the mind of God, there is no something like a by the way, never There must be a purpose for always for every rare visit which He makes to His few. Some people would ask me why I do not ask Him such and such a question. But let me be very clear that you only ask questions which God Himself puts in your mind just as you communicate with God, you do not just ask any question that you feel like. He only allows someone to ask Him question which He Himself wants you to know so that you can understand better what He is revealing to you at that particular time.

Some other times He even takes you to Himself gives you some instructions and takes you back to the earth immediately. But then all in all you cannot question Him. Yes, you cannot question God. And He has declared that no one has the right to question Him on the way He does this or the other. He is final and He always gives His instructions with finality. Even the way He speaks, He talks in a tone which no one else can imitate. God's way of addressing mankind is in words of command. All the way through in His speeches and communications to mankind, He qualifies Himself to be the I am and to WHOM ACTUALLY HE IS. There has never been any compromise. He is our God and Creator. No one else can be compared to Him. He is the overall and supernatural God and to

Him alone must all the Glory be given to Him. He is the Sovereign and Most High God. AMEN.

Isaiah 61:10

V10

I Delight greatly in the Lord; my soul rejoices in my God. For He has clothed me with garments of salvation and arranged in a robe of righteousness as a bridegroom adorns his head like a priest, and as a bride adorns herself with her jewels.

Ephesians 6:14

V 14

Stand firm then, with the belt of truth round your waist, with the breast plate of righteousness in place.

You must also have yourself clothed with the power of God. When you are clothed with His power, then you will be worth going with Him because His power is within you. This means His power will be sensitive to you. So you must always have Gods power.

Luke 24:49

“ I am going to send you what my Father has promised; but stay in the city until you have been clothed with power from on high”

You must also have yourself to be clothed with humility. You know, when you humble you can be sure of being humble also to your fellow human beings. Whatever you do to you fellow humanity, you must take it as you are doing it to your God. Everybody was created by God .

I Peter 5:5

V5 Young men, in the same way be submissive to those who are older, All of you, clothe yourselves with humility towards one another, because God opposes the proud but gives grace to the humble.

Proverbs 3:34'

V34

He mocks proud mockers but gives grace to the humble

I would personally encourage you to think of the kind of shame that one would get when all his friends and fellow congregation members whom they fellowship together will be gathered to Christ and then he/she is left behind. I do not think that we will need our real clothes to qualify us to be gathered together with Our Lord Jesus Christ. Consider the purity of your heart.

I am sure they might have not thought about this thoroughly but I would encourage you to think about it when there is still sometime. You may not take it seriously now but I want you to just imagine now you being a Christian but your friends have left you behind to be gathered to our Lord Jesus Christ Terrible!!! I can assure you that you will run North and South, East and West to see and

confirm truly whether. It is really true that rapture of the body of Jesus Christ has taken place. You will scream and shout to your loudest voice but it will be of no help. At the same time satan will be running after you ringing bells and blowing whistles and trumpets of shame, shame and shame on your ears. Surely and frankly speaking, can you try to see where you can go and hide in such a situation. Just try to figure and think about it.

Please invite and call upon your sober mind and deal with this issue as a matter of urgency and because I can assure you that any moment the trumpet can be blown and the next minute the Body of Jesus Christ will have disappeared from the face of the earth! I can assure you that there is nowhere on this planet called the earth where you can very successfully hide when you have been left behind because you were a lukewarm Christian that the devil will not find you and harass you, ashame you and even laugh at you as he will be assisted and accompanied by his agents.

Please, my dear friend I beseech and urge you to keep your clothes with you and stay awake and on the highest alert. Fix your faith and your eyes on Jesus Christ and let your mind dwell on the rapture of the body of Jesus Christ for this is the only thing that will keep your mind on the alert and sober knowing that it will take place very soon.

Yet to qualify to be transformed and raptured and given the immortal bodies during the rapture, you must truly and deeply be rooted in Jesus Christ. Through Him will you find and see the exit door to the wedding supper. Say Yes and Amen **Colossians 2:6-7**

V6 So then, Just as you received Christ Jesus as Lord, continue to live in Him,

V7 Rooted and built up in Him, strengthened in the faith as you were taught, and overflowing with thankfulness.

My friend have you thought of going on a very important trip outside your country or still within your country but where you are supposed to use air transport . But on the way to the airport, you were caught up in a traffic jam or your car break down only to arrive at the airport one hour later and find out that the flight you had booked took off an hour earlier. Just try to imagine how you would feel. May be you can change and live a righteous life for Jesus Christ ONLY.

THE BEAUTY OF HEAVEN

Revelation 21:18

And the building of the wall of it was of jasper: and the city was pure gold, like unto clear glass.

Honestly I have no words to explain there is no language whatsoever. This is supernatural beauty only God has the language to explain to you.

Many people have in different times and in different ways described how heaven is beautiful. Whatever ideas you may have about this beauty, I would still give my description of what I actually saw in Heaven. Believe me friend, that place is extremely and Supernaturally beautiful.

There are actually no bulbs for lighting because I never saw any of such, but God Supernaturally provides the light in Heaven. Heaven is lighted by different colours of light which one can not see their origin. That place heaven is extremely beautiful. In fact to be frank and very honest, I would declare that I have no real words to give the proper description about the beauty of Heaven. When you will go there, if you are one of those whom God has chosen to go to Heaven, then you will immediately be in agreement with me when I say I can not afford the language to how to describe that kind of beauty.

Another thing which is very interesting is the way in which God mixes or combines all these different colorful lights to makes the entire lighting of the whole place. Oh it is all wonderful. In actual fact I have seen nothing on this world which one can compare with that extreme beauty of Heaven. If there is anything that one can kindly request and pray to the Heavenly Father it will be that He (God) can allow and empower you at least to be there and see this wonderful beauty of His own creation. I personally pray to my Heavenly Father that He may teach you how to ask from Him in His grace so that you can be there. In such an atmosphere, you can never be bored make a point of going there. Gods presence and His lighting is always there and already you know the hidden secret. yes, sign a covenant of agreement with Him so that when He comes, He will not leave you behind say, Amen.

The trinity of God revealed in Heaven

Everybody who knows God and about God agrees that God is one. He says “ I AM” is His name. In the whole Bible there is nowhere, where He describes Himself in plural. So He is one. There is only one God and His name is I AM WHO IAM as He describes Himself to Moses. But then in His owns Supernatural plan and purpose for mankind, He has appeared and shown Himself in three different offices, with each office dealing with a specific goal or responsibility and purpose for introducing Himself to mankind and even bringing him mankind closer to God. That is “ The office of God the Father, God the Son and God the Holy Spirit.

It was that in this scene three of His revelation to me that He showed to me the three offices which are described in His own word. To begin with, they were all sited on the same place. There is one who took the form of Human being but He was inform of light. He only radiated light like you would see stars tringling. All the lighting which lights Heaven emanates from Him . I am saying that He was shaped like Humanity but what could be seen is very bright light. You can not keep on staring at Him for He is very bright. In actual fact as it was for me, though in the spirit body, I was kept some distance from the throne so that I can accommodate the brightness of the light which emanated from Him. **He was described as God the Father.**

Exodus 3:14,15

V14 God said to Moses “ I AM WHO IAM” This is what you are to say to the Israelites: I AM has sent me to you.

V15 God also said to Moses “ Say to the Israelites” The Lord, the God of your father – The God of Abraham, the God of Isaac and the God of Jacob- has sent me to you . This is my name forever. The name by which I am to be remembered from generation to generation.

So you can even witness further that He also refers Himself as Lord; which is still in singular form. Even when He refer Himself as God, It is still singular therefore we must all understand that God is one because He describes Himself in single form.

Now on His right hand side was another one whom I had seen at scene two during the rapture. This was also the one who had appeared to me during the first scene. This is the one who represents God the son Jesus Christ and then on the left hand side of the God the Father was another one still in the form of a human being but I had not met Him before. This I was told is God the Holy spirit. Out of the three I had only seen and recognized the one who represented God the son. I had seen Him twice and now this was the third time I had come across Him. He is the one who spoke on scene one when He gave the commands to the constructors. He appeared for the second time when He rested on the bright white cloud during the rapture of the body of Jesus Christ ; the church and now He appears to me for the third time as He sits on the right hand side of His Father. In this case then, the scriptures are fulfilled and come true. Remember what Jesus Christ says in the

John 4:6

V 6 Jesus answered “ I am the way and the truth and life. No one comes to the Father except through Me”

As God kept on revealing Himself to me, first. He appeared twice before I could be allowed to see the Heavenly Father. Although Jesus here said that

unless one accepts Him, Jesus Christ. He cannot see God the Father or He cannot reach Him in actual fact it also worked for me practically this same night that Jesus Christ had to appear to me first before I could be able and allowed to come closer to God the Father and see Him.

It must then as a matter of fact be agreed and accepted without any question or doubt that unless one accepts Jesus Christ first and invites Him to rule in His entire life, then you cannot reach God the Father. Jesus Christ is the gateway and bridge to eternal life and only express ticket to heaven. Any one who believes in whatever other way to reach God other than through Jesus Christ believes in the lies and deception of Satan and he worships idols. PERIOD!!! God revealed to me His three offices so that I can understand better about Him (God). All the way through during the third scene, there was no voice which was heard or sound. This made that God was through with His plan and purpose for man's salvation. It was all over. It was all accomplished and achieved .

It was now very clear that all was finished and that now God had settled with mankind (the chosen) for eternity. It was over, it was complete. Yes , the number three is a number of God. He proved it by revealing Himself to me in three scenes. He also showed to me His three offices which He has used to bring salvation to mankind just for His own Glory. This is God the Father , God the Son, and the Holy Spirit .

But remember He is I AM, Meaning one God and so. We only have one God. The number three to God or in God's language means God's accomplishment and finality. The everything seemed to have been accomplished and it was now all over with mankind. Those who had been chosen for eternal life were already enjoying their life in an undescrivable joy with the Lord and those whose destination was hell were suffering with still an undescrivable agony in hell with their deceiver friend, Satan, the prince of darkness. Lucifer is his name.

I do not know whether you really understand when I talk of undescrivable joy. You must understand that it is only God Almighty who can truly explain in His own language the kind of joy, the measure and the degree because He is the Supernatural One. His knowledge, understanding and also His own wisdom and power is above human understanding. Honestly He is the only one who can explain and elaborate it. Please ask Him now to explain to you and I assure you He will Amen.

Please my friend , why would you allow Satan to manipulate and intimate you until Jesus Christ comes and finds you in Satan's yoke, which is so heavy and unfriendly to you. Why can not you allow and welcome Jesus Christ to take full control over your life in full? Why double deal Jesus with Satan? Please consider and weigh, then choose between heaven and hell.

God assures me that many and many would like and have the desire to live

with Him in Heaven. But surely, how can one claim so when he has completely refused to befriend Jesus Christ Jesus Christ is the gate Jesus Christ is the way to heaven. Please know and understand that for sure there is no other way and there will for ever never be. It doesn't matter what you believe in now!! Choose Him now and you will hear Him giving you promise for life eternity in Heaven.

It will not be possible for one to see heaven. Only those whom their hearts are pure and spotless will enter heaven. Yes, the righteous ones. Heaven is not made for sinful people. Nothing unholy and unclean will enter the gates of heaven. God is holy and therefore only those who are truly righteous will enter heaven His name is holy. There is no other one like Him. Cleanliness and holiness is found only in truth and in Spirit and in Him. So you must worship God. So make sure that you maintain the purity and cleanliness of God. So make sure that you consecrate yourself and be holy.

1 Peter 1:15,16

V15 But just as He who called you is holy, so be holy in all you do;

V16 For it is written; " Be holy, because I am Holy"

Leviticus 11:44

I a m the Lord your God; consecrate yourselves and be holy, because I am Holy.

THE FINAL JUDGMENT

Twenty years later, that is in 1994, after God had shown and taken me to heaven in three scenes in 1974, He appeared to me again. This means that there were twenty years of silence between 1974 and 1994. God did not show Himself to me in the way He had shown Himself in twenty years ago, although I had become a Christian and longed to live a clean righteous life I was serving God proper to the best of my knowledge.

Now, it happened that as I was in my sleep one night, God visited me again. This time I was grown up and I was working with a certain institution in the country of Kenya. It happened that in my dream, I was walking toward my home in my village, and all over a sudden, the heaven was opened and I saw that light emerged from heaven to the earth. The light shone like a torch which was very bright and the light touched the ground in front of me some distance from where I was standing. This was on the road. The light emanated from what looked like an eye in heaven which was larger than the normal human eye.

This was followed immediately by voice still from Heaven saying "If this light will fall on a unrighteous person who is a sinner, he will surely die but if it will fall on a righteous person, he will definitely live forever" So the light started moving to-

wards my direction. My heart was filled with great fear and my whole body almost trembled with awe. I was actually not sure of myself and so afraid the light might reach me. Allow me to remind you that unless you are pure and clean in the heart, you cannot stand the presence of God. In fact many Christians long to see Jesus or even hear from God audibly but I can assure you that His mighty power can not be withstood by most Christians .

You must understand that I am not trying to imply that I was clean or I am clean such that God can visit or appear to me but the point here is that only those who are righteous can stand His true presence. I am not sure whether you are able to understand fully but He God Almighty. Knows that if He appeared to some of us in our physical body we will definitely faint and collapse. His power is mighty and powerful. Only those He strengthens can stand His presence. Amen

RUNNING AWAY FROM GOD

V 7 Where can I go from your Spirit? Where can I flee from your presence.

Immediately I arrived at what I would refer to as the only solution after too much thought . I heard some voice telling me from within me that I do not have to be tested. So I ran to the bush to hide and because the light was traveling on the road, I was sure that He will pass on the road and then I would proceed with my journey to our home. I hid almost two hundred metres from the road . But then, when the light reached where I had diverted to run to the bush and hide, He flew following exactly every step that I took while I was running to the bush.

And to my greatest surprise, He flashed and touched directly on my face and right on the eyes! When He reached my eyes, I almost collapsed. I jumped up from my hiding ready to die. Yes, I was almost dead. I can assure you I in fact do not know whether my heart was beating and functioning. But He reached me immediately. I lived I did not die. But that experience was another terrible one.

This night was so awesome. Even after I woke up from my sleep which was immediately I was still trembling, it was such a terrible experience but He strengthened me. Most Christians would pray that they meet with God in such a manner but let me tell you my friend, at times it is so awesome such that by the time you recover, you may not believe what you have gone through. But then there is no one to question or argue with God on the way He wants to use you. He is the sovereign power and authority.

There is none to even to commend on whatever He does. He is the overall and

most Superior and Supernatural One. The Creator of all that which exists today. He is the first and the last and besides Him exists none. He is Alfa and Omega. Believe, trust, hope and have total faith in Him. Besides Him His power and Authority there is none. He is the overall, most Superior and Supernatural Boss. None and none other. Amen.

FEW THINGS WE MUST UNDERSTAND AND LEARN FROM THIS REVELATION

1. Truly God watches us, sees and knows everything that we as human beings do while on the earth whether good or bad.
2. You cannot run away from God
3. You cannot hide any evil however small you may consider it such that God will not bring it into judgment.
4. There is nowhere on earth , universe , underground or whatever where you can imagine of that you can hide yourself such that God will not see you and catch up with you.
5. Every step and everything that we do while in our lifetime is supernaturally recorded in heaven in God own records and language. Imagine it is all His own mind.
6. Day of judgment is coming to us regardless of whether we are living righteously on evil life. It must come anyway at the Lords appointed time and of course at the end of the day.
7. We must choose life but not death before the day of judgment comes. You must choose Jesus and disconnect yourself completely from the snares and traps of satan.
8. There will be no room for repentance on the judgment seat. It will be just too..... late for such.
9. God loves you so much such that He even runs after you when you run away from Him in sin. He is just too loving and merciful God.
10. Just as God is final, He speaks with finality, His judgment will also be final. No further appeal!!! You can appeal now but not during or after the final judgment.
11. We will be judged according to our deeds . Definitely we will. Each according to all that he did while in this world.
12. God is final judge; although Satan has deceived many calling himself god, they will be surprised to be judged and punished together with him during the final judgment day.
13. Though people in hell will not die physically, to God He terms them as dead even now as long as they will not be serving Him in hell unlike the righteous who will worship and praise Him for the rest of their life in His presence in Heaven
14. God is Supernaturally accurate. He cannot miss even a dot .

THE GREATEST WORLDWIDE QUAKE

Three and half years later after God had appeared to me concerning the final judgment on the way, He visited me once again one night in the month of Dec. 1997. God then took me to a mountain on the middle of the slope on the sidewhich faced on the southern direction of the city of Jerusalem but I stood facing northwards. On my left just a few metres from me, there stood three men dressed in white clothing. The voice then spoke to me saying:

“There has just been a great worldwide shaking and you must climb to the top of the mountain and stand on the highest peak and see for yourself the damage that the shaking has caused” I then started the mountain climbing immediately but unfortunately, God did not allow me go to the top and see the damage on the other side of mountain. But I remember very well that I started immediately for the top of the mountain. God drew the curtain of this scene immediately I started climbing to the top. But remember I got His word well and obeyed at once. I did not also experience the shaking that took place. If you make proper observation of the voice that spoke to me, you will understand that this matter was being reported to me. Something that had just taken place while I was not there while it happened. In fact I was just dropped or taken to the place where I was standing. This then means that I was picked from a different place outside the world, so that it can be reported to me about the great world wide shaking

Please read and understand

revelation chapter 16: Verses 17-21.

V 17 The seventh angel poured out his bow, into the air , and out the temple came a loud voice from the throne, saying “ it is done!”

V18 Then there came flashes of lighting, rumbling, peal of thunder and a severe earthquake.

No earthquake like it has ever occurred since man has been on earth, so tremendous was the quake.

V 19 The great city split into three parts and the cities of the nations collapsed. God remembered Babylon the great and gave her the cup filled with the wine of the fury of His wrath

V 20 Every Island fled away and the mountains could not be found

V 21 From the sky huge hailstones of about a hundred pounds each fell upon men. And they cursed God on account of the plaque of hail, because the plaque was so terrible.

WHO WERE THESE THREE MEN

These three men, according to the Bible concerning the time of the end of the end times, I would name them as Jesus Christ, Elijah and Moses.

I) THE GREAT WORLDWIDE SHAKING A MUST

The Bible which is the word of God has given the prophesy of a worldwide shaking at the end times. This shaking is said to be so great such that a large number of the world population will perish with it. Now as it is for my case, God spared the damage from my eyes by allowing me to climb to the top and see what had happened. You must understand that the climax of events that will be coming in future will be centered at the city of Jerusalem especially where it involved wars and battles. It was then for this reason that God did not want me view the dead bodies in the city of Jerusalem. From where I was standing the other side of the mountain was the city of Jerusalem in Israel.

II) WHERE WAS I WHEN THE WORLD SHOOK?

Many preachers have taught and preached differently concerning the time of the end. There are so many theories which have been put forward about the end times. But I want you to carefully study this issue and try to think of which other place, I would have been when the whole world shook such that I did not experience the shaking if I was still living on the earth and in my normal physical body. Then it must be noted that I must have been removed from the earth. Now it would be better if we tried to reason together further and see the possible possibility of the Almighty Heavenly Father saving part of the world population and especially those who believe and trust in Him truly from the wrath that is to come to the world.

God has stated so clearly that there is a certain group of people whom are specified clearly as the body of Jesus Christ as to be saved from the wrath that is to come. I do not want to bring in the idea and the fact that I might have slept as a Christian; I mean the body of the flesh to have died physically and things happen when I am already dead. No let us not reason like that.

The truth of the matter is, the body of Jesus Christ must be raptured before the greatest earthquake to the earth. This is why actually God brings me back to the earth and tells me that it just happened. But why did not I see it.

It is because I will not see it in my normal and mortal body as it comes to pass. This is why God would not allow me to see it and the damage that it will cause to the entire world. The Bible teaches that those who believe and trust in Jesus Christ will be saved from the wrath that will come to the world.

Ref 1 Thessalonians 5:9

V9 For God did not appoint us to suffer wrath but to receive salvation

through our Lord Jesus Christ

This vision was given to me that it could be very clearly known and understood that the rapture of the body of Jesus will take place before the greatest earthquake on the world takes place whereby it is prophesied in the Bible that many people will lose their lives. God did not show me where I was before the time I was picked and taken to the mountains on the southern side of the city of Jerusalem.

But it is an obvious case that the true Christian believers will have to be taken in rapture before the time of evil or the very greatest evil days come on the earth. So let it be understood clearly that the body of Jesus Christ will have to be raptured to give way to the most evil days which will be master minded by Satan through the chief agent the antichrist. The man who carries the title of 666. Beware of this number.

Never take it even if it means death. Those who will bear this title on their foreheads will automatically end in hell. Do not take it. Prefer the choice of death than to take the number and then end in hell for eternity. Please refuse it categorically and save your life forever. Choose to save yourself with your blood than to take the number.

III) THE TRUE PICTURE OF THE QUAKE

The Bible states clearly that a time will then come when Jesus Christ will come as the King of the Jews and save them from their enemies.

He will come and save the Nation of Israel. The Bible in Revelation 16:16-21) gives an account of how terrible that earthquake will be. God of the chosen Nation of Israel will release from heaven flashes of lightning, rumbling, pearls of thunder and severe earthquake. **No earthquake like it has ever occurred since man has been on earth, so tremendous will be the quake. From the sky also will fall hailstones weighing hundred pounds each.**

They will fall on men on the earth. You can imagine how terrible that day will be. It is well stated that this will be the worst of such kind that mankind will experience for the first time since his creation. Why should you wait to receive such a sour and bitter cup of the wrath of God. Why cannot you please turn from the evils and pleasures of this world and accept Jesus Christ for redemption and salvation and of course total deliverance from these terrible days of the last days. There is still time between now and the time Jesus Christ raptures the body of Jesus Christ. Yet we do not know when He will come like a thief when nobody is aware !! you also do not know how many days God has purposed for you to live on this earth before you die. Try to reason as long as you will not go with Jesus Christ on the day and hour of rapture then you must rest assured

that you will have to undergo all the remaining process between the rapture of the church and when Jesus Christ returns on the third time as a King to save and rescue the nation of Israel.

You see, unless you first accept Jesus Christ and be filled with the True Holy spirit , you cannot understand these things. You must be guided by the wisdom of God of which He will interpret for you all things that have been prophesied about the end of the times. Even for the Christians who practice double standards will not understand anything even as the last hour draws near. The word of God states clearly in (Daniel 12:10)

V10 Many will be purified made spotless and refined, but the wicked will continue to be wicked; none of the wicked will understand, but those who are wise will understand.

Search the Truth and the face of God earnestly and you will be purified, made spotless and refined to suit the standards which our Almighty Heavenly Father requires, demands and commands of us. Up to this end, will you not sign a new covenant of agreement with Jesus Christ and give Him your utmost assurance that you will live for Him alone and only. My friend it all depends on you, choose now the true life. Yes, choose well and rightly. Amen and God bless you.

Watch out!!

The heavenly clock Year of Revelation of the heavenly clock 1999.

The time before six o'clock only is 5 minutes. This is the time that was revealed to me was remaining before the day ends. This is the time remaining before the sun sets and slowly darkness starts to crawl and cover the day light with darkness. The daylight will end at the exactly 6.00 o'clock in the evening. One

second after six o'clock, the day of darkness known as the night will fall. Another day will commence. You may call it the hour of darkness.

Year of Second Revelation of the Heavenly Clock. 2012

Alas! We have less than a minute before 6.00 o'clock in the evening. The entire world population must understand that we are now counting seconds and not hour's nor minutes before six o'clock. What exactly does 6.0 o'clock mean to mankind today? This is the hour when the daylight is supposed to start fainting away and in its place, it is replaced by darkness.

What does daylight replacement by darkness mean then; The kingdom of God is associated with light and the kingdom of Satan is associated with darkness. Jesus Christ tells the Christians that they are the light of the world. God has given mankind a period of grace so that everyone will have the right to choose either life or death. Whoever chooses life will then have to accept and welcome in his/her heart Jesus Christ as the personal saviour of their lives. Those who will refuse Jesus Christ as their savior will then have to wait that time of the end of the world when satan will be thrown in the lake of fire with his followers for eternity. The interpretation of the few seconds before six o'clock in the evening then means that we have very short time before the second coming of Jesus Christ to pick His followers the church, from the face of the earth. After the church is taken away for wedding supper with our Lord Jesus Christ, then the anti- Christ will take over the leadership and the running of the affairs of the world under the instruction and powers from Satan.

THE BEST OPTION FOR MANKIND TODAY

What is the best option for mankind?

It would be best not better if every one can consider making a true relationship with Jesus Christ before the period of time of grace is over. This is the period of time that God has given to mankind to choose

their future destiny. It is just simple and much is not required. Just to believe and accept Jesus Christ as your personal savior of your life and all will be well. Consider these scriptures as you meditate which way to follow.

John 3:16

For God so loved the world that He gave His only begotten son, that whosoever believeth in Him should not perish but have everlasting life.

Rev 3:20

Behold I stand at the door and knock, if any man hear my voice and open the door I will come into him and will sup with him and he with Me.

What everybody who lives today must know and understands clearly is that we are truly living in the last of the last days. We are the generation that is living today at the end of the age. After a few seconds, the day will end and darkness will fall immediately. Meaning within a short time of period of grace, Jesus Christ will come for the second time, settle Himself on the universe riding on a very bright cloud and draw to Himself all the true believers both the dead and the living. After the trumpet is blown, then, all the Christians dead or living will be transformed and lifted up to meet the Messiah in heaven. This is why the Almighty true living God commands me to convince everybody on the entire world who lives today on the 21st century to choose what He described as the best option. Why is this best option? Because someone laid down His life for you and paid the price for your life in full.

Jesus Christ was crucified on the cross because of you so that you may have eternal life for free and have it abundantly. Jesus Christ died so that you should not die. In fact He died so that you may live eternal life through believing in Him. He shed His blood to pay the penalty that hang on your head so that you may live without you shedding your own blood in order to live. He suffered so that you may not suffer. He was beaten, mocked, whipped and injured so that you may have peace and eternal life for free and without any cost for your sins.

In summary Jesus Christ was crucified on the cross to purchase you wholly and fully, no cost sharing. You accept Him and He will demand to control your life and everything that you own on Him alone. No strings attached else where. You must believe, trust and hope in Him alone. He is the most powerful of all mankind has ever known, Just accept Him and you will be surprised by His supernatural superiority and powerful wonders. He is the author and maker of everything that you have known and not known.

Now, at this juncture, it does not matter what you are doing or where you are.

I am kindly requesting you, in the name of our Lord Jesus Christ our Messiah and savior to kneel down, lift your both hands and face towards Heaven and whisper these few words with your lips.

“ LORD JESUS CHRIST, GIVE ME YOUR WISDOM OF UNDERSTANDING AND INTERPRET FOR ME THE MEANING OF THE MESSAGE OF THE BEST OPTION IN MY LIFE NOW” Amen please my friend, meditate on these word day and night and Jesus Christ will prove faithful to you before long. Harden not your heart and be not sturborn to the voice of God, try to soften your heart and open your heart for Jesus Christ to enter and allow Him and give Him the permission to rule over your life. Please my friend just try Him first before anything else. Amen.

THE BETTER OPTION:

I think you have understood the above clearly. The moment it will be six o'clock in the evening according to the heavenly clock day light will disappear and darkness come in its place and replace it. This will then mean that when Jesus Christ will come and pick the church from the face of the earth both the dead and the living, the anti-Christ will be revealed to the population of the world that will be alive then.

The remnants will know him clearly and they will not speculate on who he is or who will be the Anti-Christ. May be his first step will be to conduct census and know the exact number of people living under his leadership so that he can do his budget for everything. He will then dictate and issue the command that everybody must be numbered who will be alive then and will have to receive a code number which will be connected to his HQ office.

Everybody will receive a number of the mark of the beast either on the forehead or at the back of their arm. Without the number of the beast, nobody will be able to make any transaction whatsoever. You can not buy or sell anything without the number. I do not think it will even be possible to operate any bank account or even own a telephone line without the number. You will only be allowed to buy as little as that which is enough for you for a certain number of days or a period of time. In the case where one will hide some in his or her house without the mark and buy food or anything for them, you will soon be caught because they will be budgeting strictly on how much one can spend or use for a certain period of time. You frequent the supermarket and the next minute the policeman of the anti-Christ is in your house to search whom you are sharing your purchases with. The truth of the matter is that you will not be able to even travel or walk freely on the land without the number.

The number will be your certificate on any operation, transation and your right to live them. No mark of the beast no life. There will only be two choices to

choose, very simple and clear. Either the number of the mark of the beast or death. Those people who will be living in the world during the reign of the anti-Christ are those who will have refused the best option above. Those who will have refused to accept Jesus Christ for eternal life for free.

Genesis 1:27

So God created man in His own Image: He created him in the image of God. He created them male and female.

Now because man was created by God in his own image and because God loves His own creation truly, He has extended His love further to those people who will choose to live under the dictatorship of the anti-Christ because they will have refused the free gift of eternal life, which is the best option, God will then extend His Mercy for them. This is why He has provided and given the better option proposal. The period of God's grace will be replaced by a period of rough times of tribulation which will be ushered to the world of mankind. Period of bad and evil times will have begun.

God commands me to inform everybody who lives today in the 21st century that it is not in His will for mankind to enter into the period of the better option. "I am the one who created mankind I love him and have mercy for him but it is so unfortunate that he has chosen death instead free eternal life through Jesus Christ," says my heavenly Father God is not happy and pleased and will forever never be pleased to see mankind suffering in the ruthless hands of Satan the ruler of this world.

It will not be pleasing to God the Father, God the son and God the Holy Spirit to see anybody proceed to the period of the better option "I gave out my only son to die on the cross to rescue mankind but they have refused the true life and believed in the lies; satanic teachings" Says the Almighty God, "I cannot force anyone to worship and serve Me. It is free will and each must choose what is best for them" Declares the Lord.

Although it is also NOT my wish for anybody to find himself in the world ruled by the dictator, the anti-Christ, I would urge anybody who may find himself in world then not by any chance take the mark of the beast. Refuse it. Do not take it. By refusing to take the mark, you will have chosen the sword. Better choose sword and save your life with your own blood. By refusing to take the mark, your head will be chopped off with a very sharp sword. You will have saved your life with your own blood. You will only be asked to take the mark or you die. My dear friends, why should we wait until that period of time when we will be forced to be slaughtered in order to get the certificate to enter heaven? If you will refuse the number and confess that you better die as a Christian, then you will save your life with your own blood.

This is why this was declared as a better option. Of course you will not be thrown to hell with satan and his followers but you will have saved yourself with your own blood. So the only advice to anyone who may by any chance find themselves in the hands of the anti- Christ and the world ruler, is that do not take the mark of the beast. Taking the mark means an express exit to hell with satan. No any other remedy for life .That will be the end of you. External suffering in hell.

REFUSE IT IN THE NAME OF OUR LORD JESUS CHRIST AMEN.

THE SONG OF THE 21ST CENTURY

On the 6th August 2001 in the morning as I had explained earlier God spoke to me as I rested on the bed. “ Wake up and go to the bath room “ said the voice of God. I rushed to the bath room immediately and I prepared to take a morning shower at once. Before I turned the tap to shower, I heard another voice telling me to sing. “ Sing for me” the voice said to me. As I thought of a song that I knew best to sing for the Lord.

The voice talked to me and said “ Just open your mouth and make some noise” Said the Lord. In actual fact I thought for a few minutes but out of all the songs I had known since I was young, not one came into my memory. God did not want to me to sing for Him other songs composed by His other servants but He wanted me to sing for Him which He Himself God had composed. Another thing that came into my mind was that I have never been a singer.

So I opened my mouth wondering what I was to sing. I started making some noise as I was commanded. As a Christian I have learnt that the only thing that God loves most is obedience. So I had to obey immediately. Before long, God started putting words in my mouth. I started singing. He also gave me the key and I started to sing slowly and at a low tone. After almost an hour or so, one of my friends was still on the bed but in a different bedroom. He called me from his bed and asked me what had happened.

He noticed something new and Supernatural since the time we have been together in that house for more than 3 years I just told him that nothing had happened and I continued singing. It was so sweet singing a strange song which He, God Himself had put in my mouth . This was the first time in my life to sing for the Lord a song I had not heard from anybody or anywhere. It was so strange but it was very sweet and interesting .In fact I stayed in that bath room that day for more than one and half hours. I came out of the bath room after knowing the song exactly and after I was able to sing fluently word by word. This was a strange experience with God but I can assure you it was very smart

and very interesting.

After shower , I settled at the sitting room with a pen and a notebook ready to put the song in writing so that I may not forget.

THE 21ST CENTURY SONG (MARCH 2001)

Make us one now in your name Lord, Make us one in thy name

Make us one in your name Lord

Make us one my GOD (This is just a summary of the message of the song).

After God gave this song to me in 2001, I had not understood fully the meaning of this song. It was in the 2013, when God asked me if I knew the meaning of the first stanza. Then God told me that first sentence connects God with every individual soul. This is a personal individual connection with your maker. This is more of a prayer than a song. Everybody must pray to the Almighty God to have himself connected and have a personal direct link to the maker in heaven. So it is up to everybody on the land to kneel down and request our heaven Father for a direct Supernatural connection with every individual soul through our Lord Jesus Christ . We must get connected to our maker so that we can be communicating with Him freely like a child would be communicating with His biological father. He is our creator and so we are His children consider this my friends

John 17:20-23

20, Neither pray I for these alone, but for them also which shall believe in me through their word;

21, That they all may be one as though Father art in Me and I in Thee that they also maybe one in Us, that the world may believe that thou hast sent Me.

22. And the glory which thou gavest me I have given them; that they also may be one, even as we are one. 23. I in them, and thou in me, that they may be made perfect in one; and that the world may know that thou had loved me.

THE UNITY OF BRETHREN

The next two sentences of the first stancer of the song was interpreted as the unity of believers Believers are supposed to live like one body of Jesus Christ. Christians must be truly true friends and live as just one in the name of our Lord Jesus Christ. Jesus Christ Himself prayed to the Heavenly Father asking Him to make those who believed in Jesus Christ and the Father to live as just one as Jesus and the Father are just one.

Consider these:-

John 17:21 That they all may be one as though, Father art in Me and I in Thee that they also maybe one in Us, that the world may believe that

thou hast sent Me.

God's will and desire for all the true brethren is to live in unity as one body of Jesus Christ. Jesus Christ does not intend to come for divided church. The church must stay and remain united in Jesus Christ just as He Jesus Christ is one with the Father . If there will be divisions among brethren and the entire body of Jesus Christ, then something will have to be wrong. This is because if we have believed in Jesus Christ and the Father who are one, then how can we be divided yet we claim to have believed and saved by the same Jesus Christ who is unity. These will imply that there are not true believers but just pretenders and hypocrites watch out for them and correct them just on time. Consider

Ezekiel 3:18 -21.

v18. When I say unto wicked, Thou shalt surely die; and thou givest him not warning nor speakest to warn the wicked from his wicked way, to save his life, the same wicked man shall die in his iniquity; but his blood will I require at thine hand.

v19.

Yet if thou warn the wicked, and he turn not from his wickedness, nor from his wicked way , he shall die in his iniquity; but thou hast delivered thy soul.

20. Again, When a righteous man doth turn from his righteousness , and commit iniquity, and I lay a stumbling block before him, he shall die in his sin, and his righteousness which he hath done shall not be remembered; but his blood will I require at thine hand. 21. Nevertheless if thou warn the righteous man, that the righteous sin not, and he doth not sin, he shall surely live, because he is warned; also thou hast delivered thy soul.

Colossians 3:12-17

Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, long suffering.

13 Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ for gave you, so also do ye.

14 And above all these things put on charity, which is the bond of perfectness.

15 And let the people of God rule in your hearts, to the which also ye are called in one body; and be ye thankful

16. Let the word of Christ dwell in your richly in all wisdom; teaching and admonishing one another in Psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

17. And whatever ye do in word or deed , do all in the name of the Lord Jesus, giving thanks to God and the father by him.

Let's be frank and free with one another assisting each other in true love of God and according to His command.

The second song (October 2013)

After the first song, God send me in a training school of His own. It is estimated that I have been schooling for almost twelve years since 2001. God told me I will send you to a training school and indeed He did send me. He Himself lectured every subject. Then on the year 2012, He told me now is the time for me to send His word forward to the entire world. From that time, I started laying the strategy in which these message will have to reach the entire nations of the world. On 20th October 2013 as I was praying at around 02:50 am; God gave Me another song telling Me that everybody on the entire world needed to believe in Him God Almighty alone and not anything else. Everybody must believe in Me, God Almighty for everything they need. Let them name and count all of them and ask from Me, your God. Just face me and make your requests through Jesus Christ. There is no short cut. I am the source of everything. Be it good health, healing, protection and security, provisions for all you may need is mine. All is mine and all belongs to Me. Let everybody who knows Me, the God Almighty and the creator of everything both in heaven and on the land ask of Me undoubtly and I will give to Him. All you need is to remain faithful, to Him and He will listen to you and He will answer your prayers. Just ask in prayer. Says God Almighty.

Consider these:

Psalms 121:1

I will lift up mine eyes unto the hills, from whence cometh my help.

Psalms 17:5-8

Hold up my goings in thy paths, that my footsteps slip not.

I have called upon thee, for thou wilt hear me, O God: incline thine ear unto me, and hear my speech. Shew thy marvelous loving kindness , O thou that savest by thy right hand them which put their trust in thee from those that rise in thee from those that rise up against them.

8. Keep me as the apple of the eye, hide me under the shadow of thy wings from the wicked that oppress me, from my deadly enemies, who compass me about.

They are enclosed in their own fat; with their mouth they speak proudly.

Just cast all your problems and worries to Him and He will carry them all. Jesus Christ has the power and Authority of everything you may ever dream of Jesus

Christ challenges everyone in the world to list them all and ask to the Father through Him Jesus Christ in prayer and they will be surprised to see what God will do to them. He is cursed who puts his trust on another man and fellow human being.

The third song (November 2013)

As I was praying on 2nd / Nov 2013, at around 5.00 am in the morning, God gave me a third song. In the first one, God revealed to me that everybody must seek to unite with the Lord Jesus Christ and Christ was also one with the Father. On the second Song, God reveals to me that He is only source of Hope for everything mankind would desire to have on this world. On the third Song God revealed to me that everybody must learn to give thanks to God Almighty at whatever situation of life anybody is living in. It doesn't matter what circumstances one was in. whether good or bad, first let everybody learn to thank Our Heavenly Father. He knows everything and He knows you as a person and your individual situation and all your secrets. There is no part of ones life that I do not know let all give thanks to Me. Says God Almighty.

JESUS CHRIST EXPOSES SATAN HIDDEN TOP SECRETS OF SATAN REVEALED BY JESUS CHRIST

1.Groomy Satan

To begin with, when satan was commanded by Jesus Christ to show us how he (Satan) operates, I looked at his face and he had turned very gloomy and totally unhappy. Although he obeyed the command of Jesus Christ at once, he was not pleased. It was shown in his face clearly. This would then imply that deep in his mind and heart, he knew instantly that his kingdom of darkness was in danger. "How can Jesus Christ do this in front of a human being"

I heard satan ask in My Spirit.

Infact to tell the truth, It was Jesus Christ who revealed to me the feelings and the thoughts of satan. But satan forgot that the purpose and the reason for Jesus Christ to take me there and exercise His power and Authority against the power of satan was to actually reveal to me that Jesus Christ is more and most powerful than the satan and all the powers of satan and all the powers of darkness. Jesus Christ had brought me there where satan operates from so that He Jesus Christ can prove to mankind His relationship with satan. Just mention the name of Jesus Christ in the presence of satan and his evil spirit and they will be seen no more. Jesus Christ is the King and Ruler . Satan is imitator. He imitates God's power.

IT IS A BIG SHAME TO SEE BIG AND RESPECTED DIGNITARIES WORSHIPPING SATAN IN ORDER TO GET HUGE MATERIAL WEALTH FORGETTING THAT IT IS NOT FOR FREE , IT WILL NEVER LAST AND AT THE END OF THE DAY THEY MUST PAY FOR IT DEARLY.THIS IS THE PLAIN TRUTH:

YOU EITHER TAKE IT OR LEAVE IT. WE HAVE SEEN IT HAPPEN EVERYWHERE IN THE WORLD. YOU HAVE ONLY BEEN DECEIVED BY SATAN. GOD ALMIGHTY IS THE ONLY ONE WHO GIVES FREELY , AND EVERLASTING MATERIAL WEALTH IF THAT IS YOUR DESIRE. NO HIDDEN AGENDAS. NO HUMAN SACRIFICES FOR INCREASE JUST TURN TO HIM TRULY AND HE WILL GIVE YOU ALL YOU NEED. A MEN GLORY BE TO GOD.

2. Satanic Systems Revealed

When satan was commanded by Jesus Christ to show how he/satan operates, in his hand was what looked like a remote control. Satan knew that Jesus Christ had decided to expose the satanic system of operations to mankind. With the remote control kind of an instrument satan keyed in some information and it produced a beam of light. It was made very clear that satan has coded all his followers in his computer like operation system. We must understand and make one thing very clear. That

(1) it is either you are coded in satanic operation systems or

(2) You are coded in the true God's operation system records. Each kingdom has its own records. It is either Jesus Christ or satan. Everybody MUST appear either of these two records of kingdoms either the kingdom of God or that of satan. Not anywhere else .

DO YOU KNOW FOR SURE YOUR NAME IS RECORDED. IF YOU ARE NOT SURE, TAKE ONE STEP FORWARD AND ASK AND SEARCH THE FACE OF THE TRUE LIVING GOD AND ENQUIRE FROM HIM. IT WILL BE THE BEST IDEA FOR YOU TO REQUEST HIM TO RECORD YOU IN THAT BOOK OF HIS FOR LIFE !!!

So satan knew for sure that mankind will know his operation system. Which I am now revealing also to the world to know. If I don't reveal it, there was no reason for Jesus Christ to come all the way from heaven, take me to satans living and operation place and command him satan to operate in my presence. When you get or come across these good news , you must not sleep but spread it like wild fire. Move swiftly to tell your friend , neighbor, everybody and everybody. Amen. You know what, Jesus Christ will personally pay you for doing His work and revealing to everybody on these secrets of satan.

3.Satan is merciless

Everybody was and is created by God. Was created because before you are

formed in your mothers womb, God had done it before the beginning of the world. Is created now because God is making to pass his creation and His word coming true. It doesn't matter whether good or bad. All creation belongs to God. Nobody was created by satan. This is why satan has been and has proved so ruthless and merciless towards mankind.

The donkey that stood in front of us which was overburdened represented one of the human beings who had been taken captive by satan and who if you were asked you would definitely say this person can't even walk. The burden was in fact too heavy according to human understanding to bear.

But look here , when satan decided to use him , he started walking slowly then faster. In a short while, he started running slowly then very fast. The same creature which I was not sure that it had any energy remaining to walk was now flying with all the burden on its back. It flew until it disappeared in the thin air.

SURELY, IS THIS THE SATAN PEOPLE ARE JOKING AROUND WITH.SUCH A BAD RUTHLESS, MERCILESS, HEARTLESS AND INHUMAN AND SO ON,AND SO ON
137

AND SO ON.....YES CALL HIM THE BAD NAMES THAT IS WHAT he is. This is it, don't think that those who are serving satan with all the hardships have no minds to think or to reason BUT THEY HAVE BEEN BRAINWASHED BY SATAN without their knowledge . Their brains have been stolen , they can't think or reason.

They are lost, please if you understand these, and if by any chance you happen to feel some mercy for them, the ONLY thing you can do is pray for them tirelessly. God may rescue them and restore them to HIMSELF AND TO HIS KINGDOM. I , as your dear friend, have asked of you just one thing in the loving name of our Lord Jesus Christ , Our savior and redeemer, ONLY pray for them without ceasing and you will see . The Almighty true Living God DO A MIRACLE IN THEIR LIVES. AMEN.

JESUS CHRIST REVEALED TOP SATANIC SECRET

For sure to Many of the people living today, they are living in a big confusion. How come that those who claim to be Christians sometimes they are suffering more than those who don't know Jesus Christ. In fact many people are reasoning differently. But it is only that they don't know the truth. At times, Christians trials may mislead anybody but the way christians are living and operating doesn't measure God's power.

God's blessings may not be realized immediately but as long as His people remain faithful, they eventually come. It all depends on what God wants each of His children to achieve and own. Remember once you become a Christian, God appoints you to serve Him in a certain area and level.

But I can assure you everything that you will ask from the Father through His son

Jesus Christ . He will grant to you if it is asked in good motive and for His works purpose. It will eventually be given to you. Just remain truthful and faithful to Him and He will provide to you. Don't listen to what the world will be telling you. The world knows only how to discourage God's people but Jesus Christ will keep on encouraging you until you achieve your goal.

Jesus Christ promised to take us and go with us Christians all the journey of this life together Jesus Christ cannot lie. He is faithful and truthful just look how satan obeyed Him Jesus Christ without even a complain. He satan obeyed Jesus Christ like a small child would obey his own biological parents. Satan never said even a word. We can conclude that satan is a coward. If he had any powers, he would have told Jesus that, I should wait outside as he demonstrated to Jesus how he satan operates. But that was not the case. Satan just obeyed quietly and swiftly. In presence of Jesus Christ, Satan is a creature which is powerless and helpless.

This is the truth which Jesus Christ wanted to demonstrate and exercise in my presence so that we can stop fearing satan as some of his followers are doing. They adore satan like a god. I only wish that they can learn, know and understand the truth about satan. Such a coward. They would tell satan just on the face and immediately turn to Jesus Christ who is the most powerful than all satanic powers. I am only praying to God Almighty so that He can release His wisdom of understanding to sweep across the nations of the world just as He has promised me so that people can witness to one another the mighty power of the true living God.

Anybody who is ready to receive the power of the Almighty God will receive. This is a promise God gave to me. God has never lied and will forever never lie. Those who are desiring to get His wisdom of understanding, will receive so that everyone can know the truth. Just be truthful, faithful and trust in Him alone and He will pour His POWER UNTO your Heart. Just ask for Him without any doubt and you will receive. This is a promise which God gave to me when He was sending me to bring forth His word. Just trust in Him and you will receive. There is no much time remaining and so everybody who wants to know the truth of the Truth will know so that you will not complain you didn't know.

WHY DID JESUS CHRIST CHOOSE 25th DECEMBER TO EXPOSE SATAN

As it is very well known worldwide, 25th December of every year is the day when the birth of Jesus Christ is celebrated every where worldwide. It was through the birth of Jesus Christ that everybody who sought and today who seeks the redemption of Jesus Christ would be redeemed. Without the birth, there was no salvation on the cross, for there would not have been the one to

be crucified. Maybe God would have sought another way of saving mankind from eternal suffering in hell.

But because there was birth of our Lord Jesus Christ, then it is the reason why there was salvation on the cross. Jesus Christ by coming to pick me on the 25th December to reveal to me the way satan operates and the way satan had such an evil bad plan for mankind, Jesus Christ wanted to make it very clear that it was through His birth(Jesus Christ) that mankind was set free from the bondage of satan.

The birth alone made a lot to the kingdom of darkness. This was the reason why satan moved so swiftly to have Jesus Christ beheaded. Satan knew that he satan and his kingdom where in danger. Satan knew that the only way to hold mankind captive until the time of the end then to hell with all mankind was to cut the life of Jesus Christ short. The only solution was to kill Jesus Christ before He (Jesus Christ) grew up to challenge satan. Satan knew that his only enemy was Jesus Christ and that's why he entered king Herod to have the child Jesus Christ killed.

But to proof to you now that satan is a powerless creature, God commanded Joseph and Mary through an Angel to travel overnight to Egypt where they stayed until king Herod whom satan was using to kill Jesus died. Satan is the king of the kingdom of darkness satan operates very effectively in darkness. That is at night. If satan is as powerful as he claims to be, why didn't he see Joseph and Mary as they were escaping to Egypt?

Why didn't satan attack them on the road and they only used a camel to travel to Egypt. why didn't satan alert the king Herod to slaughter the child on the way to Egypt if satan is that powerful as he claims? Why didn't satan attack them on the road as they were escaping to Egypt?

Why didn't satan alert the king Herod to slaughter the child on the way to Egypt if is that powerful; as he claims?

Why didn't satan know that Jesus Christ had escaped to Egypt and follow Him there if he is that powerful as he claims. Why didn't satan know that Jesus Christ had escaped to Egypt. Satan thought that Jesus Christ was slaughtered with other children who were killed of His age according to King Herod's command but satan was surprised to meet Jesus Christ in the wilderness when Jesus Christ was already 30 yrs of age. Satan decided to tempt Jesus Christ immediately but satan scored Zero as Jesus Christ knocked satan down with His Scriptural answers. **THE ONLY THING I KNOW ABOUT satan is THAT he NEVER GIVES UP EASILY.**

He keeps on trying however **YOU ARE COMMITTED TO GOD.** Satan expects to win you in the next minutes. To satan every other trial mean overcoming you. But I am encouraging you to sing a song of **NO NO NO....** to satan. How can you

believe in such a merciless, heartless creature. Even those who have decided to worship satan are merciless and heartless, inhuman and ruthless like satan himself. They have borrowed from him. They just behave like satan himself. All satanic agents are ruthless and inhuman, That is why they will not hesitate to sacrifice their own biological children to satan to acquire the false wealth. Others sacrifice their own biological parents to acquire these kind of wealth.

Others have even finished of their own relatives in exchange for this kind of satanic material wealth. Others being more powerful and on a higher rank in the kingdom of satan have planted satanic evil spirits on roads to cause accidents to harvest human blood from innocent lives who do not benefit from those satanic wealth whatsoever in any way. You have decided to slaughter day and night innocent lives who are God's Creation so that satan can multiply your satanic material wealth and get more money from his kingdom parents have been left childless because you have sacrificed to satan their children.

Children are crying day and night because they have been left orphans after their parents has been sacrificed. Satanic wealth has to you been more reliable than the precious innocent lives you have sacrificed to satan you are enjoying the luxurious demonic wealth alone with your families at the expense of innocent lives sacrificed by you to satan. MARK THIS VERY WELL " The day is coming when you will regret all your evil things you committed on this world. A day is coming and rest assured that is very soon when the taste of your sweet satanic wealth will turn sour and bitter. It will lose its taste. It will be of no value. You will have no peace at all. You will regret everything but watch out it may be too late!

The total value of all the satanic wealth that you may boast to own is equivalent to Kshs.50cts. The moment you will differ with satan he will take everything that he gave you and he may even take that which you owned before you knew him . This is a fact, Yes a global fact. The entire world knows and believes in it. So when one is boasting because of satanic wealth, be assured that your total value of what you are boasting with is (Ksh 50cts),shame on you! You would better turn to Jesus Christ who will give to you a more valuable deal which is long lasting and no human sacrifices required.

WHAT WILL IT BENEFIT YOU IF YOU OWNED THE WHOLE WORLD AND END UP IN HELL

SATAN NEVER GIVES UP

After satan was defeated by Jesus on the wilderness, satan never gave up. Satan entered and used one of the great friends of Jesus Christ, Judas to sell Jesus

Christ to the authorities to be crucified, now satan thought that if Jesus Christ will be crucified, He will die and that will be the end of Jesus Christ. Satan is short sighted and short minded. By satan using Judas Iscariot to handover Jesus Christ to the authorities to be crucified, it implies very clearly that satan will only use your closest friend to bring you down. Satan will use the person you even trust most, to bring you down from your faith. Infact this is very true and very practical. This is how satan has been operating since time in memorial, look at the issue of Job when satan struck and took away everything from him, Satan lastly used job's wife to tell him to curse God and die.

Job 2:9.

V 9 His wife said to him “ do you still retain your integrity? Curse God and die!”

Here satan used the most intimate friend of Job, his wife to bring job down from his faith in God but job knew for sure who his God was and who (God) was to Job know for sure what the true living God meant to job but see how Job answered his wife.

Job 2:10

V 10 You speak foolish woman he told her “ should we accept only good from God and not adversity?”

These are not meant to frighten or to scare anybody from very bitter experience, which is real, it is very pleasing to be very alert and sincerely sensitive when you are dealing with your close friends and even relatives. Some may be under instructions from satan to cause you to backslide so that satan can find a reason to strike and destroy you if not to kill you.

But when satan saw Jesus Christ on the cross, he marveled and thought it was all over. Little did satan know that, hanging on the cross was Jesus final blow to satan. It was the hanging on the cross that mankind received total redemption and salvation. It was on the cross when mankind received total deliverance. It was here on the cross when Jesus Christ paid total price for your life in full. Jesus Christ paid everything instantly. All your burdens were taken off your shoulders on the cross. All your suffering and all your ailments and sickness were healed on the cross.

It was on the cross where mankind received eternal life in Christ Jesus . It was through the blood that shed on the cross that all our sins, evil and inequities were washed as white as snow. It was on the cross that we got the birth certificate to be called the children of God. For sure my friends, it was on the same cross where we received power and authority over all satanic powers of darkness.

While satan thought he had defeated Jesus Christ on the cross, it was satan who lost his battle against the saints and the followers of Jesus Christ in totality. It was

on the cross that satan was rendered powerless and that is why I have stated that satan is shortminded.

Satan is powerless and he satan only fakes the power of God to scare and to frighten his followers. If the people who are satanic agents and worshippers can know that satan is not the god he calls himself , they will all riot and protest worldwide and satan will loose all his followers. But he satan has deceived them that he satan is god; that he is very powerful and with the facts that satan has given them his wealth and money, they all believe that satan is their god. But one day they will know that satan is not god. Jesus Christ is the ONLY one who deserves to be worshipped so that you can receive eternal life in heaven. Jesus Christ gives more lasting and permanent wealth than satan.

If only you can worship and serve the true living God through Jesus Christ and ask Him God for all that you think satan has, you will be surprised to see God giving you many times than what satan can give you. You only need to turn to God and be truthful and faithful totally to Him and you will receive His blessings without other strings attached. Satan keeps on issuing death threats to all his followers and incase they turned away from him and stopped worshipping him. He also tells them that he will take everything he has given them and his agents are not supposed to reveal any secret about the worship of the kingdom of darkness. They fear that they will be punished heavily and most likely with a death penalty. This is how satan survives. Threatening your life all the way through. Turn to Jesus Christ, He will protect you and give you a new life which is eternal and which is peaceful and without any hidden agenda like satan. Turn to Jesus Christ Now!!! AND YOU WILL INDEED KNOW THE DIFFERENCE BETWEEN THE TRUE LOVE OF THE TRUE LIVING GOD AND THE FALSE godliness of satan and his agents.

AFRICA WAKE UP!!!

When God saw that satan was determined to slaughter His ONLY son and the savior of the world, God saw a continent that was peaceful and place where His son will grow in the way that pleased God. God did not see America, both North and South Asia, Europe or Australia which are very far from the middle East where Jesus Christ was born.

But God saw Africa, the land of the black people, Egypt in Africa, the country that had in the past taken the Israelites captives and subjected them into too much suffering had become the place the savior was supposed to stay and grow there until the appointed time when God would allow Jesus Christ to go back in His home place where He was supposed to live and start His mission and long journey of redemption and rescue of mankind. Joseph and the moth-

er of Jesus Christ settled in the city of Nazareth in Galilee. Satan learnt too late. Jesus Christ was hidden in Egypt in African continent.

But on learning this, Satan sought to still extend his anger and rage to the people and the continent that hosted the messiah when Satan wanted to slaughter Jesus Christ. Looking backward in the history of African continent; you will see that Africa had gone through times of hard times, trials and terrible difficulties through the mastermind of Satan. We have had a series of civil wars in almost every part of the continent of which some are going on even now.

Africans have been deceived by Satan to slaughter one another just the way King Herod ordered the slaughter of the children aged two years and below. Satan has continued to revage on Africans even to date.

We Africans have continued to kill one another like people who had no mercy for one another. If you wanted to know the reason for this kind of man slaughter, you will actually get no good reason. But we have been brain washed, our minds have been stolen by Satan and we have kept on slaughtering each other. We have inherited the brutality of Satan. Instead of sitting down and reasoning together like just fellow human beings, we blindly- choose to sacrifice each other to Satan without our knowledge.

His inhuman and merciless nature whereby we don't value the life of any other innocent fellow human being. We Africans have become so selfish to the extent of only counting on our personal needs not caring or minding of our fellow African brothers. God has for a long time revealed to me that it is for the standing fact and reason that He God sought to keep His son in Africa for security purposes that Satan has made the continent one of the most insecure continents in the world. Today African continent has become so insecure such that now everybody see how Satan has terrorised the whole continent. After all the civilization we have gone through, we can still seek the option of civil wars to solve our differences instead of reasoning together like civilized people and seek true love and peace for each other.

Satan knows that when there is war it will be very easy for his agents to harvest as much blood as possible when he will be in need of human blood. It is easy to offer human sacrifice to Satan when war is going on.

Satan knows very well that where there is civil war there is no development. You can't develop when there is no peace. All the resources and every available finance will only be budgeted for armory but not development. Satan knows that the gospel of Jesus Christ and the word of God in general will not be preached and most of the people will die unreached by the gospel. This is one way Satan

has sought to prevent the spread of the gospel of Jesus Christ. Famine and diseases which have dominated almost every part of the continent, just to mention a few very small misunderstandings and differences have always resulted in massive man slaughter within the African continent. But how long must we allow satan to dictate and brain wash and force each one of us to create enmity and hatred amongst ourselves. For how long are we going to continue in this situation. The measured time and period of time that was appointed for this continent to live in this selfish kind of life has come to an end!!!. The entire African continent must seek the face of God for true love, True unity and true peace. Amen and glory be to God.

(TLUP). The true living God who commanded His son to be hidden in Africa for security purposes, through the son Jesus Christ who caused satan to ravage on Africans and through the wisdom of the Holy Spirit who is our counselor of our souls will definitely see us go through these. We only need to create within our hearts true love for each other. Seek the face of the true living God Almighty for true unity and through the name of Jesus Christ we will achieve true peace. When we are in true peace but not false peace we can reason together truly and move forward together in true unity. True love is the key.

When you practice to love your neighbor and your friends truly, then this will be the strongest and most powerful weapon of striking satan and his powers of darkness. When you are in true love, you will wish your neighbor and friend the best. You will request him what is best for Him and for you as well.

WHERE CAN WE FIND TRUE LOVE?

True love, true unity and true peace can only be found in Jesus Christ
John 15:9

V 9" As the Father has loved me , I have also loved you. Remain in my love." For sure if we will learn to love each other in Jesus love, then we will not at any moment be hypocritical or pretend to love with our fellow neighbors and friends. Everyone will practice true love towards each other. Jesus Christ gives the command that as His Father love Him Jesus Christ, and so Jesus Christ loves us as well. He has then commanded us to remain in His love. What we need to do is to preach the true love of Jesus Christ.

If you will pray to the heavenly Father to give you the grace to receive and practice the true love of Jesus Christ, the Heavenly Father will grant it to you. After receiving the true love, then practice to extend it to your neighbors and friends . You can't have true love of Jesus Christ and hate your neighbor and your friends. True love my fellow dear Africans is the first step. Can we all who

have the wisdom of God encourage one another and teach each one of them to practice to live in true love with each other. I have emphasized on the term “ True love” because some of us pretend to be truthful only when they know for sure that there is no truth in them. They are only pretending and lying to achieve their selfish personal goals and desires.

TRUE UNITY

Allow me to insist on the word truth because Jesus Christ Himself is the truth. Jesus Christ is the only one who can lead the people of Gods creation into true unity “ united we stand , divided we fall “ we cannot make any progress in life on the earth when we are divided. Unity is power. And so we must practice true unity in order to please God so that He can give us His wisdom of understanding to move forward together.

John 17:21

V 21 May they all be one, as you Father , are in me and I am in You, May they also be one in us , so the world may believe you sent me. May they be one as we are one. My dear friends, true unity can only be found in Jesus Christ. He is the only source of true unity. There is nowhere else on the entire world where true unity can be achieved from. Africa think true unity, think Jesus Christ.

TRUE PEACE

John 14:27

V 27 Peace I leave with you. My peace I give to you. I do not give to you as the world gives; Let your heart be troubled or fearful.”These words were said by Jesus Christ Himself who is the source of true peace. Just look backward and even now lift your eyes across the hills and mountains in the African continent and see how satan has stolen our gift of peace with each other that was given to us by Jesus Christ Himself. He says “ My peace I leave with you. Honestly this peace is just lying somewhere within the entire continent. He goes further and declares “ My peace I give to you” Jesus Christ is telling me now that He is stretching His loving and merciful hand towards each and everyone must stretch also their hand and take it. This is not for African continent alone but the entire world must open their eyes and seek true peace for each other and everyone who lives today!!!!

Don't hesitate or waste even a single second. African continent must be restored her True peace at once. We must all in one voice claim our stolen true peace by satan. God has promised to restore the African continent to live as one nation of the African continent. We must help and assist each other as loving children of one parent Mr & Mrs. black Africa continent, Time has come

and the time is now that everybody must rise and refuse the evils of satan and reclaim our lost glory. Africa, the continent that was seen by our Heavenly Father as the most peaceful place to live in almost two thousand years ago when He ordered that His son Jesus Christ to be hidden in the continent because it was most secure place then.

African continent is a very productive place. If only our leaders can guide us through the right direction and practice truly the true love towards each other, the true unity towards everybody who lives in the continent and ask our Heavenly Father to give to us the true peace between each other as Jesus Christ has promised to. It is now up to each and everyone, big and small to search the face of the true living God to enable the entire African continent population to live in Jesus Christ true love, true unity and true peace. Let us all practice to be truthful.

THIS IS THE ONLY SECRET I AM SEEING A UNITED PEACEFUL AND LOVING AFRICAN CONTINENT IN THE NAME OF OUR LORD JESUS CHRIST OUR REDEEMER AND SAVIOUR. AMEN

Jesus Christ declares and I tap the words from His own lips

John 14:6

V6 Jesus told him, I am the way, the truth, and the life. No one comes to the Father except through me.

JESUS CHRIST THE HIGHWAY TO PROSPERITY

Jesus Christ has called Himself the way, the truth and life. Everyone must understand for sure that in order for our continent to develop to prosperity, the entire African continent population MUST build their faith in Jesus Christ. We must all walk on the Highway Jesus Christ in order to develop and live to prosperity. We can't prosper unless we go through the true path. We must all desire to follow His wisdom, knowledge and skills of Jesus Christ in order to succeed in fighting our hatred, enemy, insecurity, civil wars and all that has held all of us backward and forced the entire continent of African to be seen as though it has stagnated. Jesus Christ is the only direction to be followed by everybody. So Jesus Christ is the beginning of every journey to be undertaken under the sun. ONLY HIM!!! AMEN.

AFRICA – THE ENTIRE WORLD IS WAITING FOR YOU!!!

The entire Africa must move swiftly.

Africa must achieve all that we have discussed above. That is the true love, true unity and true peace amongst ourselves. Then we must move very fast and swiftly to preach these to the entire nations of the world.

The entire world is waiting for us, Africans . God made it very clear to me that the nation of Kenya will lead the entire African continent in spreading the gospel of Jesus Christ and the true love, true unity and true peace to the entire nations of the world.

Kenya must lead the entire continent of Africa on the long journey round the entire world in preparing the body of Jesus Christ, The church for the RAPTURE!!! The nation of Kenya was appointed and chosen by God for this mission before the foundations of the world were laid Kenyans must be ready now to go and proclaim the second coming of Jesus Christ. Kenya is the nation within the African continent to lead the preaching of the gospel of the rapture. Kenya, my fellow Kenyans, you must be ready and prepared to start on the journey

Honestly for sure and for sure my dear friends there is no much time remaining. If we will not move swiftly we will be caught up by time and we will be declared time "barred" by Jesus Christ Himself. Yes, I don't want to know what you are believing in now. Neither do I want to hear what you are doing or what you actually know. What God is waiting to see in His country Kenya is to see His servants uniting and moving swiftly and save the time. We must make everybody alert and sensitive to search the word of the true living God and know the truth. Every body must kneel down and ask for God's wisdom before they start moving. Let the true loving God who sent me to the entire world also give His wisdom of understanding to all of you who have the desire to meet with Jesus Christ. It is no longer a secret Jesus Christ is coming to pick the church for wedding supper. Let everybody buy for themselves the wedding dress and be ready for Jesus Christ.

In the year 2003, God Almighty spoke to me in preparation for the spread of the gospel of Jesus Christ. God revealed to me that although He God had given to me His word, i was supposed to wait for sometime before He would release me to go into vigorous preaching. After God Almighty told me that I would wait until His appointed time, I pleaded with Him to allow me to rest in the village upcountry. God told me that the most important thing that He wanted me to do was to first accept that when time comes for me to preach, I would go immediately without any further complains which I accepted and agreed at once. I also requested God to let me know when that time comes for me to start preaching.

On 4th January 2010, Jesus Christ appeared to me at night and told me that I should prepare to start the preaching. Jesus Christ Himself gave me another message which He told me I should also go with Jesus Christ told me to tell the world, **"I am coming soon; if I will find no fruits in any of you, I will just pass"** declared the Lord Jesus Christ. My dear beloved friends, Jesus Christ is

coming very soon. This is for sure. The long awaited Jesus Christ is coming to take the church from the face of the earth. Are you ready??? If you are, praise be to the Almighty true living God, and glory be to Him. If you are not ready to meet Him, Just wake up now, walk around and look for anyone who can lead you to know Him for sure . To be ready means purifying and sanctifying yourself. **You must wear the white linen wedding cloth which translates to righteousness. Only those who will be righteous will be transformed to go and meet Jesus Christ in the universe.**

Mark 11:13, 14,20,21

V 13

After seeing in the distance a fig tree with leaves, He went to find out if there was anything on it. When He came to it, He found nothing but leaves, because it was not the season for figs.

149

V14, He said to it “ May no one ever eat fruit from you again” and His disciples heard it.

V 20, Early in the morning, as they were passing by, they saw the fig tree withered from the roots up.

V21, Then Peter remembered and said to Him, Rabbi” look! The fig tree you cursed is withered.

After Jesus Christ spoke to me and told me that if He found no fruit in anyone of you and He expected to find fruits and found none, He took me to the scripture above where He had cursed a fig tree which withered immediately. Jesus Christ expects every follower of His to bear fruits for Him.

But it will be so unfortunate if He will find no fruits in us. We must all work hard and ensure that we bear fruits as we work for Him on this world. Allow me to tell you the truth; Jesus Christ spoke with finality His tone had some anger. Jesus Christ was in an angry mood. He was not happy this time something is wrong with His followers.

Those who call themselves in His name must wash their garments to be clean. We must be pure in our hearts. We must be truthful and faithful to Him He did not tell me this, but it is for an obvious case that Jesus Christ will not be happy when the bride is misbehaving . We need to be spotless in order to please our maker. But rest assured, whether people will change or not, when the appointed time comes, He will definitely descend and pick those who will be ready. From the way Jesus Christ addressed me, the number will not matter. Only those who are ready will go with Him, period. His concern is the righteous few. He is not for the multitudes but the obedient ones. Those who have counted the

cost and declared to worship , serve and give praise to God Almighty without being pushed or forced. Those who have willingly chosen to abide and keep His commandments. Amen.

THE GREATEST ARMY EVER TO EXIST

On the 6th day of the month of July two thousand and twelve, God spoke to me again. He commissioned me to recruit for Him “The greatest army ever to exist since the world began”

Jesus Christ is looking for prayer warriors, intercessors, true worshippers and praise to worship Him truly. Christians who are truly faithful to God. The entire world must produce a team of true worshippers who will make satan and his agents to know that time has come for the bride to go forever. God has repeatedly reminded me that any individual person, who will be willing to search Gods face with true and hostest desire to know Him God, He will pour in his heart His wisdom of understanding .People will know and experience the presence of God in a way they have not understood Him before. Amen

Remember we are in the last of the last days; the end of the end of times. The will of God for humanity on this 21st century is that everybody would seek and search God in a way they have not done before because He Himself has promised me that He will always be available BUT ONLY to those who will truly and faithfully search for Him. Just try and see for yourself. Search for His face now and you will definitely see Him. These are the last of the last days. The end of the end. Hope you can understand. Please request the Almighty through Jesus Christ to interpret the meaning of all these. He has promised me that He will and even now He is telling me to tell you to turn to Him now and He will speak to you!! . Glory to God.

God assured me of something which I must mention here. He assured me that any truthful soul that will truly search and seek His power and authority over the powers of darkness, from where he will be kneeling down, within a radius of one Kilometers there will not rest any evil spirit. In a distance of one kilometers. It will be demonic free. They will all flee from the Supernatural power that will be present from where every true Christian will be praying From, Even any satanic agent will have no peace around there and they will opt to quit and relocate. In fact its only us Christians who have become very reluctant. Seek and search the face of God and you will see Supernatural wonders. Glory be to God. Amen

The bride must be prepared, the body of Jesus Christ must truly proclaim His name. The church must grow every second, every minute and every hour of the day and the number must grow day by day. Everybody who truly meets God must make sure many other people have heard from God before the sunset of that particular day. In summary God wants every body to witness to new lives every minute after another. Be fruitful and multiply. Jesus Christ is coming. What will you show to Him. How much fruit will you have born for Him to pick you. The army of Jesus Christ must grow in every part of the entire world. This is why everybody whom God has spoken to must move very fast and swiftly.

We must tour every part of the world with the gospel of the rapture. Africa must remember that it is her turn to say thank you to those who brought the good news of Jesus Christ and salvation to Africa , it is our turn , Africa to go back to them and say thanks for obeying the voice of God to bring the good news of salvation to the African continent so in return we must go to them and preach the second coming and emphasize on the rapture which is very near to happen.

I can hear the voice of God telling me that many even up to now don't understand and believe but watch out that you are not caught unaware. Be ready and prepared. I will personally continually keep on requesting you to be ready. I will tirelessly keep on repeating this. For it is for the same reason why God has reserved and preserved me. We must truly encourage one another and build the army of the Lord as we wait upon Him. Please seek the true unity of the bride. We must be truly united for sure.

Mathew 28:19-20 V19

Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit

V 20

Teaching them to observe everything I have commanded you. And remember I am with you always to the end of the age.

Africa must obey the command and the great commission of Jesus Christ. Let us not hesitate. We are being commanded by Jesus Christ to go and make disciples of all nations in the entire world. Africa, it is for this reason why we are living today. God is preserving us so that we can bear more fruit. Our God is watching us to wake up and spread the Gospel. Jesus Christ wants to see His name mentioned on every tongue and language. This army which will be recruited through the power and authority from the true living God Almighty through the supervision of our Lord Jesus Christ will be the greatest ever. There has never been an army like such and there will be none other of such magnitude to be

seen in the world in the future. You know Jesus Christ is preparing the church for the rapture. If up to this end you cannot understand what we are doing, why we are doing it, the far we have gone, where we are standing now, why we are standing there, and honestly and frankly speaking, if for sure you do not know how much time is remaining before Jesus Christ shows Himself on the universe, then please allow me sincerely to swallow my comments. THANK YOU. MAY JESUS CHRIST LIGHT ON YOUR FACE!!! AMEN AND AMEN

WHY ARE WE ALIVE NOW!!!

On the 29th day of the month of November the year twenty thirteen, God appeared to me in a dream. In the dream, I was distributing printed message of God. The message was printed on paper. I was also discussing sharing and also fellowshiping with other Christians including some pastors. I know then God spoke to me and told me that His will for creating mankind was for man to worship God. There was no other reason for God to create man. What other reason? but there will never be any other reason. I created man with a purpose. If man cannot worship, serve and praise Me, then what reason did I create him for? This day, God made it very clear to me that He created us so that we can worship Him. Serve Him and Praise Him and to Glorify Him.

Any person who lives today who does not fulfill the will of God for His creation of humanity, any body who does not fulfill the will of God for creation of man goes contrally to His will. If man is not able to worship, serve and praise Me, God, then who is he offering all these services to? Is anyone in the world worshipping other gods, let him know that they are worshipping idols and they must turn and change and worship the true God. I am the true God” He told me. “let man do thorough investigation, search and know for sure who is his Creator” They must worship their creator and not any other. Do not allow yourselves to be deceived any longer,” God declared. “ Know the truth first” God summarized . I will not add much on this message. Let he who has ears hear and understand the word of the true God. Amen

A MUST FOR EVERY MOTHER

Are you a woman? If the answer is yes, then in the true love of the true living God, May I request you to kindly request Him to give you some wisdom and answer with all the honest, in the eyes of God who is all knowing the few questions below.

Are you a mother? If yes then let’s continue. Can you try to picture the experience you underwent after you conceived your first born? Please take time and try to remember as much as you can? The discomfort , the freedom, the

child in the womb denying you some of your best meals and commanding and demanding some others which may be were not available all times. Can you remember your dressing fashion and style changed? Your body structure changed also. The big tummy and the weight just to mention a few. But every individual mother went through her own life challenges but just try to list your's only. God made it very clear to me that our mothers go through very many difficulties and go through tough and rough experiences and He made me know even more than I thought I knew about women.

All this was revealed to me on the month of October 2013. Very recently after God revealed all these to me, what followed was sadness.” God told me, “ Can you imagine, my son, the hardship women go through before delivery and after the child lands on their hands, they forget completely the rough and tough experience; They even go to the extent of risking their lives. **During the hour of delivery, its always 50/50 you can either come out of the labour ward alive or dead.** Can you imagine this But most of them are always very determined to see the gift from God in their hands and when the child is born, there is celebration of victory through the tough or rough journey after a few days the mothers forget everything.

They will remember when they will find themselves in the labour wards again. And the process continues like so. **My son, tell every woman on the entire world to remember never to forget again. My son, my youth on the entire world is about to disappear. They will be swallowed by satan never to be seen again. I am sending you to their mothers, the ones who carried them in their wombs for nine months and because they know how much they risked and invested on each child let every mother rescue her own child. And I am waiting to hear from every mother from the entire world . I am now listening to hear from every mother from all corners of the world.**

Every mother knows her own children . Every mother knows what she went through and how much they risked their lives and how much they invested on behalf of their children. I am sending every mother to count to me in prayer how many children each has, beginning with the first born to the last born. Every mother must rescue her own children from the terrible hands demonic chains of Satan. I am the creator and satan has vowed to destroy my creation. The youth and even the grown ups are going away. Let us save the remnants and rescue those who are prisoners already. Talk to every mother to intercede for their children whatever the age. Every mother must present the list of her children to me, whatever the age.

They must claim protection and deliverance from Me, God so that I can protect and deliver the fruits of their wombs satan is swallowing and arresting my people in multitudes not even one by one. satan knows that the time is almost over and he has vowed to steal and destroy and even kill my people. They are my people because I am their Creator. I am the sole Creator of mankind I did it alone but the enemy of my people, the king of darkness has vowed to destroy them. This is mandatory for every mother who knows that she has given birth to a child. Let every mother remember how and whatever they went through in their lives as mothers and be ready to rescue their children. Learn from the animals who have no reasoning capacity like human beings how they care and protect their young ones from their enemies until they grow to maturity. **What about you mum??**

You have handed over your children to your Sunday school teacher, your house helps, your academic teacher and the government to mold your children .This is "IMPOSSIBLE" TOTALLY. Every mother is the one to mold their children the way they want them to be through tireless prayers and in the way of the Lord. You and not anybody else Mum. If you truly love your children, you won't hesitate!!

TO EVERY TRUE LOVING MOTHER

PROVERBS 10:1

V1

A wise son brings joy to his father, but a foolish son, heartache to his mother.

PROVERBS 22:6

Teach a youth about the way he should go; even when he is old he will not depart from it.

After God gave me the revelation on the danger that awaits mostly youth and even many others who are getting lost in the hands of satan , I consulted with God what we should actually do. God straight away gave to me the above scriptures. Then I asked God what about the fathers? Will they not be praying also." Their fathers have bigger and broader responsibility of praying for the entire family including even their mothers, provision, investments and many others. But I have placed the responsibility of every child to his mother who carried him in her womb and who risked a lot because of him. She knows exactly what she went through. Let every mother reclaim their children from the hands of satan. I God am waiting to hear from the mother so that I can participate and act . Let every mother search my face on behalf of their own children. The moment they will remember what they went through, they will not allow them to be wasted and destroyed by the enemy. Some will even spend sleepless nights to ask from Me the power and authority to have the demonic powers and evils

destroyed by my Gods Supernatural Authority.

Who does God describes as foolish?

Psalms 14: 1

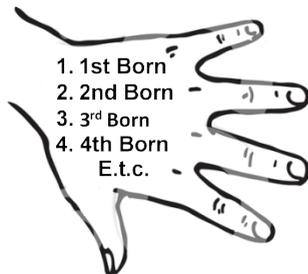

The fool says in his heart, "God does not exist", They are corrupt, they do vile deeds. There is no one who does good

Any child which does not recognize the existence of God is a fool. He may have acquired a lot of academic knowledge and skills but as long as he does not worship and serve and praise God the Creator, he will remain a fool.

So if the person who does not believe that there is a true living God and who does not believe in the salvation of Jesus Christ on the cross, this is the person God calls a fool. You may be a very dignified person but as long as you do not believe in the existence of God and as long as you do not worship Him, you don't serve Him and you don't praise Him, then in the eyes of God you will remain a fool and it is not until you will turn to God that God will describe you as a wise man. But as long as you will continue serving other gods and the King of darkness, you will definitely remain a fool in the eyes of God. This, I am not the one saying it but it is God Himself who calls those who don't know Him foolish. What are you in the eyes of God but not in the eyes of your fellow human beings?

What matters is what you appear to be and who you are to God but not to men. Men are just human beings like you and they make no difference in your life. What **MUST WORRY EVERY BODY IS HOW GOD SEES YOU AND THE DESCRIPTION HE PRINTS OR YOUR FORE HEAD.** You know yourself. So you are who you are by the way, it is not for anybody to call you names but it is only you tell people what to call you. You but not anybody else. You are the one to **SPELL TO THE WORLD THE NAME YOU WANT THEM TO CALL YOU. SAY YES AND GLORY TO GOD. MAY GOD HELP YOU TO KNOW WHO YOU ARE TO HIM. AMEN.**

LIST YOUR CHILDREN MUM, NOW AND NOW

Then God told me, people keep on forgetting. Satan knows how to steal their minds. If there is an area where the enemy of humanity knows how to deal with it is the mind. They will only pray for a moment and start to forget. They must do something unique so that they can fight the evil spirits of forgetfulness. Let them list the names of their children where they will not forget. Tell every woman on the entire world to write the names of their children on their left hand arm. Here you will easily be able to remember to pray every minute of the hour. Anytime you unfold your fingers, you will still see the names and you will remember to read them to the Heavenly Father for protection and guidance of your children. These words should never be absent from your lips as you read the list to the Almighty True living God. Deliverance, for those who are already chained and serving Satan. Protection for those who Satan is chasing to swallow. Guidance for all those chained to know the truth about the true God and turn to Him and abandon the worship of Satan and his kingdom. And all in all, never forget to mention the Supernatural power which emanates from the name of Jesus Christ. Ask Him also to release to you His supernatural power and authority to destroy all powers of darkness. And the most important of all is to cry to the Heavenly Father to give to you His wisdom of understanding to guide you to pray effectively and to plead with God to rescue your children and protect them from the enemy.

God also instructed me to tell every mother to write the list also on papers and pin them inside all the rooms in their house so that she can remember every time to pray. God declared to me, if only every mother can ask Me to open their eyes and see the danger that lies ahead and the evil that has filled the entire world. Supposing they can have their eyes opened, then some of them would not even sleep.

Imagine how they risked to bring forth the children and the danger that the same children are in now. A big number have turned to satanic movements for quick and cheap, fast wealth which Satan is offering the money; wealth, material wealth, and fame. The youth are easily being deceived to join Satanism with the promises of money and vast wealth. You only need to be a member and you will start enjoying satanic money and wealth. Only forgetting that they will soon be required to pay very heavy prices and penalties to Satan. Satan will never give anything to anybody for free no matter who you are. At the beginning you may not understand but he will soon trick you and the moment you fall into his trap, you are gone. To come out of it, it will still cost you why serve and worship Satan when you already know your Creator is waiting for you to turn to Him and serve and worship Him. Write and list your children as above. This list in your hand will keep on reminding you to pray for your children. You can even set

your alarm clock to be reminding to ring after a certain period of time. All these efforts are being made to avoid and fight forgetfulness.

Every mother must improvise a system to be remembering to pray for their children without forgetting. How many times in a day? As many times as the Holy spirit will remind you that you have taken too long to pray for your children. Even if they are as big as you are, even if they have children like yourself, as long as they call you their mother, pray for them as they also pray for their children. Let every mother pray and pray.

If it were possible you would read this list to God minute after another. As you remain faithful in this prayer for your children, God will definitely open your eyes one day and you will see and know the dangers that are operating today and what lies ahead of us. Satan knows that the end has come and he wants to imprison as many of My people as possible” that is what God had told me. You should also know that the end has come and that’s why evil has filled the world. Only the chosen few will survive the satanic attacks. Remain in truthful prayer and the Almighty Heavenly Father will see you through. Only the power of the name of Jesus Christ will save mankind.

THE NAME JESUS CHRIST ALL OVER THE WORLD

Sometimes back as God was preparing me to serve and send forth His word, He one day told me to close my eyes, God took me round the world. Starting from my country Kenya, the African continents, south and North America. Asia and Europe and then Australia. As we moved very fast, I saw the name of Jesus Christ written almost everywhere we went through. On all walls the name of Jesus Christ was written and printed all over. Then I asked God what is the meaning of this. Then God told me I should ensure that the name of Jesus Christ was heard and written on any place possible in the world. Let everybody open their eyes, let them just see the name all over. Let anybody who comes across this message help and assist where possible and through the power of the true living God to have the name of Jesus Christ to be written all over on the walls, flags hanging on all streets in the cities, posters, Billboards please my dear friend in the name of our Lord Jesus Christ, help me with some skills, knowledge and wisdom on how to go about this. AMEN

The name of Jesus must be seen by everybody, when they open their eyes, including even writing and printing the name Jesus Christ on the papers and hanging them and pinning them on your wall inside all your rooms in the house all over. All and all over even on the trees . Save them on your phones as screen savers everywhere, everywhere and everywhere.

WHAT IS THE SECRET BEHIND THIS

God told me and assured me that anybody who sees the name of Jesus Christ, whether they know Him or not, they will be interested in knowing who He is and what He Jesus Christ can do in their lives. This will be another fashion and style of spreading the gospel of Jesus Christ. By printing a signboard with the name of Jesus Christ, you will in a way be preaching and witnessing to some one. You don't know the impact that you will create on that society. Erect as many as you will be enabled by God to. This assignment is for everyone who knows and understands and believes in Jesus Christ. This is team work. This is not the job of an individual.

If it were possible I will visit every industry and manufacturer on the entire world and convince them to print the name Jesus Christ on all their products. May the Almighty God lead us and guide us and introduce us to them and may His supernatural power and authority speak to them to accept. Everything that you see and use **MUST** bear the name Jesus Christ. This name, the most powerful of all names that have been named. The name Jesus Christ. The name that was introduced to save humanity **JESUS CHRIST, JESUS CHRIST AND THE NAME JESUS CHRIST. JESUS CHRIST IS HE.**

There has been no any other name, and there is no other name and there will forever be no any other name under the sun given to save mankind. Amen
Let us preach this name and let us also have it displayed all over the entire world for the glory of our Heavenly Father.

RESPONSIBILITY AND ACCOUNTABILITY OF MOTHERS.

God spoke to me again concerning every mother and their children relationships. " I will hold every mother responsible and accountable for every child they have brought to the world for their irresponsibility, negligence and ignorance. Every mother is directly responsible and accountable for every life brought to the world for their irresponsibility, negligence and ignorance. Every mother is directly responsible and accountable for every life brought to the world by them.

The behavior and the general up bringing of every child depends on the entire efforts of the mother and the child. I can't really tell why but the bond is very strong and the mother must take it as her responsibility to hand over to the father a well displied and good mannered child; mothers, take the challenge and request our Heavenly Father to give each one of you, that's every mother, the wisdom that comes from Him to enable you mothers to bring up the children according to His will.

The will of God for everybody born to this world is for them to worship and serve God. Let every parent participate in the bringing up of their children BUT the mother has been given the mandate of praying, Interceding and fasting for their children. God knows how much the mother risks in her nine months before the child is born. Every mother must know and understand for sure that I am short of words and language to explain to all of you how much the life of your children depend entirely on you.

It is for the same reason that God tell me to tell you to write the names of your children on your left palm so that you will never forget to pray for them. According to the word of God and His revelation to me for every mother and their children, EVERY MINUTE IS PRAYER TIME FOR THEIR CHILDREN. WHEREVER YOU ARE, WHATEVER YOU ARE DOING, KEEP ON PRAYING FOR THEM FOR GOD TO COVER AND PROTECT THEM FROM SATANIC AND his demonic attacks from ALL QUARTERS. Consider these and I quote

Luke 10:19;20

V 19 Look, I have given you the authority to trample on snakes and scorpions and over all the power of the enemy, nothing will ever harm you.

V 20 However don't rejoice that the spirits submit to you but rejoice that your names are written in heaven.

The truth is that we have been reluctant and ineffective in prayer. Prayer is the key in the lives of Christians we only need to know who we are, what we have and our rights in the eyes of God.

Our heavenly Father is only waiting to hear from us, see us fully committed to Him and put all our faith and hope in Him alone so that you can see His response to our needs and petitions to Him. All is His; both in heaven and on the earth. Everything belongs to Him. All you have to do is to kindly ask from Him through the name of Jesus Christ for His wisdom so that He can teach and guide you on the way to go about each and everything. Its not hard. Its very easy. Just search His face and ask Him to give you His wisdom.

WHY HIS WISDOM?

Let me assure you for sure my friends, without His wisdom and His guidance, without His knowledge and of course His own skills of doing things, then we cannot succeed in anything. If you rely on your own knowledge and you won't go even one step forward in His kingdom. If you claim to be His, then ask God to teach you and guide you on how to do things in His own way. When you do everything in His own ways in which God expects you to do them, then I can assure you that you will never fail in your life.

Yes, trials will definitely run after you BUT JESUS CHRIST will always see you through in everything that comes your way. Jesus Christ Himself declared that He will never leave any of the children given to Him by the Heavenly Father to suffer. If we, human beings, will not let our children to suffer in our presence and as long as God enables us, then why and how do you expect our Heavenly Father to leave us to suffer in the hands of the cruel enemy, satan. We only need to call on His name for deliverance and protection and He will see us through. Make sure you walk, run, travel, fly and move anyway hoping truly and fully on Him and you will never regret. Amen

Finally then, the sole reason and purpose for every mother to write the names of their children on their left hand palm is for each to be able to remember each and every minute. Writing on the hand, You know what is better for you.

Maybe your clock alarm, or name it, all you have got to know for sure is that you must pray as many times as you can before the day ends. Sincere and honest prayers to your Maker. Petition, appeal and interced for your children and the entire family but making sure that almost 95% of your prayer time goes to your children. The children are our future. Without disciplined and well behaved children we will be doomed. Bring them to the kingdom of God . Let them know there is a God and more powerful Entity beyond their parents . The future belongs to our youth, bring all of them to the kingdom of God. Amen.

THE BENEFITS OF TRUE MOTHERLY PRAYERS

My dear friends, I know of one mother, who in every Christian fellowship would not allow the pastor to close the meeting with the final prayer before she would lift her hand and said to the entire congregation that she had a prayer item.

There is no single day she would not request for prayers so that God can look into her prayer needs, besides her personal individual meditations and commitments in prayer needs, she made sure the pastor and the entire congregation partnered in her prayer needs. Although she never used to mention what it was that she was praying for, it was sometimes later after many years learnt that she was praying for one of her sons whom God blessed so much. A true prayer to true living God is the only one who can bring a lasting true change in ones life. But not anyone else. Only the true God, with properly and well dedicated prayer can bring a true and lasting change in ones life. (A true story which I personally Know)

It does not matter how bad and terrible the situation is, just fast and present everything to our Heavenly Father in prayers through our savior and Lord Jesus

Christ and you will see what God can do to true loving people. His promises are true and there is no way you can go to Him in truthful prayer and interceding that He will not answer you. **All you need to ensure is that He is in you and you are in Him then ask for anything, be it what as long as it is asked in good faith and He will definitely do it to you. AMEN**

THANK YOU MUM

To every child who has his/her mum interceding for them, let them tell God thank you. Let them have the habit of thanking God and encourage their mothers to pray for them without ceasing . If you are not sure if your mum is praying for you, remind them to pray for you. Every child must write to their mum and say “ thank you” for their intercessory prayers. Let every child congratulate their mothers for their prayers for them. May God bless every child. The age of every child does not matter. As long as your mum lives, whether you are grey-haired or not , you must write to her and let her know she should be praying for you **EVEN IF YOU ARE ALSO PRAYING FOR YOUR OWN CHILDREN LET EVERY MOTHER KNOW THAT THE AGE OF THEIR CHILDREN DOESN'T MATTER.** They are your children and you must keep on praying for them. Children, pray also for your parents, pray for your mum to pray fully for you and ask them to seek God's guidance and His wisdom.

THE PROMISE FOR OVERFLOW OF THE HOLY SPIRIT

As I was winding up the writing of this book, God came to me in a dream and after the dream He woke me up. I was not completely asleep. In fact I was almost awake. I saw myself as if I was not asleep. In front of me was a bucket of honey and God spoke to me as if He Himself wanted to feed me with the honey. There were different sizes of utensils to be used for feeding on the honey. There were big spoons cooking spoons, table spoons , teaspoons spatulas, tooth picks. Then God asked me what size of spoon I would prefer Him to feed me with.

Before I could choose on the size of the spoon, God told me that His wish was to feed with a very large spoon such that only a small portion of the honey would enter my mouth and the rest would flow down my beards, to my chest and flow down and wet my clothes from chest to stomach and my trousers. “ I want to feed you with more than enough “ I want to see honey over flowing and pouring all over flowing and pouring all over so that everybody who sees you will say yes, this man was enjoying on honey!!!!

'I don't want you just to taste but to feed and bath you with it. That's what pleases Me. To see you fully bathed with honey' Then He told me, "this is just an example of how some Christians worship Me. He told me that some just use even tooth picks to dip in the honey and taste and that's all. Others use teaspoons and others use smaller utensils and even the teaspoons to be feed on my honey. To my surprise, God told me others just come and surround the bucket of the honey and they would not even want to have a taste of it.

People worship Me differently God ,” declared to me .Then God told me that the honey and the utensils kept next to the bucket shows how different people worship Him. Then God told me that He is only pleased with those who use big feeding spoons or those who prefer to use even the cooking spoons to feed on the honey. You must be seen as one who has been smeared with honey all over yourself. What are we saying? The honey is the word of God. God is interested in only those who commit themselves fully and truly to worshipping Him.

Our God is a jealous God, and He will never be pleased with anybody who is partially in His worship and the next minute he is in the kingdom of darkness. If you have made the decision to worship and serve the Almighty God then just worship Him and serve Him only and Him alone must you hope in Him. Put all your trust in Him and He will always be available for you. Just in Him alone.

On 23/12/2013, God appeared to me and showed to me some worshippers who were worshipping Him in partially. They would claim I am of the praise and worship team. Others would say I am an intercessor and so on and so on. Then God showed to me what looked like a pool of water with the writings on the sides, true worship of true God .Then I saw a hand which I saw like it was the hand of God who pushed those worshipping God in partially to the pool of water with the writings which read true worship of True God.

They were immersed fully in the pool of worship “This is the way people must worship me” declared God Almighty. Those who have decided to worship Me must do it in truth and they must commit themselves fully into true worship. Some of Christians are just joker. They worship me as if they don't know me God. Everybody who has decided out of his free will to be my follower must be truly faithful to me God in everything they do.”

“I God hate hypocrisy. No pretence in my kingdom. Its either you are worshipping Me truly or I would just be not part in your worship”. Many Christians have today taken Christianity for granted but our Heavenly Father is not happy at all

with such kind of Christians. All the way through, since the beginning of everything, our Heavenly Mighty God has declared His stand to mankind that His will for those who wish to worship and serve Him must be truthful, truly faithful to Him and each must pledge total loyalty to the Almighty Heavenly Father.

God then declare to me, “ son, the shepherd knows His sheep and the sheep know their shepherd” Those who know truly and for sure their true God who is truthful and faithful to all, they will worship Him in truth and they will never listen to any other voice from a stranger. Satan is the stranger because he has sworn to deceive and confuse God’s creation. God created mankind to worship and serve God but satan has decided to pull and force them from the true worship of God to listen to satanic lies. Turn to the true God and serve and worship Him alone.

There are no double standards in the kingdom of God. Serve and worship Him only and alone must you put all your strength. Amen.

On the 1st day of the first month of the year 2014, God Himself declared to me and told me anybody who loves me will keep my commandments.

John 14:15

V 15 “If you love me you will keep my commands”

All in all, if you have decided to be a Christian, a follower of Jesus Christ, then you must also declare in your heart to worship and serve the true living God alone and only Him must you worship. Forget the rest, and serve Him only. This is the only way in which you will receive from Him all His blessings according to His promises. May He, the true living God, our Heavenly Father guide and direct you so that you can understand fully His will for you. May His wisdom shine on your face. Amen.

On the 8th January 2014, God spoke to me while I was fully awake at dawn, giving me three messages.

- 1.No physical confrontations for Christians “time is gone – you are just about to go away from the face of the earth.
2. Another religion will take control of the world religion
3. After the first scene in 1974 , God took me to my step mother’s land because the message God had revealed to me was supposed to be preached across the boundaries of my country Kenya.

NO MORE PHYSICAL CONFRONTATIONS FOR CHRISTIANS FROM TODAY

God's message on the above topic was very precise. He made it very clear to me that "Christians are no longer supposed to fight physically. Instead let them kneel down and worship Me God".

"The Christians are just about to disappear completely from the face of the earth. I am about to take every true Christian away from the world," Declared the Lord My God.

It is not because of the problems and the tribulations the Christians are going through but it is because the time is about to end for Christians to continue living on the world. Christians are not allowed to use physical energy or force but fight Spiritually. Fix your eyes on the Lord Jesus Christ who is about to take you for wedding supper.

The world cannot understand until it happens.

When it will come to pass is when they will remember what has been preached all the way through. So let every Christian remain calm on the land until they are raptured to dwell with the Lord God of Glory forever and ever. Whatever happens to anyone of you, just put all your hope on Jesus Christ and pray to God Almighty through Jesus Christ and the supernatural joy that comes from the Lord Jesus Christ will fill and lead your life. Supernatural joy comes only from one source, the true living God. He will overshadow you with His love and you will not worry of whatever is surrounding you. Amen

ANOTHER RELIGION TO REIGN THE WORLD

After the Christians are taken away from the face of the earth to be with the Lord in heaven, another religion will sweep across the world and control and subdue the other religions in the world. One religion God told me will come up very powerfully now that the Christians will have gone with their savior, the Lord Jesus Christ. The true followers will go with Him when He will appear on the clouds. The hypocritical Christians will suffer under this other upcoming religion and they will find very hard time on the earth.

We can only pray so that everybody who is a follower of Jesus Christ can know and truly worship the true living God in truth. If you claim to be a Christian, then proof it by action but not by words. Words alone and no action will not help you at all. If Jesus Christ comes and finds you without the wedding dress, which is righteousness, He will definitely leave you and you will have to suffer terribly in the hands of the leadership and dictatorship of the antichrist and this new religion which will take full control of the world.

Just pray to God to help you and teach you to understand what this means for He is the only one, God who can speak to you to change and follow Jesus Christ truly. Nobody else has the power to change you to worship God in truth except God Himself, so I am kindly and sincerely requesting you to pray to God Himself and ask Him to change you to know Him to the best but not just to know Him. Put all your faith in Him and trust in Him alone.

ACROSS THE BOUNDARIES

When God revealed to me about the rapture of the church in 1974, He brought me back to my homestead but He suddenly took me across over the boundary of our land to my step mother's land. He did not explain to me at that time why He did so.

But on 8th/1/2014, He revealed to me that by taking me across the boundary to my neighbours, who are my steps, He made it clear that the message of the rapture which He had revealed and showed to me was supposed to be preached to all the nations beyond borders of my country Kenya.

These revelations are not for your people only but for every Christian and those who are willing to be followers of Jesus Christ. Preach to them all. Send the message across the other nations of the entire world. Let everybody know that the remaining time is very short. They should also not waste time. Everyone who wishes to be raptured for the wedding supper must acquire the wedding dress in order to qualify him for the long, long awaited Global ceremony.

Unless you are dressed in the wedding gown, you cannot be transformed to join the Bridegroom for the wedding supper. Only those who are righteous will go with Him. Consecrate and sanctify yourselves for this wonderful occasion .Buy for free the wedding dress. Jesus Christ paid the full price for you so that you can have eternal life in Heaven with Him at no cost.

All you need to do is to turn to Him and ask Him to come into your heart and take full control of your life and that will be all. Just kneel down and ask Him to do that now and not tomorrow or any other time. Invite Him into your life now!!!! Don't wait any longer. Just now is the time for your salvation and redemption. May the power of the Holy Spirit guide you in the right direction to follow to your eternal destiny. Amen

The Final Signal of Warning is a summary of the prophetic revelations which have been revealed to the Author way back since 1974 to date.

The revelations are true events which must happen in the near future on both the scientific and the Spiritual world, as Jesus Christ describes them to me. The events on the scientific world will affect everybody who lives on the planet earth but the events on the spiritual world will specifically affect directly the Christians who are followers of Jesus Christ.

The rest of the world population will be affected but indirectly. On the scientific world, America the state of Israel and the entire world were the placed in the centre of events. On the Spiritual world, the climax of the events will be the second coming of Jesus Christ which is very soon. (Rapture of the church) of Jesus Christ.

The Heavenly clock which has been revealed is a very clear evidence that we have very little time remaining. My dear friends move swiftly and buy for yourselves the wedding gown before you are declared "time barred" by Jesus Christ.... Pray truly to God so that He may guide you on His timing Amen.
